A new name for *Streptopelia lugens arabica*

by DEREK GOODWIN

Received 17th November, 1963

When naming the Arabian form of the Dusky Turtle Dove (*Bull. B.O.C.* 83; 125-6) I overlooked that the name *arabica* was pre-occupied by *Streptopelia roseogrisea arabica* (Neumann). I therefore propose the name

Streptopelia lugens bishaensis nom. nov.

for *Streptopelia lugens arabica* Goodwin, pre-occupied.

Several ornithologists have written to me pointing out my error and I should like to acknowledge their kindness.
