Florists'
Supplies.

MILWAUKEE, WIS.

Fall Wholesale Catalogue.

1892.

AS heretofore, we have taken the greatest care in the selection of the various Bulbs and Roots offered, and we have no hesitation in saying none better can be obtained.

We would impress upon our customers the necessity of placing their orders early, so as to insure getting the full amount of their order.

We offer only the **BEST QUALITY** of the various Bulbs enumerated, and great care is taken in the selection of the kinds, so as to have only those of merit.

Those ordering a miscellaneous lot of Bulbs, ready for shipment at various times, should state if the different varieties are to be shipped as soon as ready, or if the order is to be held until complete, so as to make one shipment.

We deliver all Bulbs free on board cars, making no charge for packing.

Remittances can be made by check, postoffice order or express order.

Orders from unknown correspondents must be accompanied with cash or satisfactory references. Goods will not be sent C. O. D. unless sufficient money be sent with the order to cover express charges both ways.
