CHASE, ALABAMA, February 5, 1930.

TO THE TRADE:

A careful reading of this list will put money in both your pockets and ours.

We make up combination car-load shipments to St. Louis, Chicago, Cincinnati and Rochester, saving you a lot of freight if your orders reach us in time—and we have Cold Storage facilities at each point where we can hold the goods as late as you desire.

Orders are booked in rotation as received. Let 'em come.

Yours Very Truly,

CHASE NURSERY COMPANY.

IOWA, January 24th, 1930—"The car of stock from you is in, and you have sent us a good lot of stock. In fact, as usual, you are the best shippers we have received stock from this fall."

GEORGIA, January 6th, 1930—"The Rose Bushes recently ordered from you came through in perfect condition, and I think without question, had the most perfect root system that it has ever been my privilege to observe. It is indeed a pleasure to have plants which have been so carefully handled in the digging that the roots are not mutilated, as is so often the case."

CALIFORNIA, December 13th, 1929—"The shipment arrived several days ago and everything highly satisfactory. Shipment came through in good time, thanks to your tracing system."

MICHIGAN, November 12th, 1929—"Liked sample shipment of Irish Junipers very much, and here is another order for some more."

KENTUCKY, November 5th, 1929—"We are glad to report that the shipment of shrubs which was billed to us on October 23rd, reached us in good condition, the plants are of the highest quality and well packed."

WISCONSIN, May 28th, 1929—"Have just received shipment of five boxes of shrubs out of storage from you, and found them in prime shape; in fact, better than a lot of stock that we received from another source that came six weeks earlier." (Note date of this one.)

TENNESSEE, October 15th, 1929—"The car of evergreens just received and unloaded, and we have to say that it was a dandy car, everything up to grade."

BROADLEAVED EVERGREENS

We have specified "Balled and Burlapped" where we consider this method of handling necessary, and have priced accordingly. Where customers are willing to assume risk and handle such items with roots carefully puddled, you may DEDUCT from the listed price according to the schedule shown below, and such items as we have not specified "B. & B.", will be so dug by ADDING the amount shown on each grade:

Plants under 2 feet	10c
2 to 3 feet	15c
3 to 4 feet	20c
4 to 5 feet	35c
5 feet and up	50c
