Prof Robinson

My dear Sir

Many thanks for your  
recent paper sent me

Can you inform me what  
localities Pingle visited  
this year and where does he  
propose to visit next year

I have yet no plans for  
the future

Can you inform me if there  
was any catalogue published  
of the collection of plants made  
by me in 1876 Dr Gray & Watson  
worked them up and was there  
any separate catalogue of the  
Mexican plants collected by Parry.

78. Proc 15.  
76 Breeding 127

and myself in Mexico-  
year 1878

Please find returned the  
List of plants with native  
names, with the hope you can  
have added thereto the  
uses for which they are ap-  
plied, should Prof Duge have  
informed you

Yours very truly  
Edward Palmer
