NEW PINK GLADIOLUS "AMERICA"

A CROSS BETWEEN GANDAVENSIS
AND CHILDSI

Without a single exception this is the most beautiful and useful Gladiolus yet introduced and the greatest Floral Novelty of 1906. It is being introduced in all parts of the world by us.

Growth. By far the most vigorous and easily-grown Gladiolus known. Strong and healthy, with luxuriant dark-green foliage and a freedom of growth and flowering surpassing all others.

Flowers. Spikes two to three feet long, erect with a great number of large spreading blossoms, all facing one way and showing a color the delicacy and beauty of which it is impossible to describe or reproduce.

It is an exquisite soft lavender pink, very light, almost a tinted white, the color is the same as seen in the most exquisite Cattleya Orchids. No color like it in any other Gladiolus; none half so beautiful.

Usefulness. As a cut flower it is perfectly immense, lasting in water for a week or more, the great blossoms retaining full size and delicate coloring. For florists use and for bedding it is without a rival.

For Forcing. "America" forces easily and is the most profitable variety for that purpose. Its fine color makes it a ready seller at big prices.

Price. We have waited until we had an immense stock of this bulb before offering it that we might put it out at a price that would enable every lover of superbly beautiful novelties to possess it at once. It is being offered in all parts of the world and every dealer who carries a stock of it will find a ready demand.

Per 100 \$10.00. Per 1,000 \$75.00.

GLADIOLUS
GANDAVENSIS
"MAY."

The Two Most Valuable Cheap Gladiolus in Cultivation.

FOR CUT FLOWERS THEY ARE
UNSURPASSED.

May.

This Gladiolus being so very cheap, and so very handsome and valuable as a cut flower, should be most extensively planted by florists and others who grow for market. It makes a beautiful spike, compact and perfect, while the individual blossoms are of great substance and will stand shipping without bruising better than any other variety. Its color is one of the most attractive as well as one that is in greatest demand, being almost pure white, with markings of bright rosy crimson. It is a strong, healthy grower, and will give immense satisfaction in all localities and for all purposes. As an inexpensive variety we recommend it above all others with the possible exception of Ceres. First Size Bulbs—Per 100, \$2.00; per 1,000 \$15.00.

Ceres.

Another highly valuable variety for the cut flower trade. One of the best of the white or light colored class, a good free grower and fine bloomer. Fine bulbs, \$1.50 per 100; \$12.00 per 1,000.

Gladiolus Childsi.

Childsi are much stronger and more vigorous than other Gladiolus, the growth being exceedingly rank and the foliage dark, healthy green. They are very tall and erect, often standing four or five feet high, with spikes of bloom over two feet in length. They branch freely, in most cases each stem producing three or four spikes and bloom much earlier than ordinary varieties. The flowers are of great size, frequently seven to nine inches across. The form of both flower and spike is perfection itself, and they last in bloom a long time before fading, owing to their great substance and vigor, but the most remarkable feature is the coloring. Orchids cannot surpass them in their varied and delicate shades, markings and blendings. Every color known among Gladiolus is represented, and many never before seen, particularly blues, smoky grays and purple-blacks, all having beautiful mottled throats, made up of white, crimson, pink, yellow, etc., and in this peculiar network of charming spots and colors lies one of its special points of unsurpassed beauty. They far outrank all other Gladiolus in size of spike, size of bloom, vigor, varied and magnificent coloring and freedom of bloom.

Mixed Lemoinei Gladiolus.

We offer a splendid mixture of Gladiolus Lemoinei, all colors and varieties. More than 100 sorts. \$1.50 per 100, \$10.00 per 1 000.

Cyclamen Persicum.

Giganteum Grandiflorum.

CHILDS' IMPROVED LARGE FLOWERING.

Bulbs commence blooming in the fall and continue in the greatest profusion till June, each flower keeping perfect a month before fading, and a good bulb will show at all times from 12 to 50 well developed blossoms. They are of the most delicately beautiful colors, ranging from dark red to white, delicate blush and pink shades prevailing. Often the flowers will be spotted and marked, or in other ways showing two distinct colors.

The foliage is also very beautiful being variegated with different shades of green, and helps to show off the flowers which rise above it, to a remarkable degree.

We offer only this strain of Cyclamen, it being the largest and finest flowered in the world.

Giant White--Enormous size.

Giant Carmine.

Giant Pink.

Giant Crimson-Black.

Giant White Crimson Eye.

\$2.00 per doz.; \$15.00 per 100.

Giant Mixed--All colors, tints and shades. \$10. per 100.

CYCLAMEN SEED.

Fine seed saved from our favorite strain as offered above. Colors separate or mixed, per large trade packet, 50c.

Grand New Callas.

With the exception of the Spotted Calla these are all new and they are certainly very fine. Many so-called Yellow Callas on the market are worthless.

Yellow Calla (*Calla Hastata*)--Is one of the rarest and most eagerly sought of all bulbs. They should be potted in the spring and they will start growth at once and commence blooming in a short time. The bulbs are strong and send up numerous flowers, which are a bright golden yellow with black center. The color is one of the most beautiful shades of yellow seen among flowers and the jet black center lends to the blossoms a peculiar charm. Bulbs are very scarce, and a year or two ago sold at \$1.50 each. This is the true large flowering golden yellow variety. \$10.00 per 100.

Elliottiana--This is the great new Yellow Calla of marvelous beauty. Flowers very large and of the brightest golden yellow. Leaves beautifully spotted with white. Sold last year at \$5.00 each. We have a large stock and can offer it at the very low price of \$40.00 per 100.

Rhemanni--Another new Calla which has created a sensation in Europe and sold as high as ten dollars each. It is a strong, free grower with large blossoms which are of a fine pink color. \$15.00 per 100.

Mrs. Roosevelt--A new Calla with an elegant spotted leaf which is large and luxurious. Flowers white tinged with lemon and very beautiful. \$15.00 per 100.

Spotted Calla--The well known Richardia Albo Maculata. \$3.00 per 100.

Flowering Cannas.

65c. per dozen. \$4.00 per 100. \$35.00 per 1000.

Austria.

Allemania.

Burbank--Large yellow.

Buttercup--Yellow.

Chas. Henderson--Scarlet.

Crimson Bedder.

Florence Vaughan--Spotted.

Flamingo.

Gladiator.

Little Gem--Dwarf scarlet.

Nelson.

Pres. McKinley.

Peach Blow.

Paul Marquant.

Red Cross--Finest scarlet.

Robusta--Fine foliage variety.

And many others.

MIXED CANNAS.

All finest named varieties, mixed, \$3.00 per 100; \$25.00 per 1000.

Canna Musafolia.

This is the finest foliage Canna yet seen, with enormous Musa-like leaves, 3x5 feet high of a dark green, bronzed-tinged color, the edge of the leaves being beautifully banded with bronze-purple. In size and beauty of foliage it is a revelation, and makes a clump or single specimen plant for the lawn which no other foliage plant can approach. Attains a height of 8 feet, beautiful and symmetrical at every stage of growth. \$3.00 per 100; \$25.00 per 1000.

Fancy Caladiums.

NAMED VARIETIES.

We have a collection of about 40 of the very finest named sorts ever introduced. Price per doz., \$1.00. Per 100, \$8.00.

MIXED VARIETIES.

Fine named varieties, mixed, \$5.00 per 100.

MIXED SEEDLINGS.

We grow thousands of Seedling Fancy Caladiums, and from these have made a careful selection of the most odd, beautiful and brightest-colored sorts which we here offer as an extra fine lot of mixed seedlings. Many of them are equal in beauty to the best named sorts, and among them one will get the greatest variety of blended colors. Price for fine bulbs, \$6.50 per 100.

Childs' Giant Gloxinias.

Originated by us, and is a flower of most extraordinary size and widely open. In shape it is perfect, many of the petals being beautifully frilled and fimbriated. Colors rich and veined, some of the combinations being unique and beautiful beyond description.

Giant Goliath—Blue and white.

" **Leopard**—Pink, spotted.

" **Snow Queen**—White.

" **Othello**—Purple-black.

" **Venosa**—Various colors, veined.

" **Tricolor Spotted**—All spotted.

" **Queens Scarlet**—Intense scarlet.

" **Cattleya**—New carmine edged white and throat.

" **Cyclope**—Purple, white edge.

Above fine varieties \$1.50 per dozen, \$10.00 per 100.

Our Tuberous-Rooted Begonia Novelties.

The following extra fine new Tuberous-Rooted Begonias were offered for the first time last year. Both Seed and Bulbs are of our own growing.

Cristata Mixed—New crested or bearded strain of great beauty. \$1.00 per doz. \$8.00 per 100.

Giant Crispa—Enormous blossoms with elegantly fringed edges. Color, bright orange-scarlet. One of the grandest yet seen, and an entirely new departure. \$1.00 per doz. \$8.00 per 100.

Childs' Giant Mixed—Our own new strain of giant-flowering varieties. Greatly improved in size, shape and colors. The most magnificent strain of Tuberous-Rooted Begonias ever offered. Every bulb a select one, and seed comes true to this magnificent type. Fine bulbs \$1.00 per doz. \$8.00 per 100.

Childs' Giant Snow-White—Exquisite. \$1.50 per doz.

" " **Scarlet**—Grand. \$1.50 per doz.

Giant Double Crispa Begonias

Our strain of double Tuberous Begonias is the finest we have ever seen. It is all our own stock upon which we have worked many years, and the blossoms are of immense size and grand colors. Fine Bulbs, \$1.50 per doz. \$10.00 per 100.

Zephyranthes, or Zephyr Flower.

The Zephyr flowers, or Fairy Lilies, are gems of rare beauty; and when planted either in pots or the open ground they produce very beautiful Lily-like flowers nearly all summer. Though some of the varieties are old, they are not generally known or seen in cultivation, owing to the fact that they have never been properly and thoroughly introduced. When once grown they are always grown, for they are one of the prettiest and easiest grown flowers it is possible to have. They are of a lovely section of the great and popular Amaryllis family. For pot culture plant three or four in a 5 or 6-inch pot and they will bloom beautifully. For the garden plant in spring and lift them in the fall, like Gladiolus.

Rosea—Beautiful clear rose; flowers large and very handsome. One of the oldest and best; blooms all summer. Very scarce and seldom seen. \$2.00 per 100. \$15.00 per 1000.

Sulphurea (GIANT FLOWERED)—This produces flowers as large as large Amaryllis, and on stems 15 to 24 inches in height. One of the clearest and finest shades of yellow we ever saw. The shape of the flower is perfection itself. It is one of the choicest gems in the bulb line. \$3.00 per 100.

Andersoni—A little beauty, its flowers being smaller than the others; beautiful tulip-shaped, and orange-yellow in color. A free bloomer. \$3.00 per 100.

Candida Improved—Pure white and the freest bloomer of all, though not so large. \$1.50 per 100. \$10.00 per 1000.

Vercunda—Large pure white. Free bloomer. New and fine. \$3.00 per 100.

Childs' Tuberose

The one flower the rich man must have and the poor cannot do without. We all love its massive spikes, thick, waxen, blooms of rich, creamy whiteness, and its deep delicious fragrance. How often has this sweet flower, that might have bloomed in paradise, been placed upon the cold forms of those whose spirit has gone to fairer fields. We have made our prices very low, that every flower lover may enjoy their peerless beauty. For open-ground culture plant about the middle of May. Give them rich soil, in full sun, and keep free from weeds and they will bloom finely. Plant a good big lot of them for cutting, and if you will pot those which are in bed about the time frost is expected, they will bloom elegantly in pots for a long time—often till Christmas.

Excelsior Pearl—Introduced by us twelve years ago. It is the finest bloomer of all Tuberose; habit dwarf, flower stalks short, spikes and blossoms enormous in size, and very double and fragrant. The finest for pots as well as for the garden. Large select bulbs, \$1.00 per 100; \$9.00 per 1,000.

Excelsior Pearl, Second Size—60c. per 100; \$5.00 per 1,000.

New Variegated—The leaves of this variety are bordered with creamy white; flowers single but very large and of exquisite fragrance. Bulbs continue to grow and bloom year after year. It makes a most magnificent plant. It blooms several weeks earlier than the other sorts, which greatly adds to its value. \$1.50 per 100; \$10.00 per 1,000.

Single Orange-Scented—A fine sort bearing very early in the season, large spikes of beautiful single orange-like blossoms. Very fragrant. \$2.00 per 100.

Hyacinthus Candicans.

They contrast elegantly with *Gladiolus*. Planted anywhere, singly or in clumps, they are magnificent. For a cemetery nothing can be more beautiful or appropriate, and nothing thrives better in any situation.

1-2 in. \$1.50 per 100; \$12.00 per 1000
2-3 in. \$2.00 per 100; \$15.00 per 1000

Giant California Tigridias.

We are introducing a strain of California grown Tigridias the bulbs of which are VERY LARGE. SOLID AND VIGOROUS. These fine bulbs keep perfectly well over winter under ordinary conditions, whereas smaller ones dry out and decay. They also make a remarkably strong and vigorous growth, blooming early and with remarkable profusion.

Canariensis—Bright yellow.

Conchiflora—Yellow spotted.

Speciosa—Deep red, spotted purple.

Lilacia—Brilliant violet crimson.

Grandiflora Alba—White, crimson spots.

California Hybrids, Mixed (Burbank)—Grand new strain of mammoth size, and a great variety of splendid colors. These will give splendid satisfaction. Bulbs of great size.

Price, 50c. per doz.; \$7.50 per 100; \$20.00 per 1000.

Summer-Flowering Oxalis.

Dieppi—Pure white; very fine.

Lasandria—Fine rosy pink, beautiful cut foliage.

Shamrock—Lovely clover-like foliage and pink blossoms.

Mixed Colors—Several colors.

50c. per 100; \$1.00 per 1000.

Phrynium Variegatum.

An elegant pot or bedding plant which is faithfully depicted in the accompanying cut, though it conveys no idea of the exquisite variegations of the leaves. Its manner of growth is much like that of a *Canna*, the leaves borne on erect foot-stalks with spreading blades of oblong-lanceolate form. They are bright pale-green, beautifully variegated with white and gold, the variegation being extremely diversified.

\$6.00 per 100; \$50. per 1000

Dahlia.

Named—We have some 50 named sorts which we can supply our selection of kinds, (but will give colors desired), large field grown roots, undivided, \$10.00 per 100. Divided roots, \$4.00 per 100.

Mixed—Large field grown roots of finest sorts, mixed, \$5.00 per 100. Divided roots half price.

New Cactus Dahlia.

These are not the ordinary form of Cactus Dahlia, but a new strain with blossoms of enormous size, perfectly formed and double to the center. Some have wide, flat petals, others have petals quilled at the end and flat in the middle. Many of them remind one of magnificent Japanese Chrysanthemums. In color they present a varied brilliancy and richness not before seen in Dahlias; intense scarlets, delicate pinks, snow-whites and tinted forms, straw color, lemon and orange-yellow, dark maroons, almost black, with a velvety texture that is certainly wonderful; striped, blotched and variegated; in fact all colors and combinations.

Of these glorious Dahlias we have about 50 named kinds. Price, field roots, divided, \$10.00 per 100.

Lilium Tenuifolium.

The lovely Coral Lily of Siberia. A great beauty, The brightest of all Lilies. Grows 20 inches high, with finely cut foliage, slender stems and beautiful showy flowers of a brilliant coral-red. One ought to grow them by the dozen, they are so fine for cutting, and making clumps for the lawn. Blooms very early. Having grown an enormous stock of this exquisite Lily we are prepared to offer it at the exceedingly low price of 60¢ per dozen; \$5.00 per 100; \$40.00 per 1,000; \$350 per 10,000.

LILIUM
PHILIPPINENSIS

Lilium Philippensis.

This rare and beautiful Lily is a native of one of the high mountain ranges of the Philippine Islands, and a few years ago a large lot were collected by an American and sent to relatives in Ohio. The bulbs thrived remarkably well, and last year we acquired the entire stock. Hence, we can offer superb home-grown bulbs at a low price. It is a great improvement on *Lilium Harrisii*, the flowers being much larger and a great deal longer, a gracefully tapering trumpet shape, snowy white in color and of delicate fragrance. The plant is exceedingly graceful, the main stalk being slender and clothed with narrow, grass-like foliage. It is perfectly hardy anywhere in the open ground and a superb garden bulb. But for pots it is more than satisfactory, far exceeding the best *Harrisii*. The bulbs after blooming remain dormant only a short time when new growth and more flowers follow, often as many as three blooming periods a year. The cut represents this glorious Lily faithfully and gives a good idea of its wonderful beauty. Fine flowering bulbs, \$18.00 per 100; \$150.00 per 1,000.

THE GREAT ISMENE.

(ISMENE CALATHENA GRANDIFLORA.)

Having grown a Large Stock we are able to offer this Superb Bulb Very Cheaply.

Those who are familiar with the true Giant Ismene cannot say enough in praise of its beauty and purity. The flowers are of very large size, like an Amaryllis, novel form and of snowy whiteness, and are also exceedingly fragrant. It is really one of the most lovely of all the great Amaryllis tribe, having a peculiar grandeur which one can appreciate at sight, but cannot describe. Bulbs are large and strong and begin to flower in two or three weeks after planting, sending up tall flower stems, which bear several of its magnificent blossoms. As a pot plant it is grand, and as a garden bulb treated like a Gladiolus it is one of the choicest of all flowers. Do not fail to try it. It will more than please you for it is superior to the Bermuda Easter Lily as a flowering bulb. Strong flowering bulbs, \$6.00 per 100; \$50 per 1,000.
