WM. R. PRINCE & CO.'S

Wholesale Price List

OF

GARDEN AND OTHER SEEDS,

FLUSHING, near NEW YORK.

When forming a List of Prices at so early a period, there are many articles that are not sufficiently matured to ascertain how the crop will result; and as the market for Seeds is subject to fluctuations, the following prices will also be subject to such variations; but no advance will ever be made unless there is a sufficient cause for it.

ARTICHOKE.

Green Globeper lb \$2 75

ASPARAGUS.
