SUMMER LIST

BUDS AND SUPPLIES

U. S. DEPARTMENT OF AGRICULTURE
LIBRARY
Washington, D. C.

CHASE, ALA., JUNE 25, 1913.

TO THE TRADE:—

We have been issuing this list for several years, principally to keep our friends from forgetting that we are in business, also to give them an opportunity to buy good buds, true to name, properly packed, at a fair price. We endeavor to carry a full supply of the items listed in supplies, and can make shipment promptly. The budding knives and raffia offered are the very best procurable.

Trade List ready about the middle of September, but we are glad to quote prices at any time.
