INTRODUCTION

Publications in this list deal primarily with the management, food requirements, and propagation of gallinaceous upland game birds. Those marked (GPO) can be obtained by purchase from the Superintendent of Documents, Government Printing Office, Washington 25, D. C. Those marked (FWS) can be procured free from the Fish and Wildlife Service, United States Department of the Interior, Chicago 54, Ill. Publications by State or private agencies can be obtained from the publishers, State agencies, or other issuing institutions. Most of the literature may be consulted in, or borrowed from, libraries.

Current information on upland game birds may be found in the following periodicals:

Game Breeder and Sportsman.

Monthly. Game Conservation Society, Inc., 1819 Broadway, New York, N. Y. 25¢ a copy, \$2.50 a year; Canada and foreign, \$3 a year.

Modern Game Breeding and Hunting Club News.

Monthly. Western States Pheasant Society and American Pheasant Society, J. A. Gardy Printing Co., 28 W. State Street, Doylestown, Pa. United States and Canada, 25¢ a copy, \$3 a year; foreign, \$4 a year.

NOTE: This leaflet supersedes Wildlife Leaflet 182 issued in March 1941

Journal of Wildlife Management.

Quarterly. Wildlife Society. P. F. English, Sec., 206 Forestry Building, Pennsylvania State College, State College, Pa. \$1 a copy; \$4 a year.

Transactions of the North American Wildlife Conferences.

Annual. American Wildlife Institute, Investment Building, Washington, D. C. \$1 a copy.

Many State organizations, located usually in the State capitals, issue publications of general interest. A directory of Organizations and Officials Concerned with Wildlife Protection, 1942, by Harry C. Oberholser, United States Department of the Interior, Fish and Wildlife Service Circular 5, 25 pp., 1943 (GPO, 10¢), contains information on such publications.

A list of the Available Publications on Wildlife issued by the Fish and Wildlife Service is contained in Wildlife Leaflet 186 (FWS).
