MARANTA MAKOYANA

The New Hydrangeas

The Great Easter Novelty of the Year

All of the varieties here offered have been tested by us under ordinary conditions as to their adaptability to forcing for Easter, with the intention of discarding any that proved unworthy.

To our surprise and gratification, all have proven themselves valuable additions.

While it is true that the average florist may ultimately select only a half dozen sorts as meeting his particular requirements, it is manifestly impossible for us to make the final selection for him.

In view of the condition explained above, we continue to offer the full set at a special price to enable the grower to try all the varieties and determine for himself which most nearly meets his particular requirements.

Avalanche. A splendid large white, which has made a reputation for itself during the past two seasons. 2½-inch pots, 85 cts. per doz.; \$6.00 per 100. 3-inch pots, \$1.25 per doz.; \$8.00 per 100.

Botaniste Peltreau. Enormous flowers of a pretty mauve rose; in our soil this comes of the prettiest light blue color that we have ever seen. 2½-inch pots, \$1.50 per doz.; \$10.00 per 100. 3-inch pots, \$1.75 per doz.; \$12.00 per 100.

Bouquet Rose. Large trusses of well-formed flowers, rosy amber turning to bright pink; has proven a special favorite in the New York market this season. 2½-inch pots, \$1.50 per doz.; \$10.00 per 100.

Dentelle. Entirely distinct, deeply fringed flower of a creamy white color; a splendid novelty for the amateur. 2½-inch pots, \$1.50 per doz.; \$10.00 per 100. 3-inch pots, \$1.75 per doz.; \$12.00 per 100.

Fraicheur. Very large, regularly shaped flowers, white, delicately suffused with rose. 2½-inch pots, \$1.50 per doz.; \$10.00 per 100. 3-inch pots, \$1.75 per doz.; \$12.00 per 100.

General de Vibraye. A favorite wherever seen; very large heads of bright rose colored flowers, a splendid early forcing variety. 2½-inch pots, \$1.50 per doz.; \$10.00 per 100.

La Lorraine. Very large flowers, pale rose, turning to bright pink; has become a general favorite during the past two years. 2½-inch pots, \$1.50 per doz.; \$10.00 per 100.

Mme. A. Riverain. Superb bright rose color; very vigorous and floriferous. One of the most successful Hydrangea growers in the U. S. considers this as one of the very best varieties yet introduced. 2½-inch pots, \$1.50 per doz.; \$10.00 per 100. 3-inch pots, \$1.75 per doz.; \$12.00 per 100.

Mme. E. Mouillere. This has been the favorite white variety in the New York market this year, very free flowering, of good size and form. Awarded silver medal at the National Flower Show at Boston last year. A great favorite with English growers, one London grower known to us handling over 30,000 of this variety alone. 2½-inch pots, \$1.50 per doz.; \$10.00 per 100.

Mme. Maurice Hamar. Described by the introducer as a delicate flesh rose-color, of a pleasing shade. In our soil it has been the most beautiful deep blue we have seen, and which has been admired by everyone; a vigorous grower, very free and early; the individual flowers as well as the trusses being of immense size. 2½-inch pots, \$1.50 per doz.; \$10.00 per 100. 3-inch pots, \$1.75 per doz.; \$12.00 per 100.

Mme. Raymond. Large trusses of perfectly round flowers of a transparent white, passing to a tender rose. 2½-inch pots, \$1.50 per doz.; \$10.00 per 100. 3-inch pots, \$1.75 per doz.; \$12.00 per 100.

Mlle. Agnes Barillet. A splendid creamy white, flowers large and freely produced; a splendid variety for a 5- or 6-inch pot plant. 2½-inch pots, \$1.50 per doz.; \$10.00 per 100. 3-inch pots, \$1.75 per doz.; \$12.00 per 100.

New Hydrangeas (Continued)

Mlle. Renee Gaillard. Very large panicles of milky white, irregularly dentated flowers, which is certain to become popular; it is entirely distinct. One of the best growers of Hydrangeas says that this variety should really have been awarded the Silver Medal given to Mme. Emile Mouillere last year as the best white. 2½-inch pots, \$2.00 per doz.; \$15.00 per 100.

Mlle. de Tremault. In our own trials we are convinced that this variety, which is yet but little known, is the best white yet introduced. These are all field-grown plants which have been potted into 5- or 6-inch pots (according to the growth of the variety) during the winter months, and are in the best possible condition to turn over to your retail customers for outdoor planting.

Hardy Evergreens

The following choice varieties we have growing either in cheap willow baskets or in tubs (mostly in baskets) the idea being to plant without removing from the basket, simply permitting this to rot away, thus saving all disturbance at the roots and making planting safe at any time during the summer and fall.

POT-GROWN HARDY PERENNIALS

We will carry the following varieties in pot-grown plants throughout the summer in such condition that they can be planted at any time. This is a good stock to keep in mind, as it frequently happens that summer plantings are required to cover failures and misses in other stocks. Many of these varieties will still give an account of themselves and make a good showing this season, while all, if planted now, will be in fine shape for next year's flowering.
