THIS WORK
IS, BY PERMISSION, RESPECTFULLY INSCRIBED TO
CHARLES J. FOSTER, ESQ.,
OF "THE SPIRIT OF THE TIMES,"
TO WHOM THE AUTHORS ARE DEEPLY INDEBTED,
AND
BY WHOM ITS COMPOSITION WAS
FIRST SUGGESTED.

INTRODUCTION.

THE TROTTING RECORD was first suggested by the frequent demand of AMERICAN TURFMEN for an authentic record of the performances of the TROTTING HORSE OF AMERICA.

The advantages of such a record, condensed into a single volume of convenient size, will be appreciated by all who have heretofore been forced by circumstances to refer the performances of any horse to the Editors of a sporting paper, whose decisions it is true are authority, but to whom reference is frequently a matter of weeks of time, and certainly of some expense, besides being a source of trouble to the paper referred to, the kindness of which in determining such matters is fully appreciated.

It is proposed to record in the present work not only those races which have taken place on the principal TROT-
TING TRACKS of the country, where records are preserved, but those of Agricultural Societies, on whose tracks some of the most noted trotters of the United States have trotted some of their finest races. (Flora Temples's famous time at Kalamazoo, Mich. for instance.) These races come within the legitimate province of a Trotting Record, as portions of the present work, and are fully authenticated as necessary to a complete and reliable book of this nature

The scope of the Trotting Record is not of sufficient limit to give, IN EXTENSO, the details of each of the races of even the most celebrated of the courses mentioned. This would necessitate a volume of vastly more bulk than would be deemed convenient, in fact it would require many volumes of larger size than is here published. The genuine record is all that is required by horsemen, and this, it is believed will here be found, compressed within a few pages, with an index making a reference easy and certain.

It is the intention of the editors of the Trotting Record to continue its publication from year to year, as each season furnishes its material.

Officers of Agricultural Societies and proprietors of Trotting Tracks are respectfully requested to act as agents for the circulation and sale of the Trotting Record. They are also requested to forward to the editors full and reliable accounts of future trots at their respective meetings, and of matches worthy of notice in such a work, to be incorporated in future editions to fully meet the requirements of so valuable a book to American Turfmen.

AND
CHRONOGRAPHS.

The TIFFANY & CO., TIMER combines all the qualities of a perfect time keeper with the most simple and perfect construction for timing purposes.

The second hand always starts from the figure 12, thus showing the exact time at sight, avoiding all calculation and possibility of dispute.

CHRONOGRAPHS

for the stand, both plain and with ink reservoirs ; the latter by touching a spring, without stopping, marks the time on the face of the dial, of quarter, half-miles, etc.

Also, a large assortment of ONE-QUARTER, ONE-FIFTH, and INDEPENDENT-SECOND WATCHES, by Charles Frodsham (for whom we are sole agents in New York), Jules Jurgensen, and other makers.
