C A R D .

IN issuing our Annual Abridged Catalogue, we wish to call the attention of our friends and patrons to our very large stock of *Trees, Shrubs, Grape Vines, Roses, and Greenhouse Plants*. We would direct special attention to our stock of Cherries, Dwarf and Standard Pears, and 1 year old Peach. These are very fine. We label all varieties of trees, &c., sent out, and persons can rely on their being all they are represented.

The Pittsburgh and Oakland passenger cars run to the Greenhouses every ten minutes. We take this opportunity of thanking our friends for past favors, and hope by strict personal attention to all orders to merit a continuance of their patronage. Our long experience in the business has given us a thorough knowledge of the varieties of the different kinds of fruits that do well in this section, and persons who have had no experience in fruit growing would do well to leave the selection to us.

TO CORRESPONDENTS.

It is very important to those who may favor us with their orders, that we receive them as early in the season as convenient, when ordered from a distance which affords us an opportunity to ship as soon as the season for transplanting opens. Orders should be plainly written out, and the list of articles ordered be separate from the contents of the letter.

Persons should state by what route they wish to have their packages shipped; otherwise, we shall use our own experience and judgment as to the route. All articles will be delivered at the steamboat or rail road without extra charge, after which they will be at the risk of the purchaser.

Persons who choose to leave the selection of varieties to us may rely on getting good popular sorts.

All orders from unknown correspondents must be accompanied with the cash or satisfactory reference.

Trees will be packed in the very best manner, in boxes or bundles, for which a moderate charge will be made, sufficient to cover the cost of material.

Prices only apply to trees of medium size; when extra large trees are wanted the prices will be in proportion.

Persons desiring further information will please communicate.
