THE STOCKMAN'S HANDBOOK—By Dr. M. E. Ensminger

This new livestock handbook should be a "must" on everyone's bookshelf interested in the business. Its 585 large, easy-to-read pages also contain hundreds of drawings and charts to make it the most complete volume of its kind that we have found.

It has complete coverage of breeds and breeding, feeding and diseases (both prevention and treatment), forage crops, marketing, fitting and showing, management, and many other timely and valuable subjects. We rate it "tops".

In order for you to be convinced of its value order a copy today! Look it over for 10 days and if not completely satisfied, return it and we will refund the purchase price. To be a successful stockman, we must be well informed. This book will supply the needed information to help get the job done. Send for your copy today.

OUR SEED LABORATORY

We have had a Seed Laboratory for years to check and test the seed we buy and sell. This is for your protection and ours, and we know you appreciate the great value of this. Our analyst, Earl Lott, is a Registered Senior Member of the Society of Commercial Seed Technologists. His tests are acceptable to ASC in all states and to other agencies.

WE FURNISH TESTS FOR ASC IF WANTED.

We do commercial testing also. May we do some for you? You will like our accuracy, promptness and reasonable rates. Show lot numbers on your representative samples. Mark them for "Seed Laboratory". We shall make complete tests unless you specify only purity or only germination. Will supply envelopes for mailing samples to us upon request.

ASC (PMA) PAYMENT RATES

On ASC Purchase Orders issued in Alabama this fall, the government will pay the following on the cost of the seed:

Alfalfa (Okla., etc.)	.20 lb
Hairy Vetch	.11 lb
Willamette Vetch	.07 lb
Austrian Winter Peas	.04 lb
W. W. (Caley) Peas	.06 lb
Blue Lupines	.04 lb
*Common Crimson Clover	.15 lb

Common Rye Grass	.06 lb
Ky. 31, Certified	.15 lb
Orchard Grass	.15 lb
Rescue Grass	.09 lb
Oats	(64c bu.) .02 lb

Ask your ASC office for amount paid on seed not listed above.

*Uncertified or Affidavit Reseeding Crimson can be used on Purchase Orders in Ala. if used as "Common Crimson". You would be getting something better than Common Crimson.

ASC in Ala. has more money this fall than usual and payment rates are higher in most cases. Every farmer entitled to buy seed this way should see his ASC man promptly and arrange to take advantage of this wonderful opportunity.
