Rose News Extra! WHITE BEAUTY

Plant Patent 1825

Introducing THE DOCTOR rose now dressed in purest white... a Texas nursery discovery, snow-white sport of old and popular pink show winner, surprising graceful long pointed buds, deliciously fragrant, charming huge, round, heavy and lasting specimen flower. Big Arp bushes postpaid \$3.50, three for \$9.30, guaranteed. (Texas Rose Research Foundation, licensor; jointly indorsed by commercial-grower members.)

THE 2 ALL AMERICA ROSES FOR 1965

MISTER LINCOLN plant patent 2370. Magnificent dark velvet red hybrid tea, stalwart yet graceful, with real old-fashioned rose fragrance. Imagine the color of Mirandy, full form of Chrysler, lines of Dior, and you'll realize the great integrity of Mister Lincoln in your rose garden. A superb new red rose. Big Arp bushes postpaid \$3.50, three for \$9.30, guaranteed.

CAMELOT—Plant patent 2371. Exquisite new dark salmon-orange color in abundance on tall rugged Grandiflora-style rosebush. Something of Tropicana with redness, Charlotte Armstrong with upright branching, Montezuma with attractive finishing, Heroic as King Arthur, romantic as the Tales of The Round Table, Camelot rose is a gorgeous accomplishment of gaiety and robust resistance so easy to grow, lovely to arrange. Big Arp bushes postpaid \$3.50, three for \$9.30, guaranteed.

(Christmas gift cards delivered for Santa Claus' stocking, rosebushes following at proper or preferred planting time.
