DREER'S ARAUCARIA SPECIAL

September 8th, 1908

WE beg to call your attention to our immense stock of Araucarias, especially the Excelsa, all grown in the open air under slat houses, and, as we have more than we can conveniently make room for indoors, we make the following low offer to move this stock at once.

Look this offer over carefully, compare the sizes and prices with former lists, and you will find it to your interest to lay in your supply at once.

ARAUCARIA EXCELSA

4 inch pots,	7 to 8 inches high,	3 tiers,	at	\$0.35 each
6 " "	10 to 12 " "	3 " "		.60 "

PTERIS WILSONI

The most decorative of all the Pteris. A handsomely crested Fern which is just as useful as a specimen plant as any variety of Nephrolepis. We offer a fine lot of six inch pans at 35 cents each.

Please refer to circular No. 36.

Yours very truly,
