TERMS ON WHICH WE SELL NURSERY STOCK

Important—Please Read Carefully

Cash must accompany all orders amounting to \$25 or less, a cash discount of 5 per cent being allowed on the total amount.

We will ship larger orders C. O. D. providing 25 per cent of the total amount of your order is sent in cash. If the order is shipped by **express**, you pay the balance to your **express agent** upon delivery of goods.

If the order goes by **freight**, you pay the balance at **your bank**, where you will also find the bill of lading which you present to your freight agent who will deliver shipment to you.

NOTE. We allow a cash discount of 5 per cent on all orders, large or small, for which the total amount of order is remitted before shipment.

We accept Liberty Loan Bonds, Thrift Stamps and War Savings Stamps, at face value, in payment for nursery stock.

Transportation Rules

We have always made it prominent in our printed terms that our goods are sold f. o. b. cars at the point of shipment and are at the purchaser's risk while in transit. Because of the present unsettled conditions, we wish to emphasize still further that **we do not guarantee safe delivery.**

The ownership of all goods sold by us passes to the purchaser on delivery by us to the carrier, and the issuing of a receipt by the carrier ends our responsibility. Any claims for damage should be made promptly to the agent at the point of delivery.

A Word to Those Who Receive this Price-list

President Wilson has asked every good American to conserve everything possible to the end that the war may be won by Uncle Sam.

This is the reason for this abridged Price-list. The stock listed is not abridged in any way, but is up to the usual Harrison standard of quality. You may select and order from this list with absolute confidence in the merit of the trees and shrubs, and entire reliance on the care exercised in packing and shipping.

BERLIN, MARYLAND

Come to Berlin—We'll Pay Your Expenses While Here

Every man who wants a hundred or more trees ought to COME TO BERLIN and see our Nurseries. Such a trip will pay everybody concerned—we are so sure of it that during your entire visit to our Nurseries we will pay your hotel bill, without putting you under any obligation to us. Let us know a few days before you come, spend enough time with us to see our trees, our methods, and get acquainted with us. Few large orchardists buy trees without seeing them. The advantages lie not only in getting trees better suited to their needs, but in obtaining valuable information on the orcharding subject. We are in touch with so many planters and orchardists all over the country that we are able to supply information that otherwise hardly could be secured at any price. *Come to Berlin this Season!*

All agreements and contracts are made subject to loss of crop by drought, floods, fire, insects, or other unavoidable causes. All quotations are made subject to stock being sold on receipt of order.

WE STRIVE TO AVOID MISTAKES, but in the event that any nursery stock sold by us should prove untrue to name under which it is sold, we hereby agree, on proper proof of such untruthfulness to name, to replace the original order or to refund the purchase price. Except for such liability, and in respect to all nursery stock sold by us, we give no warranty, express or implied, as to description, quality, productiveness or any other matter.—HARRISONS' NURSERIES.

TRANSPORTATION RULES. We have always made it prominent in our printed terms that our goods are sold f. o. b. cars at point of shipment and are at the purchaser's risk while in transit. Because of the present unsettled conditions we wish to emphasize still further that we do not guarantee safe delivery. The ownership of all goods sold by us passes to the purchaser on delivery by us to the carrier and the issuing of a receipt by the carrier ends our responsibility. Any claims for damages should be made promptly to the agent at the point of delivery.—HARRISONS' NURSERIES.

IMPORTANT. Please write name and address plainly, and fill all blanks correctly. Always state how goods shall be sent, and write your Name, Post Office, County and State of delay and mistake.

PARCEL POST

Read Carefully Before Ordering

We cannot ship by parcel post any trees larger in size than 2 to 3 feet.

We cannot ship by parcel post any Nut Trees, Shade Trees, Evergreens, Broad-leaved Evergreen Shrubs, Boxwood, Privet, Barberry, Flowering Shrubs, or Vines.

We strongly recommend that Strawberry Plants be ordered shipped by parcel post; extra-large shipments, by express.

Rates. We quote no special parcel-post prices on any stock listed in this catalogue. When ordering, remit according to prices quoted in catalogue and we will ship by parcel post if ordered by you to do so and will instruct your postmaster to collect from you on delivery of goods the actual cost of mailing.

The weight on nursery stock varies so very much and our customers are located in so many different parcel post zones that it is impossible for us to make a flat parcel post rate on any item without imposing an unjust charge on certain of our customers.

We Strive to Avoid Mistakes

But in the event that any nursery stock sold by us should prove untrue to name under which it is sold, we hereby agree, on proper proof of such untrueness to name, to replace the original order or to refund the purchase price. Except for such liability, and in respect to all nursery stock sold by us, we give no warranty, express or implied, as to description, quality, growth, productiveness, or any other matter.
