REPLY TO YOURS OF

WEST GROVE, PA. U.S.A.

Dear Fellow in the Trade:-

Before you buy - look over this list of nearly 300,000 shrubs and remember this stock was grown IN EXCESS OF RETAIL DEMANDS - i.e. grown just as if for our own retail customers - much of it superior. We sold a carload to the City of Baltimore last Spring - you CANNOT be any more particular than they.

Prices - for August only - not binding thereafter, and for delivery when dormant, of course. Come and see this splendid stock or send for samples.

Visitors are cordially invited, and especially during THE NEXT TWO MONTHS.

You will be pleased with what you see and you will be welcome.

Very Respectfully,

THE CONARD & JONES COMPANY.
