(Carborundum)

Chase, Alabama, July 12, 1917.

TO THE TRADE:

This Summer Bulletin shows all varieties of Buds that we can furnish; some are in short supply and the earlier we have your order the better. These Buds will be cut, trimmed and packed RIGHT and will reach you in good order.

Another object in issuing this Summer Bulletin is to remind you of our line of Nurserymen's Supplies that are used at this season. These are now in stock and will be shipped next train after receipt of order. Our complete line of Supplies—Box Straps, Burlap, Twines, Paper, etc.—will show in our September Trade List.

Don't forget to place your order for Peach Seed—there is a short crop and the chances are good that the late orders will go short.

We are including herewith a condensed price list for Fall on the staple items in fruit trees. Will issue our complete Trade List about September 15th. Glad to quote prices earlier if you wish.

Yours very truly,

CHASE NURSERY COMPANY.

PEACH SEED

New (1917) Crop

The same quality Natural Seedling Seed from the Carolina mountains (a section that is free from Peach Yellows), that we have supplied to the Nurserymen of this country for more than twenty-six years. The new crop is short; estimated at not over one-third normal and the price we now quote is not guaranteed beyond August 10th. We shall however always quote as low a price as the supply will warrant. Orders will be booked in rotation as received.

Price \$1.50 Per Bushel, F. O. B. Shipping Point.

PRICE LIST

FRUIT TREES

FALL 1917

Chase, Alabama, July 12, 1917.

TO THE TRADE:

We are having a great many inquiries for prices on Nursery Stock for Fall 1917, more than is usual at this season. We have decided to print this advance price list covering the staple items of Fruit Trees and will guarantee these prices only until the date of issue of our complete Trade List—about Sept. 15th. The slight advances in price over last year are not in keeping with advances in costs of every item that enters into the cost of producing nursery stock—Labor, Box Lumber, Spades, Box Straps, Twines, Paper, Burlap, Feed, Labels—in fact every single item of supplies has advanced from 10 to 100 per cent and we confidently look for advanced prices on Trees by the middle of September.

Your order will have our careful attention.

Yours very truly,

CHASE NURSERY COMPANY.
