CONDITIONS OF SALE.

This sale is for cash, 25 per cent to be paid immediately after the animal is sold, or the sale may be declared void at the option of the seller. The balance of the purchase money must be paid or secured the same day, or the 25 per cent will be forfeited as an agreed payment of damages.

Pay the cashier in all cases. In no case must any part of the purchase money be paid direct to the consignor by the purchaser, as such payments will not be valid or entitle the buyer to obtain stock.

After payment of the 25 per cent, the purchaser should at once examine the animal, and if any warranty or representation is challenged, the matter must be reported to the managers, who shall have the sole right of appointing the person who is to make examination in order to determine whether the animal fulfills the conditions of the representations or warranty, and the decision of the person so appointed, and no other, shall be binding upon both the consignor and the purchaser, and it is agreed that no legal liability shall be involved by us from either party in consequence of such decision.

All warranties must be tested and decided before delivery of the animals to the purchaser. After full payment and delivery of the animal is made, the buyer assumes full ownership, together with all risks, and no statement or warranty of seller can then be challenged. On final payment for an animal the cashier will issue an order which must be presented by the buyer to the stable manager for delivery of the horse. Buyers are cautioned not to lose these orders. Purchasers assume all expense on animals incurred after the day they purchase.

Age, height, marks, speed and other matters of that character are approximated by the consignor and are not guaranteed unless expressly so announced.

We endeavor to verify records and have them authentically stated, but bidders should examine for themselves, as the catalogue statements may be in error.

Where animals are stated as standard it does not imply that they are registered, but only that they are qualified for registration. The consignor is the responsible party for all representation, which we in no way guarantee but will endeavor to have correct. In case of typographical or other errors, if discovered, the auctioneer will announce them and a memorandum of such corrections shall take precedence from the printed matter in the catalogue; buyers are therefore cautioned to pay attention to the auctioneer's announcement.

We act as agents only and shall endeavor to protect the interests of both seller and buyer. The highest bidder will be the buyer, and if any dispute arises between two or more bidders, the animal in dispute shall be immediately put up again for advance bids; if there be no advance, then the animal shall go to the person from whom the auctioneer recognized the last bid.

TO OUR PATRONS.

Contrary to the usual custom, we will commence the sale promptly at 11 a. m. Tuesday, Nov. 20, with the great pacer Sol B., 2:10½; a horse that looks up as well in the year books as any pacer ever campaigned. He is absolutely sound and looks like the best horse in the country in his class. Look him up in the year book, come to the sale, buy him and you will own a money winner. The next horse sold will be X Ray, pacer, 2:11½; and we will sell many a good one on the first day, including Mabel Onward, 2:11¾, the fastest trotter alive in her class; Phoebe Onward, 2:12¼; Aggie Medium, 2:12¼; Spice, 2:16¼; George T., pacer, 2:13¼; Balmy L., pacer, 2:12, etc. It is the intention of the management to make the first day a big day and equal to any in the sale. We are fortunate in having many good ones for each day's program, and horses so good that the buyers will not become weary in waiting for an occasional choice one.

Sale will commence Wednesday, Nov. 21, and followings days promptly at 10 a. m.

Under no circumstances will we sell horses out of their regular turn in the catalogue. Every horse will be sold according to number. In this way we are certain to please both buyers and sellers more than if we should shift things about to please some select few.

Time—2:10½, 2:10½, 2:10¼, 2:10½.

This is only one of many great races. Look him up in the year books.

OWNER'S STATEMENT—SOL B. is a perfect horse. In disposition he has no equal. The gamest race horse that ever lived; sound as a hound's tooth. A lady can drive him. As a race horse he can win money. He has started in twenty-two races and won money twenty-two times, and his mark of 2:10½ is several seconds slower than what he can do. Sol B. was never trained by a professional—always owned by men of wealth who drive for pleasure, and in the hands of gentlemen Sol B. has got his mark of 2:10½. Give this horse a chance and he will pace miles as fast as any horse that lives. If you want a race horse, buy Sol B. If you want a matinee horse, buy Sol B. If you want a road horse, buy Sol B., and remember this, horsemen, \$15,000 will not buy a horse that can beat him down the road when in condition. He wears only his harness and five-ounce shoes all around. I bought Sol B. and this season he has served forty-two fine bred

mares and worked all the season in the exhibition business. I started him in the free-for-all race at the Freeport fair in September which he won, pacing three heats in 2:14, or 14 and fraction, driven by a man weighing 225 pounds over a track 3 to 5 seconds slow. To show you how good he was, he beat Hartford, Jr. Has gone several miles this season better than 2:08. The man that buys Sol B. gets a perfect horse—in my opinion one of a million. Sol B. is all and more than I claim for him. A stallion, standard and registered, and will drive with a mare as quietly as a gelding.

No. 2.

X RAY.

Record (p), 2:11½.

Roan gelding; foaled 1893. Bred by Ed Pope, Jerseyville, Ill.; owned by H. Walker, Freeport, Ill.

By FRANCIS WILKES.

Son of Dumas 2669 (sire of Wiggaletta (p), 2:10½; White Dumas (p), 2:14½; Alexander Dumas (p), 2:15½; Fanny Dumas (p), 2:15½, etc.), by Onward 1411 (sire of Beuzetta, 2:06½; Pearl Onward (p), 2:06½; Gazette (p), 2:07½; Colbert (p), 2:07½; Colonel Thornton (p), 2:09½, etc.)

1st dam NELLY RAR,

by UNTRACED.

Dam of X. Ray (p), 2:11½.

OWNER'S STATEMENT—In offering X Ray for sale I feel that I am selling the fastest pacing horse that ever looked through a bridle, and I am confident that X Ray in the hands of a clever trainer will pace a mile close to the 2:00 mark. I saw X Ray get his mark of 2:11½ and beat Riley B. and do it so easy that the impression of all horsemen present was that he could have stepped the mile in 2:05 or better, had he been driven out. The last two seasons X Ray has been working guideless and has stepped some very fast miles, and he is the only horse I ever heard of that can step quarters in :28. He does not wear hobbles in racing. The marks on him have come from wearing hobbles when working guideless. Two workouts will put this horse in racing condition, and remember this, horsemen, X Ray is the best racing proposition in America to-day in the 2:12 class. I have driven X Ray single and double on the road, hitched with Sol B. Few men would care to ride as fast as these two horses can go. I sincerely trust some good man will get this horse and try for the world's record with him. My only reason for selling is that I am going out of the show business and will sell all my stallions and geldings.

OWNER'S STATEMENT—BLACK RING is a very fast horse, without a mark, but has paced the Chippewa Falls half-mile track, halves in 1:06; quarters in :31 to :32½, timed by Ed. Fitzsimmons, of Chippewa Falls, and Andrew Jackson, James Salsbery, and the two Kliner brothers, of Eau Claire, Wis., and he did this without scarcely any training, as the only person who ever speeded him was Andrew Dumphin, of Chippewa Falls, about two months, and he is not a race horse trainer and driver. Here is a sure-enough money winner.

OWNER'S STATEMENT—I offer for sale the horse Ember T. for this reason, that I have not been able to drive this horse for a year and a half and don't expect to ever be able to drive again. If it was not for ill health, money couldn't buy him. He never was worked for speed, never in a bike in his life, but can pace a :20 clip. Perfectly safe for lady to drive. Weight 1200 lbs.

He is game, reliable, a grand road horse, and his manners are so perfect a lady can drive him with safety. He is one of the kind that will show for himself on day of sale.

She was not broken until she was 4 years old and was worked 30 days last year and 40 days this year, and trotted a mile in 2:18 over a half-mile track. She could have taken a very low record had I desired to give her one, and I confidently believe she will trot three heats better than 2:12 next year with proper training.

OWNER'S STATEMENT—BOB WILKES is a typical bred coach horse, possessing plenty of style, action and speed, which qualities he transmits to his get with wonderful uniformity. Although he is a horse of great quality and a great sire of the kind that are now in demand, I am not a breeder and bought him on speculation at an administrator's sale. His disposition is perfect; any one can handle him, and 90 per-cent of his get are bay or brown. He is a sure foal-getter, and will be a money-maker in any breeding country. Look him over at the sale and you will like him.

3d dam LITTLE NELLY.

OWNER'S STATEMENT--JOHN L. is a first class individual and a great stake prospect. He was started in a race at the County Fair two years ago and obtained a record of 2:35, which was before he had any speed development. He was trained some last year and again this year, and started at Dubuque, Ia., Rochester, Minn., and Hamline, Minn. At the former place he was second to Joymaker, over a heavy track, in 2:15½. At Rochester he was second to Lita W., 2:15½; and at Hamline was second to Mabel Onward, 2:16½, over a heavy track. He has proven his ability to race well, has also proven that he is game, and looks as much like a coming 2:10 trotter as any that turned around in 1900.

OWNER'S STATEMENT--LA CRESCENT is a horse that has only had a limited amount of training, but has paced several miles from 2:15 to 2:11½, and is therefore an unusual prospect for the slow class next season. He is good gaited, a good actor and should learn to step several seconds faster than his trial of 2:11½.

OWNER'S STATEMENT—SPICE is a race mare who I believe has a great future upon the turf. She raced through the great western circuit this year and demonstrated her ability to trot well inside of 2:15, being timed separately one heat in 2:12 $\frac{3}{4}$, the last half of the mile in 1:03 $\frac{1}{2}$. I know that she will beat 2:10 next year. She has proven that she is game, keeps training on faster, and will eventually be a great mare. She is a good individual; perfectly gaited, and will show for herself at the time of sale.

BALMY L.

Record (p), 2:12.

Brown mare; 16 hands; foaled 1892. Bred by C. E. Lewis, Lebanon, Ohio; owned by C. C. Jerome, Chicago, Ill.

By BAMBOO 6320.

Record 2:20 $\frac{1}{4}$. Sire of Balmy L. (p), 2:12; Arbor Day (p), 2:22 $\frac{1}{4}$. Son of Lumps 3922, 2:21 (sire of Annie Dickerson (p), 2:15 $\frac{1}{2}$; Elko, 2:17; La Grippe (p), 2:17 $\frac{1}{2}$; Mary Mac, 2:18 $\frac{1}{2}$; Classmate, 2:19 $\frac{1}{2}$; nineteen others, and dams of Ina King (p), 2:12 $\frac{1}{2}$; Lumpwood, 2:14 $\frac{1}{2}$; Buster (p), 2:15; Olgetta (p), 2:16 $\frac{1}{2}$; and twelve other standard performers); dam Oria Wood, by Wildwood 944; record 2:30 (son of Blackwood 74); second dam Lady Utterback, by Railey's Mambrino Patchen, Jr., son of Mambrino Patchen 58 (sire of London, 2:20 $\frac{1}{2}$, etc.)

1st dam CERTAINTY,

by HAMBLETONIAN 16693,

Dam of Balmy L. (p), 2:12.

Record 2:28 $\frac{1}{2}$. Sire of dam of Balmy L. (p), 2:12. Son of Squire Talmage 668 (sire of Strader H., 2:09 $\frac{1}{4}$; Billy D., 2:17 $\frac{1}{4}$; Arctic B., 2:17 $\frac{3}{4}$; Col. Bullett, 2:18 $\frac{1}{4}$; Wood Talmage (p), 2:18 $\frac{3}{4}$; 19 others, and dams of Cutting, 2:09 $\frac{1}{2}$, and 23 other standard performers).

OWNER'S STATEMENT—BALMY L. is one of the soundest mares that has ever been campaigned. Her legs are as good as the day she was first put in training, and she has proven that her record is not anything like the measure of her speed, for she was a close second at Lexington during the last meeting in 2:08 $\frac{1}{2}$, 2:08 $\frac{1}{2}$, 2:08 $\frac{1}{2}$, just barely being beaten a head the last two heats. In her next race (during the last week of the Lexington meeting) she defeated a number of horses—some with records considerably better than 2:10 in the mud, winning the third, fourth and fifth heats, the slowest of which was 2:14 $\frac{1}{2}$. Remember, she is a race mare. Her speed is not fully developed, and I confidently believe she will be able to beat the good ones next year. In addition to her racing qualities she is a good road mare, a grand looker, a superb individual and a desirable mare to own.

2d dam LIL,

Dam of C. E. A., 2:25.

OWNER'S STATEMENT—SALLIE HILL is handsome enough for the show ring, and I look upon her as being one of the very best trotters to stake in America. She has 2:10 speed, and I have kept her for that purpose, but owing to ill health, find it necessary to sell my entire racing stable, as I am unable to even leave the house, let alone giving it my attention. I do not think a better-gaited trotter ever lived; neither do I think any one ever saw one that is eligible to the slow classes step through the sale ring like she will. She has as clean and cordy a set of legs, without a sign of a wind puff, as any horse ever stood upon, and I doubt if her equal will be sold in the auction ring this year. Look her over; see her step, and I think you will agree with me on every statement. She obtained a yearling record of 2:39, and I have allowed her to develop without racing, thinking she would make one of the greatest mares in America, and I believe my opinion will be correct.

Sire of dams of Judge Hurt (p), 2:09¼; Mattie H., 2:11¼; Dr. Flower's Hill (p), 2:12¾; Lena Hill (p), 2:12¾; Abbott Hill (p), 2:14¾; Suzerain, 2:16½; Geo. Campbell (p), 2:17; Geneva S., 2:19¼, and 3 other standard performers

OWNER'S STATEMENT—ABBOTT HILL obtained his record at Joliet last August. He has been timed separately in his races better than 2:10. Is a good member of a great pacing family and should be good in his class through any circuit. If you want a 2:15 pacer to race, give him your attention at the sale, and he will show you that he can step. Like all the balance of my horses; his legs are good and clean, and he is as sound as any living horse in the 2:15 list.

No. 39. **AGGIE MEDIUM.**

Record, 2:12½.

Bay mare, foaled 1893. Bred by John Brenock, Chicago, Ill.; owned by C. C. Jerome, Chicago, Ill.

By PILOT MEDIUM 1597.

Sire of Peter The Great, 2:07½; Pilot Boy, 2:09½; B. B. P., 2:09½; Piletta, 2:11½; Jack, 2:12; Joe Mooney (p), 2:12½; Pilot, 2:12½; 104 others, and dams of Gunsaulus, 2:14½; Baker, 2:14½; Ralph K (p), 2:17½, and 21 other standard performers. Son of Happy Medium 400 (sire of Nancy Hanks, 2:04, etc.), dam Tackey, 2:26 (great brood-mare), by Pilot, Jr. 12 (sire of dams of Jay-Eye-See, 2:10 (p), 2:06½; Maud S., 2:08½, etc.)

1st dam AGNES MEDIUM,

Dam of Aggie Medium, 2:12¼.

by ANTHONY WAYNE 2033,

Record 2:31¾. Sire of Brown Dick, 2:29¾; dams of Red Bell (p), 2:11¾; Aggie Medium, 2:12¼; Lollie H. (p), 2:18¾; Fitzgerald (p), 2:23½; German Girl, 2:27¾, and grandsire of 3, including Badger, 2:25. Son of Andrew Jackson 39.

OWNER'S STATEMENT--AGGIE MEDIUM is a perfect mannered mare, a good looker, and every one who has seen her race will agree that she has about as much speed as any living trotter. She would make as great a pole mare as there is in the country; would be valuable as a matinee mare; and is still good in her class. She has trotted miles in her races better than 2:10—in fact she was second in two different races in 2:08½. She is in good condition; should take a record better than 2:10. She can step a quarter in 30 seconds as easily as any trotter ever did; and a half in 1:02. I think she will make one of the greatest pole mares that ever turned around. If you are interested in one that is fast, and always ready to give you her best efforts, give her your attention at the sale. I think she is a mare that will please any gentleman on earth.

5th dam

by CHEROKEE.

6th dam

by TIGER.

OWNER'S STATEMENT—As an individual Expreso cannot be beaten, neither can he be beaten as a sire of individual quality, for he is very handsome, has a faultless conformation, superior style, perfect disposition and as good a set of legs and feet as were ever put under a horse; and he transmits these good qualities to his get with a wonderful degree of uniformity. He is 16 hands high, weighs 1200 pounds, and is as perfectly turned as any living horse. His first crop of colts are two years of age and they are the best lot we have ever seen by any stallion. He has never been worked a day for speed but we believe he will prove fast, for he is pure gaited and acts as though he will make a very fast trotter if given an opportunity to develop speed. His sire was one of the best bred and best gaited trotters that ever lived and his dam produced the greatest campaigner the world ever saw in a 3-year-old filly. We know of no horse that possesses as much all-around quality; and as the greatest results of Electioneer family have been produced by crossing onto thoroughbred blood we think Expreso has a good chance of becoming as great as any member of the Electioneer family.

OWNER'S STATEMENT--This fellow we look upon as one of the best of Expreso's get. He could scarcely be improved upon as an individual. Is inclined to be double gaited, but thus far, since being broken late in the summer, has been on a trot, and has been quarters better than :40. He is a colt that will stand a lot of work and they are the only kind that will make race horses nowadays.

OWNER'S STATEMENT—MISS BETHEL is a good individual, as are all of Expreso's get, and here is one that should learn to go very fast, as her dam, Betha L., although having nothing in the list—her produce having been sold for road purposes—has produced several with speed; one of her colts having about as much speed as any living trotter, and stepped a very easy mile in 2:14 over our track last season.

OWNER'S STATEMENT—ALPHA was herself a very fast and most reliable mare. As a producer she has demonstrated her right to be in the front rank. All of her produce are first class. Stinted to Expreso in the spring, but we think failed to get with foal, as she was very thin and in poor condition at the time. However she is now in fairly good condition, much stronger, and should produce as well as ever.

OWNER'S STATEMENT--MABEL ONWARD started out a green mare this season and won first or second money in every start through the Great Western Circuit. Every horseman who saw her must admit that she is one of the fastest trotters ever foaled. She raised a colt

last year, has had only a limited amount of training, can trot quarters in :30, and has as good a chance of lowering the world's record, with continued training, as any living trotter. She forced the great trotter, Contralto, out to her record of 2:10—a fourth heat—in August, and has improved considerably in speed since that time. She is one of the soundest mares alive, a good looker, gaited to trot as fast as any trotter, and has a wonderful future if fortunate enough to get into the hands of a competent trainer. She and her sister both obtained their records this year, and they will both have records well inside of 2:10 next season if no serious accident befalls them, as they are the greatest pair ever produced by one mare. Remember, this mare has all 2:12 trotters at her mercy next year, down the Grand Circuit or any other place, if any good man gets her. The Abbott, Alix, Nancy Hanks, Cresceus, Directum or no other champion had as much speed with the same amount of work, and Mabel never had the advantage of company, and never turned around to speed with another horse until she started at Des Moines. Neither has she ever had the advantage of an experienced trainer.

HER FIRST RACE, DES MOINES, IOWA.

(Clipping from *The Horse Review*.)

The winner turned up in a nice-looking, good-going, maiden trotter by the name of Mabel Onward. Mabel is a daughter of Shadeland Onward, just from the country, and brought her country manners with her. She had never seen a race meeting before in her life and she shied at the people, and shied at the parasols, and the judges' stand, and everything else that she saw, but it did not take her many minutes to get accustomed to them all, and the way she could trot through that mud was something frightful. Oscar Ames, who had the mount behind The Admiral, the big Mascot trotter, accidentally landed the first heat, because Mabel, who had come to the front at the finish on the outside, stopped to shy at a green parasol over the fence, and Mayor Swift, who was ahead on the inside got his feet tangled. After that Mabel came with a rush at the finish of every heat and outstepped Prince of Darkness and Mayor Swift and all the other good ones. In the third heat they made her go in 2:15½, over a track at least two seconds slow, a most remarkable performance for a trotter that had never turned around in a race before. Mabel is a sister to Phoebe Onward, 2:12½, and both were developed and are now driven by Mr. Smith, of David City, Neb.

OWNER'S STATEMENT--PHEBE ONWARD has won the majority of her races; is the soundest trotter I ever saw that has been campaigned two seasons, is eligible to the 2:13 class and will prove a winner in it with any good driver behind her. Some good horsemen consider her as fast as her sister Mabel Onward, and I know she can trot well inside of 2:10, and believe she will improve materially and eventually become one of the fastest trotters ever seen upon the turf. She has great individual qualities, is handsome, perfect gaited, and an ideal mare. Give her and her sister your attention at the sale and you will, at least, see the greatest pair of sisters that ever lived.

OWNER'S STATEMENT--CEPHAS has a race record of 2:11¼, but has trotted the Cleveland track better than 2:10 to wagon on several different occasions. The gentleman that has owned him for the last few years uses his horses for pleasure and matinee driving, but the race-going public will remember what a good race horse Cephas was;

it made no difference to him whether it was a mile or half-mile track. He is of the Morgan trotters, and will last a long time. Has more action than any fast horse I ever saw; would win in show ring with any high stepper.

OWNER'S STATEMENT--MATHEW RILEY is a wonderfully fast pacer. Has had very little work, but can step close to a 2:00 gait. He is one of the kind that will be able to show for himself at the time of sale, and I doubt if there will be one in the ring that can step faster throughout than he will. It is a sure thing he had speed enough to make a great race horse. His manners are good, and he should also make a great matinee horse. OWNER'S STATEMENT--LADY WONDER has been trained by my son, who is only fourteen years old, and with the work he has given her she has learned to step better than 2:15, and was timed repeatedly in a race at Joliet in 2:13 last August. I think that she is a sure 2:10 pacer and I know that she is a race mare. Her manners are as perfect as the best; she is a good looker, beautifully gaited, does not wear hobbles and is very clean and sound. If you want a great young pacer, look her over, see her step and she will please you.

OWNER'S STATEMENT—Here is a young gelding that looks like as good a prospect to train for the turf as there is in the country. He was broken to harness last May, and I have used him for a road horse since that time; have occasionally brushed him on the side drive and am satisfied he can pace a 2:20 clip, and think he will show that much speed on the day of sale. He is a good looker; you could not ask for better manners in a young horse, and I believe his new owner will have a bargain even if he pays a good price for him. See him step and judge for yourself.

OWNER'S STATEMENT--Here is a young trotting mare it will pay you to buy, as she is handsome, stylish, absolutely sound and fast. With only six weeks easy work she trotted a mile in 2:25, and I think would have trotted in 2:20 had we trained her with that intention, but I thought 2:25 was fast enough to work a 3-year-old when there was no object in having her go faster. She has a perfect mouth, good head, likes to race and will make a good race mare if given an opportunity. She is a great young mare and will show for herself on the day of sale. I consider her too valuable to use in my practice; have no time to race horses, and these are my only reasons for selling.

OWNER'S STATEMENT--HATTIE ROY is another one that will show well anywhere you put her. She is very stylish; good on the road; has a lot of speed; is absolutely sound; has paced miles in 2:23 in matinee races on a half-mile track. I believe she would do to train and race in good company. Look her over at the sale and I think you will like her.

1st dam MABEL HAYES,

Hooton.

OWNER'S STATEMENT—GULNARE is the best green prospect I know of. She is eligible to the slow classes, and during our last meeting paced a workout on our half-mile track, 2:23 $\frac{1}{2}$, 2:22 $\frac{1}{2}$ and 2:20. She therefore looks as though she would be able to step any good mile track better than 2:15 as soon as she can be put in condition next season. She is a pure going pacer that requires neither boots nor extra rigging of any kind. Is also a mare with good style; is a good looker; city broken; and will show just what she is on the day of sale. I think she will step as fast as almost anything in the sale ring.

Lucy, 2:18¼, and 3 other standard
performers), and sire of dams of
Edith, 2:22¼; Happy Princess,
2:23¼.

OWNER'S STATEMENT—HAPPY DAN is a great show horse, a high actor and a trotter. In addition to these qualifications, he has ideal manners and a perfect disposition. I have trained and driven him in his races and know that any good trainer can discount me, both in driving and developing speed, and as I have driven him halves in 1:10 and quarters in :34, I believe he will trot very fast if handled by a good man. I have had a number of good offers for him from high-priced dealers on account of his action and style, but have not cared to part with him, and would not do so now if my business did not require my entire attention.

OWNER'S STATEMENT—MISS NUTONIA is one of the very best bred daughters of Nutwood, and, taking her individual qualities into consideration, should make as valuable a brood-mare as anybody owns, if used in the harem; however, she may have greater value as a trotter. She is an exact mate to Miss Leewood, the next number in this catalogue. Search this broad land and you cannot find a handsomer matched team than they make, as they are favored with ideal conformation, superior style, perfect gaits and faultless disposition. There never was a team that will attract more attention than they will, because a more beautiful team never wore harness, and they will learn to go very fast to the pole. Will show them double, but will sell separately.

OWNER'S STATEMENT--MISS LEEWOOD is a well-bred mare and a perfect mate to Miss Nutonia, the preceding number in this catalogue. As a pair the chances are you never will see their equal, as they could not be improved as individuals in looks or manners, for a young team. They have never been handled for speed, but have a wonderful amount of it, naturally, and will undoubtedly learn to step very fast together, if purchased by some one who will give them an opportunity in that direction. If some gentleman buys them he will have a pair that will be as attractive, wherever you put them, as any road team in the world. Will show double, but sell separately.

2d dam MAUD,

by VOX POPULI,

Son of Administrator 357. Record 2:29¼. Sire of Dot, 2:18; Catchfly, 2:18¼; 15 others, and dams of Derby Princess, 2:08½; Solarian (p), 2:12¼; Miss McGregor, 2:13; Gesner (p), 2:13¼; Tom Exum (p), 2:14½, and 60 other standard performers.

OWNER'S STATEMENT—MAY ALCOTT is one of the handsomest living trotters, having the finish of a thoroughbred, ideal conformation, and as clean a set of legs as were ever seen under a horse; not even a pimple or wind-puff to show that she has been trained. The year book shows that she started in seven races last year, winning six firsts and one second, all over half-mile tracks in Iowa. She started her campaign this year on the Iowa half-mile tracks again and won at Waverly, Cedar Rapids, La Porte, and Marshalltown. Then she started in the Great Western Circuit at Davenport, and won first money; second money at Des Moines; first money at Hedrick, where she obtained her record—the fifth heat of a winning race, de-

feating the great trotter, Early Reaper, 2:09 $\frac{1}{4}$, and other good ones. She won second money at Rochester in a race won by Early Reaper, and second money in a \$5,000 stake at Hamline in a race won by Contralto, 2:10. She also won third money in the \$5,000 stake at Terre Haute. She has been timed separately in two races better than 2:10; has proven herself a game and level-headed mare, and I do not believe any one can name one eligible to the 2:13 class that can beat her. Her manners are perfect. She was hitched to a wagon at Lexington and trotted to it in 2:11. No one ever saw a better road mare, and she is also a perfect pole mare, and can, I think, beat 2:10 to wagon, either single or double. She was bred at 4 years of age, and her 3-year-old filly trotted a half-mile track in 2:22 this season, which is proof that she will make a great brood-mare when her racing days are over. Her fastest work is at the end of a mile. She can trot a fifth or sixth heat as fast as any, and she would make a great mare for long-distance races across the water.

OWNER'S STATEMENT—SPENCER is a road horse which should make his owner proud. He is a good looker, perfect disposition, afraid of nothing, and therefore safe for a lady to drive. While not a large horse he can beat most large horses at pulling weight at speed, which makes him more than a match for many horses with fast records. He can show a 2:30 gait, and with work will go faster.

(Thoroughbred.)

OWNER'S STATEMENT—Every horseman who saw Early Reaper this year will admit that he is one of the greatest trotters that ever turned around in a race. He obtained his record, a fifth heat, in the hardest fought race of the season; and had he not met with a serious accident, it is the opinion of those who saw him that he had a great chance of obtaining the world's record for trotting stallions. Here is an own brother which we think is as fast as Early Reaper if given a chance to demonstrate his ability on the turf. He is one of the best bred stallions alive, and is just the kind of a horse to put at the head of a stock farm. He will demonstrate that he is a trotter in the sale ring; and as he possesses good individual qualities, he should attract the attention of those who are willing to pay tribute to excellence. His sire, Highwood, is proving himself one of the greatest producers of speed that ever lived, and his dam is a mare whose breeding could not be improved upon, and she has demonstrated her ability to produce not only extreme speed but gameness such as one seldom sees in a race horse. Besides these good qualities, Cabalist is a sure foal getter; has a faultless disposition and is sure to prove both a race horse and a great sire if given an opportunity.

TO THE PUBLIC.

In former sales we sold Early Reaper, 2:09 $\frac{1}{4}$; Bonnatella, 2:10; Chain Shot, 2:11 $\frac{1}{2}$; Cantabile, 2:15 $\frac{1}{4}$; Dora Highwood (p), 2:13 $\frac{1}{2}$; Fay Highwood (p), 2:14 $\frac{1}{2}$, and a great many other very fast trotters and pacers that will be heard from in the near future. When we sold them they were all young and undeveloped, and we believe that we are selling as much good material in this sale as was ever offered to the public by any breeding establishment. We feel that there is no farm in America that produces speed and race-horse qualities with more uniformity than we do. We have only twenty-two brood mares and cannot therefore raise over seventeen or eighteen colts a year at the best, and from this limited number each year the success of the horses from the Caton Stock Farm will compare favorably with the produce of any other farm in America.

Caid, 2:07 $\frac{1}{4}$; and Bonnatella, 2:10; were the greatest winners across the water this season, and Early Reaper, 2:09 $\frac{1}{4}$; Chain Shot, 2:11 $\frac{1}{2}$; Flash Lightning, 2:13 $\frac{1}{2}$; Fay Highwood (p), 2:14 $\frac{1}{2}$, and a number of others raced well in this country.

We are positive that our consignment this year is equal, if not superior, to any lot we ever sold. We make it a rule to sell all of our stock that is in condition to sell as yearlings, and every horse we have ever offered has been sold without a by-bid of any description. We furnish the horses in the best possible market condition, and the public sets the prices.

We believe this filly to be his equal in point of speed, and as an individual, or measured by breeding, her equal would be hard to find.

OWNER'S STATEMENT—CAIDELLA is a grand, large and handsome filly with faultless conformation, high finish, superior style and has

about as many good qualities as you ever saw in one horse. Her sire has done wonderfully good work in Europe this year, defeating the best trotters ever exported in all the big purses, and has proven himself the fastest long distance trotter across the water. Caidella is as well bred as they breed them, and we think she has a great future if any good trainer gets her. Just nicely broken and ready to train.

He is good in his class; would be a great matinee horse; a great road horse, either single or double. In fact, the man who buys him can make money racing him; can have plenty of sport using him for matinee purposes; can have pleasure using him on the road, as he is a beautiful looking horse, and say, who can beat him down the road? Sold to close out partnership. He is perfectly sound.

OWNER'S STATEMENT—ROYAL WILTON, as his name implies, is not only one of the most royal bred of Wiltons, but he is certainly one of the gamest and best race horses that Wilton ever got. I drove Royal Wilton a half mile over the Louisville track, barefooted and

without a boot on, in 1:03. I have driven him quarters repeatedly in :30. He has gone trials in 2:12. He is one of the greatest road horses any gentleman ever drove. OWNER'S STATEMENT—KING GREENLANDER, as his name implies, is the king of all the Greenlanders; he is rich black in color, with a

good heavy tail and no white. He is stoutly built, and is an improvement on his sire in action and gait, being as fine a gaited horse as ever wore harness. I drove him a mile this year, as a 3-year-old, in 2:22, and with very little handling; he is as game as any colt that ever looked through a bridle, and can go two or three miles at the same rate of speed. His dam, while only holding a record of 2:22, I drove a trial last year in 2:12, over a half-mile track, and had she not hurt one of her hind legs she would certainly made record this year of 2:08, or better. I feel certain that this colt in good hands next year would trot in 2:10, and will make a great horse for the European market, for no distance is too long for him.

2d dam ALICE,

Dam of Claimant, 2:25, and 2d dam of Crysolite, 2:13 $\frac{1}{2}$.

by MAMBRINO PATCHEN 58,

Brother to Lady Thorn, 2:18 $\frac{1}{4}$. Sire of London, 2:20 $\frac{1}{2}$; 24 others; dams of Ralph Wilkes, 2:06 $\frac{1}{4}$; Jupe, 2:07 $\frac{1}{2}$; Bouncer, 2:09; Rubber, 2:10; 140 others, and grandsire of Lord Derby, 2:07; Nightingale, 2:08; Dare Devil, 2:09 $\frac{1}{4}$; Walter E., 2:10; Lady of the Manor (p), 2:04 $\frac{1}{4}$, and 150 other standard performers.

OWNER'S STATEMENT—RED GREENLANDER is a rich bay in color, with a very heavy mane and tail; black points and no white. He is a very stout, compactly built horse; very much on the Greenland style. He is very rapid in action and game to the core. Last year, as a 2-year-old, with very little work, I drove him a mile in 2:28 on a poor half-mile track. I had every reason to believe he would beat.

2:15 this year and certainly would, but, like all my other horses, was taken down with the pink eye, or malarial fever, and for three or four weeks had to be raised up in his stall. The first of July it was thought impossible to have got flesh enough on him to have competed in any kind of a race, but by careful handling we got sufficient flesh on him to start him in two or three races. He proved himself to be one of the gamest 3-year-olds out this year, and now that he has regained his former self, there should be no trouble in making a great race horse next year. He has gone quarters better than :33 this year.

Son of Princeps 536 (sire of Greenlander, 2:12; Trinket, 2:14, etc.); dam Juno, a great brood-mare, by Hambletonian 10 (sire of Dexter, 2:17 $\frac{1}{4}$; Nettie, 2:18; Orange Girl, 2:20, etc.)

3d dam ARIEL,

by ETHAN ALLEN 43,

Record 2:25 $\frac{1}{2}$; with running mate, 2:15. Sire of Billy Bar, 2:23 $\frac{1}{4}$; Hotspur, 2:24; 4 others, and dams of B. B. Custer, 2:22 $\frac{1}{2}$; Opal, 2:23; 19 others, and grandsire of Tuna, 2:12 $\frac{1}{4}$, and nearly 100 standard performers. Son of Black Hawk 5; dam not traced.

OWNER'S STATEMENT—MISS NEWMAN will probably be the most handsome and speediest filly shown in this sale, as with but very little handling she can show a 2:00 gait. Her breeding indicates that she should not only be fast but game. Bonnie Doon, her grandmother, sold when 18 years old for \$3,800, and her son, Nutbreaker, was

certainly one of the gamest and best 2-year-olds ever out, having won every race from Maine to Oregon in his 2-year-old form, taking a record of 2:23. This filly, I feel confident, will be able to pace in 2:06 this coming year, and is game enough to pace 7 or 8 heats at that, if necessary. She is not only beautiful but a perfect pet, and would be a pride to any man to own her even if he did not want to race her. She will show for herself on day of sale.

OWNER'S STATEMENT—THE BARONESS is a very high finished daughter of Greenlander. As pure a trotter as will be shown in this sale, and for the amount of work she has had to do I don't believe a faster 2-year-old lives. I have driven her a full mile on a half-mile track in 2:28. Had she been properly trained she would certainly have beat 2:20 this year as a 2-year-old. She is as game as the gamest, and even as only a 2-year-old she could have gone two miles in five minutes this year, or at the rate of 2:30 to the mile. She is a high knee-actor with a heavy mane and tail, and will delight the spectator of fine gaited and fine looking horses. She is very high headed, requiring no check.

4th dam BELLE WAGNER,

by Embry's WAGNER.

5th dam LADY BELLE,

by BELLFOUNDER.

OWNER'S STATEMENT—OTOE is a solid mahogany bay, with a very heavy mane and tail; black points and no white. He is a stout, heavy made horse and will be 16 hands high. He is a born trotter and in his yearling form we drove him an eighth in :18 $\frac{1}{2}$. Like the rest of our colts he was taken sick early this spring and never fully recovered until too late to work him. He should make as fast a horse and as good a racer as ever went down the Grand Circuit line. His mother, Natalie, being to-day one of the greatest brood-mares living, while his grandmother through her sons, Patron,

Prodigal and Patronage, have produced Alix, 2:03½; Ananias, 2:06, to road wagon, John Nolan, 2:08; one of the greatest race horses that was ever out. I do not believe a better prospect for a trotter lives to-day than this colt and, I think, in good hands, should prove another Boralma.

4th dam LADY BELLE,

by BELLFOUNDER.

5th dam MISTLEFLORA,

by MONMOUTH ECLIPSE.

OWNER'S STATEMENT—NATHALIE, as will be seen, is a great mare, not only by her performance, but by her produce, being the dam of both Barondale, 2:11½, and Grand Baron, 2:12½, out of the great producing mare, Beatrice, whose sons to-day rank the highest of any in the trotting world. I drove Nathalie a mile in less than one season's training in 2:19, and had she not been in foal would have taken a record of 2:12 that year. Her son, Otoe, in this sale, who is as grand an individual as will be shown in the sale, is a sure born trotter,

while her produce of this year is one of the best yearlings I ever saw. Natalie stands to-day, if not being the greatest brood-mare alive, she certainly outranks the greatest portion of the greatest, and would be an honor to grace any harem in the land. When in condition she is certainly one of the finest daughters that Nutwood ever produced. Mr. Robert Stoner refused \$10,000 for this mare before she produced anything. Buy this mare and you will have at the head of your harem the greatest mare living.

LENA S.

Bay mare; 15.2 hands; foaled 1883. Bred by Leland Stanford, Menlo Park, Cal.; owned by Geo. W. Sharpe, Jamestown, N. Y.

By ELECTIONEER 125.

Sire of Arion, 2:07½; Sunol, 2:08½; Palo Alto, 2:08½; over 150 others; dams of Klatawa (p, 3), 2:05½; Laurel, 2:13½, and seventy other standard performers. Also grandsire of The Abbott, 2:03½; Azote, 2:04½; Fantasy, 2:06; Bingen, 2:06½, and over 500 other standard performers.

1st dam RESTLESS,

by KENTUCKY PRINCE 2470,

Sire of Guy, 2:10¾; Eloise, 2:15; Mirabile, 2:16¾; Problém, 2:18; Annie Stevens, 2:18¾; Spofford, 2:18¾; Stevie, 2:19; Company, 2:19¾; 32 others, and dams of Emily, 2:11; Marguerite A., 2:12½; Fitz Royal, 2:13¾; Miss Della Fox, 2:14¾; King Darlington, 2:15, and 55 other standard performers.

2d dam LADY RYSDYK,

by HAMBLETONIAN 10,

Sire of Dexter, 2:17¾; Nettie, 2:18; Orange Girl, 2:20; 37 others, and dams of Stamboul, 2:07½; Ballona, 2:11¾; Greenlander, 2:12, and over 100 other standard performers. Sons have sired Nancy Hanks, 2:04; Kentucky Union, 2:07¾; Arion, 2:07¾; Pixley, 2:08¾; Maud S., 2:08¾, and over 1,600 standard performers.

OWNER'S STATEMENT—LENA S. is probably one of the handsomest and best bred daughters of Electioneer, most of her produce being in the stud or in the harem and had no opportunity for development. I worked a 2-year-old of hers last year a mile in 2:25. This mare is a regular breeder, having a filly colt now at her foot, by Greenlander, and surely again in foal to Greenlander. This mare must be seen to be appreciated. She is kindly broken in single and double harness, and can trot a mile in 2:30 or better. This will be one of the gems of the sale, and as the Electioneers don't appear in public sales every day here will be an opportunity to buy one of the very best by that sire, an offer of \$10,000 having been refused for her in '93.

No. 160.

NICKEL PLATE.

Sister to Allanah, dam of Crysolite, 2:13½.

Brown mare; 16 hands; foaled 1887. Bred by David Mason, Waynesville, Ohio; owned by Geo. W. Sharpe, Jamestown, N. Y.

Gentry (p), 2:00½; Ellard, 2:09½; Jupe, 2:07½, and over 350 other standard performers.

1st dam ATICE,

Dam of Claimant, 2:25, and 2d dam of Crysolite, 2:13½.

by MAMBRINO PATCHEN 58,

Brother to Lady Thorn, 2:18¼. Sire of London, 2:20½; 24 others; dams of Ralph Wilkes, 2:06½; Jupe, 2:07½; Bouncer, 2:09; Rubber, 2:10; 137 others, and grandsire of Lord Derby, 2:07; Nightingale, 2:08; Dare Devil, 2:09¼; Walter E., 2:10, and over 150 other standard performers.

OWNER'S STATEMENT—NICKEL PLATE, as will be seen, is by that great brood-mare sire, Red Wilkes. She has proven herself to be a producer of a high rate of speed. Her first foal, at four years old, with less than ninety days' work, paced a quarter in :31½. Her three-year-old colt, Red Greenlander, in this sale, trotted an authentic mile in 2:28, as a 2-year-old, and I feel confident will beat 2:15 next year. She is a typical brood-mare, being large and roomy and a regular breeder. Anyone buying this mare will feel satisfied with his purchase, and she alone should be a small fortune to any owner. I don't believe Red Wilkes ever got a better one for the harem than Nickel Plate.

No. 161.

ELFIE.

Sire of Tosa, 2:19½; three others and dams of Belle Archer, 2:12½; Preston, 2:13½; Laurel (p), 2:09½; Gambrel (p), 2:10½; Claybourne (p), 2:11½; Pentland (p), 2:11½; Cassie (p), 2:11½, and forty-five other standard performers. Son of Hambleton 10 (sire of Dexter, 2:17½, etc.); dam Julia Machree, a great brood-mare, by American Star 14.

1st dam HEEL-AND-TOE FANNY,

Dam of Jewett (p), 2:14, trotting 2:20; Catherine, 2:28 $\frac{1}{4}$ (dam of Pearl Bunde, 2:23 $\frac{1}{4}$), and 2d dam of Hornpipe, 2:22 $\frac{1}{4}$; Tacks, 2:24 $\frac{1}{4}$; Enfin, 2:28 $\frac{1}{4}$.

2d dam

by BAY BUCK,

Sire of 2d dam of Jewett (p), 2:14, trotting 2:20; Catherine, 2:28 $\frac{1}{4}$, and 3d dam of Hornpipe, 2:22 $\frac{1}{4}$; Pearl Bunde, 2:23 $\frac{1}{4}$; Tacks, 2:24 $\frac{1}{4}$; Enfin, 2:28 $\frac{1}{4}$.

OWNER'S STATEMENT—ELFIE is not only one of the finest looking daughters of Enfield but is probably one of the greatest producing daughters that that great sire has ever produced. Elfie is a great brood-mare and one of her daughters, Enfin, trotted the Lexington track as a 3-year-old in 2:13 $\frac{1}{2}$, and sold to Mr. Scott of Erie, Pa., for \$7,500. Three or four of her daughters are producers of a high rate of speed. Her daughter, Baroness, I sold in Germany, and she could beat 2:20, and has also proved herself to be a producer of high speed. Elfie is surely in fold to Greelander, and where can you find a greater one to put on your stock farm. A yearling daughter of hers by Greelander trotted an eighth in :19, and is as fine a filly as stood on four feet.

No. 162.**MILLIE CLAY.**

Black mare; 15.3 hands. Bred by I. H. Odell; owned by G. W. Sharpe, Jamestown, N. Y.

Son of Guy Wilkes, 2:15 $\frac{1}{2}$ (sire of Fred Kohl, 2:07 $\frac{1}{2}$; Hulda, 2:08 $\frac{1}{2}$; Lesa Wilkes, 2:09, etc.), dam Manon, 2:21, a great brood-mare, by Nutwood, 2:18 $\frac{1}{2}$ (sire of Lockheart, 2:08 $\frac{1}{2}$, etc.); second dam Addie (dam of Woodnut, 2:16 $\frac{1}{2}$, etc.), by Hambletonian Chief, by Hambletonian 10 (sire of Dexter, 2:17 $\frac{1}{2}$, etc.)

1st dam

by VOLUNTEER CLAY 1600,

Sire of Viola Clay, 2:24 $\frac{1}{4}$. Son of Harry Clay 45 (sire of Clayton, 2:19; 3 others, and dams of Harrietta, 2:09 $\frac{1}{4}$; St. Julien, 2:11 $\frac{1}{4}$, etc.); dam Voluntary, a great brood-mare, by Volunteer 55; 2d dam Fanny, a great brood-mare, by American Star 14.

2d dam

by HAMBLETONIAN 10,

Sire of Dexter, 2:17 $\frac{1}{4}$; Nettie, 2:18; Orange Girl, 2:20; 37 others; dams of Stamboul, 2:07 $\frac{1}{2}$; Ballona, 2:11 $\frac{1}{4}$; Greelander, 2:12; over 100 other standard performers and grandsire of Nancy Hanks, 2:04; Kentucky Union, 2:07 $\frac{1}{4}$; Arion, 2:07 $\frac{1}{4}$; Pixley, 2:08 $\frac{1}{4}$; Maud S., 2:08 $\frac{1}{4}$, and over 1,600 other standard performers.

OWNER'S STATEMENT—MILLIE CLAY, as will be seen, is by Marcus Daly's sensational stallion, Milroi, being by Guy Wilkes, out of a full sister to Woodnut, 2:16½, while his dam had a record of 2:21. This mare has been a regular breeder; was broken in her 2-year-old form, and could trot close to 2:30. She is undoubtedly a born trotter, but was not very kind, and we put her to breeding. A yearling colt by Greenlander, out of this mare, can show a 2:30 gait. Here you get the blood-lines of George Wilkes, Nutwood, Clay and Pilot, Jr.; back again to Hambletonian 10 three times. Don't be afraid to bid on this one.

Son of Electioneer 125 (sire of Arion, 2:07¾; Sunol, 2:08½; Palo Alto, 2:08¾, etc.); dam Sprite, a great brood-mare, by Belmont 64; second dam the famous Waterwitch (dam of Viking, 2:19½; Waterloo, 2:19½; Mambrino Gift, 2:20, etc.), by Pilot, Jr. 12 (sire of dams of Maud S., 2:08¾; Jay-Eye-See, 2:10, etc.)

1st dam, BONNIE DOON,

Dam of Nutbreaker, 2:24½; Bonnie Phallas, 2:29, and 2 speed-producing sons.

by ABERDEEN 27,

Record 2:46. Sire of Kentucky Union, 2:07¾; Bessie Owens, 2:13½; Dentine, 2:13¾; Alabaster, 2:15, and 47 other standard performers. Son of Hambletonian 10, dam Widow Marchree, 2:29, by American Star 14.

2d dam ARIEL,

by ETHAN ALLEN 43,

Record 2:25½; with running mate, 2:15. Sire of Billy Bar, 2:23¾; Hotspur, 2:24; 4 others, and dams of B. B. Custer, 2:22½; Opal, 2:23; 19 others, and grandsire of Tuna, 2:12¾, and nearly 100 other standard performers. Son of Black Hawk 5; dam not traced.

OWNER'S STATEMENT—BONITA, as will be seen, is by Egotist, sire of The Conqueror, one of the sensational sires of the year, and as will be seen, is as well-bred a brood-mare as was ever offered for sale. She is of good size, fine legs and blocky built, and is a first-class producer, as one of her fillies in this sale, Miss Newman, will show you a 2:00 gait; while another son, a 2-year-old, in this same sale, not yet being bridle wise, can show a :30 gait. This mare is fit to go into any stud, and will prove herself to be a great producer, and if she was trained would make a fast pacer. Breeders cannot make any mistake in buying this kind of breeding and producing qualities. One such mare is worth a dozen of the ordinary kind.

No. 164. AMY GREENLANDER.

Sister to Otagie, 2:24½, and sister in blood to Earalma (dam of Boralma, 2:08).

Black mare; 15.3 hands; foaled 1893. Bred by Augustus Sharpe; owned by G. W. Sharpe, Jamestown, N. Y.

Son of Electioneer 125 (sire of Arion, 2:07¾; Sunol, 2:08¾; Palo Alto, 2:08¾, etc.); dam Maid of Clay, a great brood-mare, by Henry Clay 8.

2d dam ALAMEDA MAID,

Record 2:27½.

by HAMBLETONIAN 539,

Sire of Hambletonian Mambrino, 2:21¾; 3 others, and dams of Dove Wing, 2:17½; Bell Ure, 2:19½, and 5 other standard performers. Son of Hambletonian 10; dam the great brood-mare Dolly Martin (dam of Volney, 2:23, etc.), by Defiance.

3d dam MARY TAYLOR,

by Biggart's RATTLER.

OWNER'S STATEMENT—As will be seen, this mare is nearly a full sister to the dam of the greatest 3 and 4-year-old colt that has ever appeared upon the trotting turf, Boralma. The only difference, this filly being by Greenlander, 2:12, full brother to Earl, 2:23. This mare has had but two colts, one at her foot and one a yearling. They both show a remarkable inheritance for speed, and in point of speed lines I should as soon take this mare as a great producer as her sister. She cannot fail to be good, and any breeder who owns her can point with pride to her as being a sure producer of fast speed. She, herself, as a yearling and 2-year-old, showed remarkable speed. Boralma sold as a 2-year-old for \$16,000, while a yearling this spring sold for \$4,000. Buy this mare—she is pure gold—especially if you want another Boralma.

3d dam

by OAKWOOD,

Son of Blackwood 74. Record 2:31. Sire of Proteine, 2:18; 8 others; dams of Egwood, 2:14 $\frac{1}{2}$; Mayhill, 2:17 $\frac{1}{4}$; Kingwood, 2:17 $\frac{1}{4}$; Woodline, 2:19, and 42 other standard performers. Son of Norman 25 (sire of Lulu, 2:15, etc.); dam by Mambrino Chief 11 (sire of Lady Thorn, 2:18 $\frac{1}{4}$, etc.)

OWNER'S STATEMENT—GRACE GREENLANDER is not only, herself, a great trotter, but she is perhaps the best bred long distance trotter that lives to-day. Her sire, Greenlander, holding the world's record for two miles, while her dam holds the third 2-mile record of 4:36 $\frac{1}{2}$ over the Hamburg, Ia., track, made in 1898. Grace would have taken a record certainly better than 2.10 this year had she not taken pink eye early in June and was for two months in Dr. Moore's hospital at Kansas City, and for a month of that time had to be helped up and down. I feel certain that next year, with her gameness, she could beat any horse in the world for two or three miles.

2d dam NELLY,

by WHITE MORGAN.

OWNER'S STATEMENT—MAJOR EWING has been campaigned so much through the western country that almost every owner and driver is acquainted with him. He is a good individual—a stout bred stallion, and has been one of the greatest campaigners ever seen upon the American tracks. No matter what company or how fast the time, he has always been right up in the race. His record of 2:15½ was obtained over a half-mile track, and he has trotted right close to 2:10 in some of his races. He possesses qualities that are necessary to make a race horse and should transmit these qualities to his get. I think he will make some one a valuable stock horse, and he still has a chance to beat his record. His Strathmore blood is as good as anything in the registers, and Major Ewing is certainly as good as anything Strathmore ever sired.

She has proven herself a good race horse and would make one of the nicest road mares imaginable; as she is naturally fearless, easily controlled and has plenty of common sense.

OWNER'S STATEMENT—JOYMAKER is a grand-looking young stallion; a trotter, a race horse, a high actor and one of the very best individuals ever foaled. He is also one of the best bred horses alive, as both sire and dam produce speed with as much uniformity as any mare or stallion that ever lived. He has proven himself a trotter and a race horse and has the ability to step much faster than his record and should improve materially in speed, as he is young, absolutely sound and has never been handled with a view of making extreme speed. Mr. Chandler drove him in all his races and says that he is the gamest and best behaved trotter he ever drove. This means a great deal, as Mr. Chandler has handled many of the greatest trotters ever seen upon the turf.

OWNER'S STATEMENT—HALSTEAD is a very large horse. Obtained his record as a trotter, but if his new owner prefers, we think he would pace very fast. He has size enough for most any purpose. We have used him on the road a great deal, but he may have much greater value upon the turf. We trained him just enough to give him a record for the benefit of his dam.

OWNER'S STATEMENT—SHOW ME is a show horse—a blue ribbon winner in any company. In addition he is a trotter, and we doubt if there will be anything in the sale that will attract more attention. We took him down to the Kansas City horse show last month and he easily defeated everything in his class, notwithstanding the fact that there was a large number of competitors—one of which had won twenty-three straight blues, and would not have known any other color if she had not met this fellow.

OWNER'S STATEMENT—LOGAN LEE is an own brother to Hastings, 2:13 $\frac{1}{4}$; Joymaker, 2:15 $\frac{1}{4}$, etc. His sire has proven his ability to produce speed with as much uniformity as any stallion that ever lived, and the first three colts out of Roxie-Lee have records better than 2:20, which is proof that she produces extreme speed with wonderful uniformity. This fellow should make a trotter, and he should also make a great stock horse. Look into his pedigree carefully; study the blood and speed lines, and you will agree with us when we claim him to be a member of a great family.

OWNER'S STATEMENT—This mare was bought for me when a 2-year-old by Mr. J. B. Chandler of A. A. Kitzmiller. It was our intention to train this filly, but later engagements by Mr. Chandler

made it impossible, he having arranged to train for the Riverside Stock Farm. Here is a mare that is all right in every way. After bringing her to St. Joseph I broke her and she is to-day an ideal road mare. She can show a :20 clip to buggy and has never been trained a day, and you will agree with me that she is one of the best gaited you ever saw. She is kind and has not a known fault. I will show her in any manner requested during the sale. If she is not just as represented I will give her to you. Look at her breeding. Further comment unnecessary. She is sold because I am not able to keep a horse, and not from any fault. Ask Mr. Chandler to show her to you.

OWNER'S STATEMENT—REBECCA H., is a rich brown in color with a nice mane and tail, small star in forehead and hind ankles white. She is a grand individual, has never taken a sore or lame step from any cause, never sick a day in her life, and is one of the kind that is always ready for any use to which she is adapted. Her record is no indication of her speed, for she can trot a 2:15 gait handily, and has never had as much as a full season's training. I used her entirely on the road and as a family horse; as a 3 and 4-year-old my wife drove

her everywhere and she never made a crooked move. Her disposition and manners are perfect, she does not pull or lug, her style and action is something exceptional, her gait is perfectly pure and she does not require a boot or weight. There may be a few trotting bred high going horses in this country that go as high as she does, but certainly none act higher, and what she does in this line is perfectly natural, as she wears ordinary shoes and has never been trained a day in her life for high action. If she has a vice of any kind I don't know it; and she should make a fast campaigner. As a road mare she can't be beaten and she is safe for a lady to drive.

TO THE PUBLIC.

The following consignment is the property of the estate of M. C. Keith, of North Platte, Neb. Mr. Keith was one of the oldest breeders of trotting bred horses in the west. He owned a large ranch, and at his death, about one year ago, owned over 400 head of trotting bred horses, nearly all of which have been sold. This consignment consists of a few of the best. They were shipped from the ranch to Red Oak, Iowa, last April, and have been broken and developed by J. W. Tilden during the past summer. Each animal will show for itself and will bear close inspection. All must be sold without reserve; the purchaser can name the price and the estate will throw in the halter.

OWNER'S STATEMENT--ED HOOKER was not broken to harness until last year, and very little was done with him until this season. Mr. Tilden commenced training him regularly the first of June and he trotted a mile in 2:15--last half in 1:04½; last quarter in :31--in August. He has the manners of a genuine race horse, and would be a great one to stake next season, for he is certain to trot well inside of 2:10 in good hands. There are but few green ones that are anything like his equal. He is also a good individual, and should please and make money for his new owner. Buy him and you will own a race horse good enough for any company in any circuit.

Sire of Clemmie G. II, 2:18½; Luby, 2:20; Puella, 2:29, and dams of Rupee (p), 2:11; Iora, 2:11½; Seva, 2:13¼; Amelia (p), 2:16¾; Dudley Olcott, 2:18¼; Brice McNeill, 2:19¼; Sadie Moore, 2:29½; Swift Bird, 2:29½. Son of Magic 1451 (sire of Clemmie G., 2:15½); dam Ned, a great brood-mare.

2d dam SALLY,

Dam of Stranger, 2:29, and 2d dam of Edith Wilkes (p), 2:13¼, etc.

OWNER'S STATEMENT--EDITH WILKES is faster than her record, her manners are the very best, and she is one of the most desirable pacers for either road or track in the country. She is strikingly handsome, pure gaited, easily controlled and wears nothing but the harness. Give her your attention at the sale and you will like her.

No. 218. NEBRASKA QUEEN.

Bay mare; 15.2 hands; foaled 1893. Bred by M. C. Keith, North Platte, Neb.; owned by estate of M. C. Keith, North Platte, Neb.

OWNER'S STATEMENT—Nothing definite is known about the breeding of this mare, but she is one of the good bred ones that no one but Mr. Keith knew about, and his sudden death left her with many other well bred ones to join the unknown list. However, she is a great mare, a sure trotter and a grand individual. She has always been used as a brood-mare, but her colt died this spring and she was broken to harness and acted so much like a trotter that Mr. Tilden trained her some and she trotted miles in 2:25 with very little work. She will show for herself in the sale ring, and will make a fast race mare if handled for speed. Her disposition is good and she will also fill the bill for a first-class roadster. A yearling filly out of this mare is now being broken, and the twelfth time in harness trotted an eighth, to cart, in 20 seconds.

No. 219. JUNEROSE.

Chestnut mare; 15.3 hands; foaled 1894. Bred by W. B. Millard, Omaha, Neb.; owned by estate of M. C. Keith, North Platte, Neb.

Record to wagon 2:37. Sire of St. Julien, 2:11¾; St. Patrick (p), 2:14½; Gloster, 2:17; Bodine, 2:19¾; Alley, 2:19; Driver, 2:19½; 28 others, and dams of Homestake, 2:14¾; Brava, 2:14½, and 75 other standard performers.

2d dam LADY MERRITT,

Dam of Sweetness, 2:21¾ (dam of Sidney (p), 2:19¾, etc.); St. Leon (sire of Tamoka, 2:28¾).

by EDWARD EVERETT 81,

Sire of Judge Fullerton, 2:18; Electric, 2:20; Sheridan, 2:20¾; Young Fullerton, 2:20¾; Mountain Boy, 2:20¾; 8 others, and dams of Capt. Lyons, 2:17¾; Bovor, 2:20; Howard, 2:20, and 15 other standard performers. Son of Hambletonian 10 (sire of Dexter, 2:17¾, etc.); dam Fanny, by imp. Margrave.

3d dam,

by HARRY CLAY 45,

Record 2:29. Sire of Clayton, 2:19; 4 others, and dams of Harrietta, 2:09¾; St. Julien, 2:11¾; Bellini, 2:13¾; Forrest Prince, 2:15¾; Scranton, Belle, 2:15¾, and 40 other standard performers. Son of Cassius M. Clay, Jr. 20; dam Fan, by imp. Bellfounder.

OWNER'S STATEMENT—A very handsome mare. Strong enough to pull a surrey. A clever road mare. City broken, and can pull a buggy better than a 2:20 gait. She was raised on Mr. Keith's ranch and her opportunity to develop speed was limited. She has been worked by Mr. Tilden at Red Oak, Iowa, since May 1, and will show better than a 2:15 gait on day of sale.

OWNER'S STATEMENT—RENO M., 2:19½, 3-year-old, six heat winning race, trialed last year in 2:08½. Where can a better one be found to race in the twenty classes? Has been used exclusively on road for past three or four years, and during all that time has never turned with trotter, pacer or runner that could beat him through the stretch or down the road; can turn on a 10-cent piece and step down to the half close to a minute to road wagon; goes clear, without boot or hobbles; a big sixteen-hand fellow, black as midnight; a prize winner in show ring, always on dress parade. Yet don't pull a pound and safe for a lady to drive through the city; in fact, an educated ideal road horse.

OWNER'S STATEMENT—NORMEDA is a substantially built, good looking, and good going trotter, who obtained her record in a winning race in Milwaukee last September. Mr. Ames drove her a work-out on the Wheaton track in 2:13 and repeated in 2:12 $\frac{1}{4}$, and she certainly looks like one that would trot in 2:10 another year. Her legs and feet are extra good—particularly clean, and she appears like a mare that would race for years. There is no doubt but that she is one of the best in the sale, with good prospects on the turf. She is also one of the stoutest bred mares in the country; her manners are good and she will make a good road mare as well.

OWNER'S STATEMENT—JIM POARCH is a gray gelding, with ideal conformation, superior style, and is an extra good looker. He has trotted the Wheaton track in 2:20, and was started in six races over the half-mile tracks through northern Illinois this year and won money in five of them. He certainly should train on into a faster horse; he will make one of the showiest and best road horses in the country, as he has good action, is very cheerful, a free roader, has a great brush of speed, and is at all times controllable.

Has paced a mile in 2:21, a half in 1:07, and is a nice mare any way you have a mind to size her up. She is one of the kind that will show well and act well any place you put her. Son of imp. Glencoe (sire of the 2d dams of Palo Alto, 2:08¾; Lakewood Prince, 2:13½; Favonia, 2:15; J. B. Richardson, 2:16¾, etc.)

OWNER'S STATEMENT—LOUISE PATCHEN has been as popular in her matinee races in Chicago as Joe Patchen has been at the great race meetings of the country during the past few seasons. She is his greatest daughter; her manners are perfect, and she is one of the handsomest and purest gaited trotters alive. A perfect going trotter that does not even require a boot, and her speed was developed and she won many a matinee before she ever wore one. However, at the advice of my friends, I put shin boots on her for protection when I raced her this season, but she never touched them. She obtained her record, a fourth heat of a winning race, on a half-mile track, and at Galesburg last August won fourth money in a race trotted in 2:12½. She was timed separately in this race in 2:15½, and it was the first time she ever saw a mile track. I broke her; have never touched her with a whip, and developed her speed on the road and in matinee races. I am positive that any good trainer can handle her sixty days and beat 2:10 with her in any kind of company. She is as level-headed and as easily controlled as any living trotter. As a road mare she has but few equals; a lady can drive her with safety, as she does not pull, and nothing on earth can scare her. She will stand under all circumstances if asked to do so; will jog at any rate of speed, and has but few, if any, equals as a road mare. She and Witch Hazel mate nicely; are about equal in speed and manners, and there are few better looking teams, and none any better on the road. Neither requires boots nor artificial rigging.

WITCH HAZEL.

Record 2:30 and sister to Hazel C., 2:27½.

Bay mare; 15.3 hands; foaled 1892. Owned by Sam Halls, Chicago, Ill.

By COUNT FOLSIO 7744.

Record 2:29½. Sire of Modesty, 2:21½; Hazel C., 2:27½; Witch Hazel, 2:30. Son of Onward 1411 (sire of Beuzetta, 2:06½; Pilatus, 2:09½, etc.); dam Viola, by King Rene 1278 (sire of Keeler, 2:13½; Sarcenette, 2:16½; King Rene, Jr. 2:17, etc.); second dam Sally B. (dam of Lycurgus 2:25; Toinette, 2:30, and second dam of Beuzetta, 2:06½; Early Bird, 2:10, etc.), by Lever, by Lexington (sire of second dam of Sunol, 2:08½; Jay-Eye-See, 2:10, etc.)

1st dam UNKNOWN,

Dam of Hazel C., 2:27½, and Witch
Hazel, 2:30.

OWNER'S STATEMENT—WITCH HAZEL obtained her record over a slow half-mile track, and has trotted miles over the half-mile track on the West Side in 2:25. However, she is a great mare on the road, both single and double—has more speed to the pole than single. Is a good looker, has a perfect disposition, is absolutely fearless, city broken, and a safe driver under all circumstances. She has had very limited opportunities in the way of speed development and should learn to step much faster than she has ever shown. She has had most of her work to the pole with Louise Patchen, and they make a most desirable team, as they combine looks, soundness, safety, perfect manners, and require no boots.

2d dam BLACK SUSE,

by Lovelace's BLACK HAWK,

Dam of Molly B., 2:29½, and 2d dam of Palmyra Boy (p), 2:07¼.

OWNER'S STATEMENT—This is a very handsome colt, an own brother to the great race horse, Palmyra Boy, 2:07¼, and one that will bear the most critical inspection. His sire has proven his ability to produce genuine race horses that can go out and get the money. This fellow, in addition to developing into a race horse, should make a great stock horse and a sire of extreme speed. He comes under the head of a choice article, and should not be overlooked by parties wanting an extra good young horse. He will show for himself on the day of sale, and I doubt if you ever saw one of his handling that will show better from every standpoint. He is a sure trotter and will make a race horse. Buy him and you will own one of the best in the country. The Grattans are all genuine race horses, and I doubt if he ever sired a better one than this fellow will make.

OWNER'S STATEMENT--I purchased this mare last May, unbroken, and broke her here in the city. Her disposition is perfect and she has a wonderful turn of natural speed, and is so level headed that she never makes a break. She is the making of a great race mare, if fortunate enough to get into hands that will give her favorable opportunities. In addition to her other good qualities she is very handsome and will show for herself in the sale ring.

Patchen 30 (sire of Lucy, 2:18¼, etc.); 2d dam Sophy, by Edwin Forrest 49, etc.)

OWNER'S STATEMENT--This pair is in a class by itself. They are handsome, can step a 2:40 gait together, fearless of all sights and sounds and are thoroughly safe under all circumstances. They are closely matched, have superior style, extra good action and will show for themselves in the sale ring. Every one who has tried knows how hard it is to put two horses together that mate well, look good and have speed and perfect manners. This pair have these qualities and will suit their purchaser.

4th dam **ELIZA,**by **PETER TASSELL.**

OWNER'S STATEMENT—Here is a great gelding. I bought him to drive with Louise Patchen. Therefore he is a good looker and has speed, but he unfortunately got kicked by another horse, and for that reason was turned out early in the spring and has had nothing done with him this year. He has a trial of 2:15 to his credit and, I think, has enough speed to make a great race horse. He is one of the kind that will show for himself at the time of sale, and I believe his new owner will secure a bargain regardless of the price he pays.

1st dam,

by TEMPEST.

Dam of Ed Cloud (p), 2:16¼.

OWNER'S STATEMENT—ED CLOUD is a nice bay gelding, black points, good mane and tail. He is of stout conformation, jogs on a trot and one of the handsomest road horses to be seen. Nice driver, both single and double; safe for lady to handle. His record of 2:16½ is merely a jog for him. I worked him three miles on the Decatur (Ill.) track in 2:11½, 2:09½, 2:08½, and he was not all out. He can ste

any good half-mile track three times in 2:12. He has been raced for the past three years, mostly in free-for-all races, and he has never been behind the money. Any one can drive this horse, as he can be placed anywhere in a race desired, and he has never yet made a break in his races. If you are looking for a race horse, speedway or fancy road horse this fellow will surely suit you. Look him over carefully when he is brought to the sale ring and see him step.

by FRANK BOBBITT.

OWNER'S STATEMENT—PATENT APPLIED FOR is a bay gelding; five years old, 16½ hands high and weighs 1325 lbs., black points, good mane and tail. He is thoroughly broken, both single and double, kind, stands without hitching, is not afraid of steam or electric cars. We think this the best export coach gelding that has ever been sold on the Chicago market. He is a "very high actor," free, prompt driver and can show 2:30 speed. Quite a few export buyers who saw this horse last spring pronounced him the best export gelding they had seen. We refused several tempting offers for him, preferring to put him on the market and take chances as to his real value. Be on hand when this great horse is to be sold.

OWNER'S STATEMENT—This is the most handsome chestnut gelding ever offered, and has the best prospect to beat the world's pacing record of any that will be shown at the sale. The late Col. T. R. Roberts, of Detroit, had him entered in the Chamber of Commerce race, at the Blue Ribbon track, at Detroit, this year, but on account of the Colonel's serious illness previous to the race, he did not start him therein. The horse has no record; goes clean, and without hobbles, and has shown work-out miles early this season in 2:13 $\frac{1}{4}$ and better, and on day of sale can show quarters in :30, or eighths in :15. A few days previous to the death of the late Col. T. R. Roberts this horse was turned over to J. H. Brown, of Detroit, with the request that he dispose of him to the best advantage for the benefit of his heirs, which is the only reason for his being put up for sale, and the person getting him will certainly get a prize and the best prospect in this country.

by KENTUCKY TRAVELER,

Sire of dam of Maud Muller, 2:20¼.

OWNER'S STATEMENT—DR. MCKELLAR is a fast pacer, which fact he will show in the sale ring. He ought to make a great race horse, and we believe will, if given an opportunity. We worked him as a 2-year-old, and he paced a mile for us in 2:20½, and should train on and eventually make one of the fastest pacers in the country.

OWNER'S STATEMENT—MISS BALDWIN is a very handsome and breedy looking mare, with the most perfect manners at all times, wears no boots, is fearless of all objects, does not pull a pound when speeding, and any one can drive her who can hold the lines. Think she is one of the best headed horses in company that any one ever drove. She has been used on South Side Speedway the past season, where she at all times gave a good account of herself in the company of the best trotters and pacers in Chicago. She has been raced and driven by her present owner for the past six years.

Son of Onward 1411 (sire of Beuzetta, 2:06½, etc.), dam the great Alma Mater, by Mambrino Patchen 58 (sire of dam of Ralph Wilkes, 2:06½, etc.)

1st dam,

by JIM MONROE 835,

Sire of Monroe Chief, 2:18¼; Kitty Bates, 2:19; 7 others, and dams of Greenleaf, 2:10½, and 19 other standard performers. Son of Abdallah 15 (sire of Goldsmith Maid, 2:14, etc.); dam Lizzie Peebles (dam of Joe Downing 710, etc.)

OWNER'S STATEMENT—MARY ALLEN, sired by the very best son of Onward, in conformation and style resembles her grandmother, Alma Mater, the dam of nine in the 2:30 list. This mare, while she has been broken nicely, both single and double, is both gentle and kind, as any child can drive her. Her 2-year-old filly in this sale will prove her to be a first-class producer. She has a weanling colt that is very large and fine, and a very fast natural trotter. I feel assured that this mare, well placed, would be as great a producer as her grand dam, Alma Mater. She is certainly bred in the purple and fit to enter the harem of the best bred stallion in the land.

BANJO.

Standard and Registered.

Sister to Fantasy (dam of La Tosca, 2:15 $\frac{1}{4}$).

Bay mare; 15.3 hands; foaled 1887. Bred by Col. R. P. Pepper, Frankfort, Ky.; owned by G. W. Sharpe, Jamestown, N. Y.

By ONWARD 1411.

Record 2:25 $\frac{1}{4}$. Sire of Beuzetta, 2:06 $\frac{1}{4}$; Pilatus, 2:09 $\frac{1}{4}$; Pearl Onward (p), 2:06 $\frac{1}{4}$; Gazette (p), 2:07 $\frac{1}{4}$; Colbert (p), 2:07 $\frac{1}{4}$; 147 others; dams of sixty, and grandsire of Dick Hubbard, 2:09 $\frac{3}{4}$, and over 300 other standard performers. Son of George Wilkes 519; dam Dolly (dam of Director, 2:17, etc.), by Mambrino Chief 11.

1st dam PATTIE WILLIAMS,

by HAYWOOD,

Dam of Holland, 2:24 $\frac{1}{4}$, and 2d dam of La Tosca, 2:15 $\frac{1}{4}$.

Son of Blackwood 74 (record, 2:31. Sire of Proteine, 2:18; 8 others; dams of Egwood, 2:14 $\frac{1}{4}$; Mayhill, 2:17 $\frac{1}{4}$; Kingwood, 2:17 $\frac{1}{4}$; Woodline, 2:19, and 42 other standard performers). Blackwood 74 is a son of Norman 25 (sire of Lulu, 2:15, etc.); dam by Mambrino Chief 11 (sire of Lady Thorn, 2:18 $\frac{1}{4}$, etc.)

2d dam VIRGINIA,

Dam of Woodford Chief, 2:22 $\frac{1}{4}$, and Confederate Chief 423 (sire of Big Ben, 2:17 $\frac{1}{2}$; William Arthur, 2:19 $\frac{1}{4}$), and 2d dam of Holland, 2:24 $\frac{1}{4}$.

OWNER'S STATEMENT—BANJO is a grand individual, and probably as fine a mare and as fast a one as Onward ever sired. We drove her a trial mile in one season's handling in 2:17 $\frac{1}{4}$. We turned her out and she got cut in the barb wire in her front fetlock, which threw her out of training ever since. She is now apparently sound and all right and would do to campaign next season. There is no question in my mind but what with very little work she can beat 2:12. She is also a full sister to the dam of La Tosca, a consistent race winner in the Grand Circuit meetings, taking a record of 2:15 $\frac{1}{4}$, while her full

brother, Holland, has been a successful sire in the stud. Banjo has produced every year since we began to breed her and has a weanling colt now that shows remarkable speed. As the Onward mares are a tie with the Red Wilkes mares as producers, here is a rare chance to get one of the very best in individuality as well as producing lines that has ever been offered to the public.

No. 253. MARY GREENLANDER.

Son of Onward 1411 (sire of Beuzetta, 2:06¾, etc.); dam the great Alma Mater, by Mambrino Patchen 58 (sire of dam of Ralph Wilkes, 2:06¾, etc.)

2d dam

OWNER'S STATEMENT—This mare shows an inclination to pace. She has never been broken, but she is kind and gentle, and has been bred to Guy Wilkes, Jr., who appears in this catalogue, and from her breeding her produce cannot fail to trot.

No. 254.

BILLY LONG.

Record (p), 2:24½, half-mile track.

Roan gelding; 15.3 hands, foaled 1896. Owned by G. W. Sharpe, Jamestown, N. Y.

OWNER'S STATEMENT—As will be seen, this is an intensely inbred Hal, the greatest pacing family in the world. Chestnut Hal is the sire of one with a record of 2:07½, made last year, and several others with records better than 2:20. While Brown Hal's list is too well known by breeders and horsemen to go into details, Biddy Long, as a 3-year-old, paced on the Atlantic track in 2:14. He made his record at Waycross, Ga., having paced the mile in 2:19 over a sawdust track at least six inches deep, beating such well-known horses as Fred S. Wilkes, who took a record this year of 2:09½. Billy Long was probably one of the fastest 3-year-olds out last year and could have paced a good track then in 2:10. Was taken sick in June and not able to be out of his stall before the 1st of August, and is hardly now in flesh sufficient to be offered to the public. I feel sure, with good handling the coming year, he can pace a mile in 2:06, as he went quarters repeatedly in his 3-year-old form in :30.

2d dam LUCILLE T.,

Dam of Biddy Mc, 2:18¼, and 2d dam of Grace Greenlander (3), 2:18¼.

by STRATHMORE 408,

Sire of Strathmeath (p), 2:10¼; Terrill S. (p), 2:10¼; Eleanor (p), 2:11; Minuet, 2:13¼; 84 others, and dams of Bumps (p), 2:03¼; Dan Cupid, 2:09¼; Alves, 2:09¼; Simmocolon, 2:13¼; Baronmore, 2:14¼, and over 100 other standard performers.

OWNER'S STATEMENT—BIDDY MILROI has never been worked but is a regular breeder, having been bred as a 2-year-old, and has produced every year since. As will be seen from her breeding, here is probably one of the grandest bred brood-mares that will be in this sale, being by one of the best bred sons of Guy Wilkes, Milroi, who Robert Bonner offered \$3,000 for as a yearling, having shown a quarter close to :30. And being out of a mare of the great Robert McGregor, with a mile record of 2:17½, and a 2-mile record of 4:36½; with an authentic trial of 2:13½, last half in 1:04. Surely here is speed and speed lines sufficient to tempt the most astute breeder.

Sire of 2d dam of Kitty Greenlander,
2:23½, and Pauline, 2:23½.

OWNER'S STATEMENT—This mare is a grand individual, as well as a producing daughter of Earl, being the dam of Pauline, 2:23½, who was as game and as consistent a race mare as ever faced a starter. This mare is a regular breeder, and produces a high class of horses. Her sire having produced the dam of Boralma, while one of the greatest sons of Greenlander, out of a mare by Earl, Sligo, is one of the greatest sensational sires of Kentucky to-day. Sligo, like Greenlander, produces a high rate of speed bred to anything. In foal to Greenlander.

No. 257. MARTHA WILKES' SISTER.

Bay mare; 16 hands; foaled 1891. Bred by Mrs. Van Meter, Louisville, Ky.; owned by G. W. Sharpe, Jamestown, N. Y.

By IVANEER 6250

Sire of Susie W., 2:28½; son of Electioneer 125 (sire of Arion, 2:07½; Sunol, 2:08½; Palo Alto, 2:08½, etc.); dam Isma, a great brood mare, by General Benton 1755 (sire of dams of Sunol, 2:08½; Surpol, 2:10, etc.); second dam Irene, a great brood mare by Mohawk Chief, by Hambletonian 10 (sire of Dexter, 2:17½, etc.)

1st dam ELLA,

Dam of Martha Wilkes, 2:08; Prince Egbert, 2:29½, and 2d dam of Ernest B., 2:29½.

by CLARK CHIEF 89,

Sire of Croxie, 2:19¼; 5 others; dams of Martha Wilkes, 2:08; W. H. G. (p), 2:09¼; Excel, 2:10¼; Phallas, 2:13¼; Majolica, 2:15, and 32 other standard performers. Son of Mambrino Chief 11; dam Little Norah, by Downing's Bay Messenger.

2d dam MOLLY ROBINSON,

by PILOT WALKER,

Sire of dam of Black Cloud, 2:17½, and son of Captain Walker (sire of dams of Harry Wilkes, 2:13½; Charley Friel (p), 2:15¼.)

3d dam,

by COPPERHEAD,

Son of Tom Hal.

OWNER'S STATEMENT—As will be seen, this mare is nearly a sister to the great Martha Wilkes, who at one time was a sensational performer on the great trotting tracks of the Grand Circuit, and she sold for \$30,000. I bought this mare especially for brood mare, and she is large and roomy, and has the conformation, style and looks of her great sister, Martha Wilkes. And while she is fine gaited and undoubtedly would make a fast mare, yet she has never been worked for speed, but is as kind a driver as was ever hitched, and I can truly recommend her as a great family mare, as any child can drive her. Here should be one of the plums of the sale for a brood mare. Carrying the blood of Electioneer and General Benton, which has proven to be the equal of George Wilkes and Mambrino Patchen, out of a great producing daughter of Clark Chief. Breeders cannot make a mistake in buying this kind.

OWNER'S STATEMENT—BASILICA is probably not only one of the best bred mares in this sale, being by one of the best sons of Electioneer, out of a mare by Egbert, but I unhesitatingly say she is the finest looking mare that will be offered in this sale. She has never failed to carry off the first premium whenever shown in the show ring. In color she is a beautiful rich chestnut, with as fine a head and neck as Mambrino King, and as showy and trappy as that great horse. I drove her as a 2-year-old a mile in 2:35, and while I have always used her as a brood-mare I believe, with proper training, she could easily beat 2:20. This mare to be appreciated must be seen, as she will speak for herself.

OWNER'S STATEMENT—This richly bred daughter of Greenlander, out of Basilica, will make as handsome a mare as her mother and is a sure trotter, having only been broken, and not bridle wise, can show better than a 2:40 gait. I am confident in good hands she will make a sure enough winner, as she is a pure trotter, beautifully gaited and knows nothing but the trot, never leaving her feet in any of her work. Here is a rare chance to get one of the very best of the Greenlanders, either for a brood-mare or for the turf, and will show style and beauty enough to command the attention of all owners and lovers of fine horse flesh.

by Harris' HAMBLETONIAN.

OWNER'S STATEMENT—SPHINXLANDER has not yet been broken, but will be by day of sale. He, like the rest of our colts, was sick all winter and spring with the pink eye, and never regained flesh sufficient to put the harness on him. In the lot, at the pace, he could show more speed than any other 2-year-old I ever bred, and from his breeding and way of going I think he will make another John R. Gentry. As a prospective pacer here is one you can put your money on, as money cannot always buy one of this kind. He is still in poor flesh, but his speed and action will convince you that he is a gem of the first water.

1st dam

by JOHN DILLARD,

Sire of dams of Nicola, 2:14½; Phil Thompson, 2:16½; Repetition, 2:19½ (p), 2:14½, and 17 other standard performers.

OWNER'S STATEMENT—SADIE WILKES in individuality exceeds the most of the get of the great Red Wilkes. She is very compactly built, full of energy, a kind and gentle driver, and can trot in 2:30 without ever being worked. She has proven herself to be a great producer; while as yet none of her produce are in the 2:30 list, has produced Tyroon, the horse that drove Online out in 2:07½ over the York, Neb., track, and was supposed to be one of the sensational pacers in Nebraska, but in his work Dick Tilden (his driver) injured him so that he was never able to start in a race since. Another 3-year-old son of hers last year paced the Auburn half-mile track in a race timed separately in 2:20. Another of her sons, a 4-year-old, trotted the Beatrice track in 2:26, while a 2-year-old of hers this season has trotted close to 2:30. She is surely in foal to Greenlander and her produce cannot fail to make a great performer.

4th dam,

by DAVY CROCKETT.

OWNER'S STATEMENT—While this mare has been in bad hands this season and we hope to get her in condition to offer on day of sale, she would hardly show her true individuality, as when in condition she is a very fine style and high acting mare. There probably will not be another animal in this sale that will show the high acting and great way of going that this mare can show. She was hurt in shipping last year in her right hind leg, and if she ever recovers 2:08 will not be the limit of her speed. As a brood-mare she should be invaluable to any breeder, as her 3-year-old colt, King Greenlander, in this sale, will prove. I refused \$3,000 for this mare last year and I thought her worth \$5,000 at that time. Here is one of pure gold. She is perfectly gentle and kind, does not scare at anything, and one of the greatest brood-mares in the world—the best high actor that will be shown in this sale.

No 263. DAISY GREENLANDER.

Son of Princeps 536 (sire of Greenlander, 2:12; Trinket, 2:14, etc.); dam Juno, a great brood-mare, by Hambletonian 10 (sire of Dexter, 2:17½; Nettie, 2:18; Orange Girl, 2:20, etc.)

1st dam DAISY BLACKWOOD,

Record 2:29¼, and dam of Royal Baron, 2:10½ (winner of the M. and M. \$10,000 stake, 1889), and 2d dam of Baroness Marguerite, 2:19¼, and Baron Bel (p), 2:11½.

by BLUE BULL 75,

Sire of Georgetown (p), 2:16¼; Zoe B., 2:17¼; Bessie, 2:17½; 57 others; dams of Royal Baron, 2:10¼; Alhambra (p), 2:08¾; Veta (p), 2:09¼; Atlantic King (p), 2:09¼; Vitello (p), 2:09½; Dick Wright (p), 2:09¾; Mark Sirius, 2:13, and about 150 other standard performers.

2d dam DAISY BLACKWOOD'S dam, by UNKNOWN,

Dam of Daisy Blackwood, 2:29¼, and 2d dam of Royal Baron, 2:10½; Atlantic King (p), 2:09¾; Major Centlivre (p), 2:10¼; Mary Centlivre (p), 2:12, and Carrie Strathmore (p), 2:17¼.

OWNER'S STATEMENT—As will be seen, this mare is out of the dam of the great Royal Baron, the horse that sold last year for \$13,500, to go to Germany, and the winner of last year's M. M. stake, \$10,000.00, and several other good races. I feel sure that this filly would have been as fast if not faster than her brother, who I sold as a 2-year-old, had it not been for the fact that she ran a corn stalk in her right front ankle the winter of her 2-year-old form, which deprived me of working her. I drove her a quarter in :36, as a yearling. After this mishap I put her to breeding, and can truthfully say she has a weanling this year that would be a joy for any breeder to own. Should she ever recover from the effects of her injury she will make a mare equally as fast as Royal Baron. If not, she should make a great brood-mare; as Daisy Blackwood's full sister produced Atlantic King, 2:09½, Mary Centlivre and four or five other fast ones, while Daisy's daughter produced Baroness Marguerite, 2:13½, and several others. Another daughter has been a great producer and this one being by the greatest sire that served her should be the greatest of them all.

4th dam MAYFLOWER,

Sire of Ben Butler (p), 2:19¼; Lady St. Clair, 2:20, and dams of Manzanita, 2:16; Bonita, 2:18½, and 3 other standard performers.

OWNER'S STATEMENT—LOUISA WILKES is probably one of the finest looking daughters that Hinder Wilkes ever sired. She is a very stout and compactly built mare, good in every part and as fine a looking brood-mare as will be offered here. And when it comes to breeding she is certainly as highly and as well bred a mare as was ever offered at public auction. She has never been broken to harness, but shows a world of speed in the lot. I drove a 2-year-old son of hers this year in 2:31, with comparatively little handling, while a weanling filly out of this mare, this year, is the fastest weanling I have ever seen. While her fourth dam has produced two of the most sensational fillies that the world ever saw, Wildflower being the first 2-year-old to set the world afire when she made her mark of 2:21. Here is one that is surely worthy of the attention of all first-class breeders. As this kind seldom ever come upon the market, and the individuality and the fine qualities of this filly should attract every lover of fine horses. There are many things that gold can buy, but it is seldom gold can buy this kind.

IRISH MAID.

Matinee record 2:19½, half-mile track.

By UNKNOWN.

OWNER'S STATEMENT—Was matineed over Toledo half-mile track the past summer and has been miles to wagon around 2:15 and has stepped quarters in :31½; no training—taken out of livery barn to track. It is said she has a record of 2:11½, but was on a ringing tour season of 1899. Was purchased over in Ohio by a Toledo gentleman for matinee purposes and used the past season for the same. There is no doubt but what she has a fast record, as she can go as fast to a road wagon with two in it as most any horse, and always has her speed. When the Toledo gentleman purchased her it was claimed she had been miles better than 2:10; city broken, kind and clever.

Here is one of his very best daughters, and she is safely in foal to Oh So, who has also demonstrated his ability to produce extreme speed. She will be a bargain for some one.

TO THE PUBLIC.

In closing out our breeding establishment we feel that we are offering the public some of the best brood-mares that ever existed, and also some of the best young stock on earth. The young stock is mostly by Sidney, who is, opportunity considered, as great as any sire that ever lived. His get have extreme speed, and those from well-bred mares have proven themselves as game upon the turf as the get of any stallion that ever existed.

Every animal in our consignment will be sold for the highest dollar, as we have pledged ourselves not to make a by-bid of any description. We believe this will be as great an opportunity to buy either a good brood-mare or promising youngster as any one will have for many a day.
