

~~Wednesday 15th June of 26th just arrived.~~ I find
a ~~very~~ poor specimen of a Scipio Tell Aug 4. 94
named extratinctly or Erasmo. Should you
wish to examine it I will leave it at Mass
Horticultural Soc, or any other place more con-
venient to you, when I come in from the latter part
of the week. Shall look for an additional pleasure
at the next Renf House dinner in the hope of
meeting you. Should you be in this vicinity at
any time I would be my guest to entertain

Yrs truly.
