Visitors

You are always welcome and we will be pleased to meet you and show you through our plant, comprising more than 400 acres.

Shipping Facilities

Pennsylvania Railroad making connection with all lines out of Indianapolis. Ample facilities for shipment by motor freight.

Shipping Instructions

ORDERS—All orders are accepted subject to the following terms and conditions. Write plainly and give explicit directions as to address and mode of shipment.

FORWARDING—Shipments will be forwarded exactly as directed; but, where without instructions, we will use our best judgment and forward by shortest and safest route. We recommend that all herbaceous and strawberry plants be shipped by express.

CLAIMS—For damage while in transit or otherwise must be made within five days after the arrival of the consignment.

SHIPPING SEASON—Opens about March 1st in the spring and September 1st in the fall.

INSPECTION AND FUMIGATION—Our stock is regularly inspected and certificate will be sent with each shipment. Stock will be fumigated when requested, or when the state laws require it.

PACKING—All goods are carefully packed, thus avoiding risk if delayed in transit. We do not charge for packing.

Terms

CASH WITH ORDER—Except to persons who satisfy us as to their financial responsibility. Accounts are due when bills are rendered, and prompt payments are expected.

PRICES given in this catalog are for the goods F. O. B. Bridgeport, Indiana. **STOCK SELECTED** by customers at the nurseries will be charged for according to the value of the trees or plants chosen.

Guarantees

In growing and furnishing all nursery stock, we use the greatest care to have it true to name, and will replace any that may prove untrue, free of charge, or refund purchase price. We shall not be liable for more than the purchase price. Every purchase from us is made on these terms.

GUARANTEE and CLAIMS—All goods are guaranteed true to name, up to grade, full count, and in good condition when delivered. Claims must be made within five days after delivery to customer's delivery point to receive consideration.

We do not guarantee stock to grow, or results in any way. There are so many causes for failure over which we have no control that we can assume no responsibility after stock is delivered in good order. Poor soil, unfavorable weather, ignorant or careless culture—all contribute to failure and all beyond our control.

A price list as extensive as this must of necessity offer some plants of difficult culture, and, when these are ordered, we presume the people ordering them have the knowledge needed for their culture. Successful results require knowledge, enthusiasm and perseverance, and these we can not supply, but we shall be glad to make selections from the hardier class of plants for the people who wish them.
