

Colorado, N.H.

August 31/56

My dear Gray

I rec'd yours with Engraves
recept. — I sent several (3 or 4) days
ago the index &c — I wrote to see
that job finished & laid by — next one
you undertake — hope you'll make a closer
estimate of the time required —

→ page 673 H. Crista-Cartensis should be
H. Crista-Cartense — notice it in the Errata
or alter it in the index, that may be sufficient.

I have all the labels for Mex. Nov.-Amer.
ready. — But Sergeant is called away on
business, and some 12 or 15 species are to
be added, which cannot be done until
he returns. — 2 or 3 weeks hence.

Send the enclosed to Dr. Jerny &

give me his address in your next.

Send me a Manual as soon
as out. —

Don't forget to have 5 or 6 copies
of M. & H. interleaved ^{with} white ruled
paper as I mentioned lately. —

as ever yours cordially

Wm. S. Halliwell
