VAUGHAN'S PEAT PLANT-A-POT INSURES THE LIFE OF SEEDLINGS

Your customers who start flower and vegetable seeds in cold-frames, hotbeds or their homes for an early start, can insure success by sowing the seeds in Vaughan's Plant-a-Pots.

Transplanting shock, which gives a serious set-back to seedling plants which are lifted from the soil when moved to the garden is entirely avoided by using Plant-a-Pots. This enables the plants to flower, or reach harvest size several weeks earlier. Moisture quickly penetrates the walls of the pot, facilitating watering. If the pots are placed in a box, pan or tray, water can be poured into the bottom and will be absorbed.

The roots of each tray seedling need never be disturbed, but as soon as the weather is right and the seedling large enough the pot can be set out in the garden. Here the plant will grow unchecked, the roots growing through the pot as it disintegrates. The decayed pot material will improve the soil and helps to retain moisture.

Display box illustrated is printed in three colors, taking counter space 21 x 13 inches, 17 inches high. It displays 72 plastic wrapped stacks of 2 1/4 inch size, 12 to the stack; or 72 plastic wrapped stacks of 3 in. size, 8 to the stack. This display is free with each carton.

Vaughan's ONE SHOT

MERION FERTILIZER

20 - 5 - 5

The revolutionary new fertilizer that supplies adequate amounts of plant food in the proper proportions. Full 20 units of nitrogen, from many sources including organics and urea formaldehyde compounds.

Research on the needs of grasses since World War II has shown that a really balanced grass turf fertilizer should contain about four times as much nitrogen as phosphorus and potash. Experts agree that a 4-1-1 ratio is about right for lawns that were formerly overfed with phosphorus and potash by the older formulas such as 5-10-5 or 4-12-4. With Vaughan's One Shot Merion Fertilizer you have quick and slow releasing forms of nitrogen thus giving you a fertilizer that will feed over the entire season.

A proven sales getter at full 40% mark up.
