TRADE CATALOGUE,

For the Spring of 1866.

WE invite the attention of Nurserymen to our large supply of Mahaleb and other Fruit Tree Stocks, Small Evergreens and other Ornamentals, which are especially adapted to meet the wants of Western Planters. We have greatly increased our facilities for furnishing plants of this character, believing that happier results will attend the labors of the Nurseryman than heretofore, and the demand for trees rapidly increase for years to come.

ARTICLES will be carefully packed, for which cost of boxes will be charged, and forwarded by freight or express, as may be desired.

TERMS CASH with the order, or collect on delivery, unless special agreement to the contrary.

The Nursery is situated on South Pearl St. fifteen minutes walk from the R. R. Depot.
