SPECIAL TRADE LIST

OF THE

Syracuse Nurseries,

FOR THE

SPRING OF 1870.

SMITH, CLARK & POWELL.

SYRACUSE, N. Y.:

TRUAX, SMITH & CO., JOURNAL OFFICE.

1870.

ADVERTISEMENT.

The following is a Price List of such Stock as we have to offer in quantity.

Our Stock is large in amount, both in the Fruit and Ornamental Departments, second to none in the country. As to the quality, we cordially invite every person to call and examine for himself; we can say in all confidence that it is unsurpassed.

In no case do we agree to furnish special and extended lists at the rates here quoted, but shall make the price as moderate as practicable, taking into account the extra labor involved in filling the selections.

It will be to the advantage of purchasers to make out their orders *early*. They will please be particular to put the order in *clear, distinct shape*. Do not mix it up with other matter. Let it stand apart by itself.

Shipping Directions.

In every case our customers will please to specify particularly and definitely *the mode and route* by which they wish their goods sent, and the party to whose care they want them consigned. This may save them and us great inconvenience.

Where no directions are given, we shall use our best judgment; but in no case are we responsible for the goods after their safe delivery into the hands of the shippers here.

Time of Packing.

The Packing Season begins with us usually in April.

Payment.

Where Cash is not paid on delivery, a satisfactory Note or Acceptance, payable at Bank, is uniformly required.
