Wisetonensis Mixed. Trade pkt., 15c; 1/2 oz., 30c.

VAUGHAN'S GIANT PANSIES

VAUGHAN'S INTERNATIONAL PANSIES

Vaughan's International Pansy Mixture was first offered by us in 1889. We import from all the best European sources. Each year has added to the quality of its flowers and variety of its colors. We buy every year novelties of known merit to improve the mixture; it is always complete, always the latest and always the best mixture. We add to all Pansy Mixtures which we now buy more than 50 per cent of the choicest named kinds obtainable, each in correct proportion. This is one of the **Specialties** that has established the reputation of Vaughan's Flower Seeds, and one which we maintain most carefully.

Trade pkt., 50c; $\frac{1}{8}$ oz., \$1.50; $\frac{1}{2}$ oz. \$5.00; oz., \$10.00.

Vaughan's Giant Pansy Mixture

Embraces, besides all the separate shades and colors, five special strains not listed elsewhere, and which can only be had in this and our International Mixture. This mixture includes the richest reds, coppers and bronzes, together with the most delicate rose and pink shadings, all the distinct colors of Trimardeau and the splendid, Cassier strain.

Trade pkt., 50c; $\frac{1}{8}$ oz., 75c; oz. \$5.00; $\frac{1}{4}$ lb., \$18.00.

Vaughan's Cut Flower Mixture

This mixture is put up by ourselves and contains mostly light colored sorts. We have sold this mixture for several seasons to some of our Chicago cut-flower growers, who have realized big returns from the sale of flowers. Pansies are as easily grown as violets, require less care and bring better results.

Trade pkt., 25c; $\frac{1}{8}$ oz., 60c; oz., \$4.00.

New Early-Flowering Giant Pansies

The new strain produces its giant flowers about four weeks earlier than other known types. In March, when the old type pansies hardly show any buds the plants of the new strain bore from 3 to 5 of their giant flowers.

Early Flowering Giant White, Yellow, Light Blue, Dark Blue and Mixed (Four Colors). Trade pkt., (500 seeds) 25c; $\frac{1}{8}$ oz., 60c; oz. \$4.00.

Chicago Parks Bedding Mixture

This is a mixture made by ourselves from 20 different and distinct varieties of this type. While the flowers of this strain do not grow as large as those of the Giant Pansies they excel them by a much greater number of flowers to a plant.

Trade Pkt., 25c; $\frac{1}{8}$ oz., 60c; oz., \$2.00.

Vaughan's P. P. (Popular Price) Mixture of Pansies

This mixture, like all "Vaughan" mixtures, is made up by ourselves from separate colors and strains of the Giant and Chicago Parks Bedding types and will furnish a large variety of colors with a good proportion of giant flowers.

Trade pkt., 25c; $\frac{1}{8}$ oz., 50c; oz., \$3.00.

Pansy—Vaughan's Giant Sorts

	Trade pkt.	$\frac{1}{8}$ oz.	oz.

Vegetable Seeds

PREPARE FOR VEGETABLE PLANT SALES

The demand for Vegetable plants the coming season will undoubtedly be larger than last year. Wideawake Florists will provide for this **Big Money-making side line** by giving a fair share of glass to the propagation of the young plants.

ORDER SEEDS NOW. NONE BETTER THAN VAUGHAN'S

VAUGHAN'S ALL SEASONS

CABBAGE, L. I. Grown

ALL HEAD OR FAULTLESS. Amateur growers who plant only one variety should select this one. It matures large, uniform heads of handsome appearance and unsurpassed quality. It has few outer leaves, permitting close planting, and amongst kraut growers is the most popular, because the largest possible tonnage per acre can be produced.

Price, oz., 25c; ¼ lb., 75c; lb., \$2.50.

EARLY SUMMER. The heads are round and flattened. A very popular variety for early market; in season it follows "Early Jersey Wakefield." The heads are of fair size, very compact and solid, quality good; attractive appearance, being tinged with a peculiar shade of blue.

Price, oz., 25c; ¼ lb., 80c; lb., \$2.75.

COPENHAGEN MARKET. The earliest large round or flat-head sort. Almost as early as Early Jersey Wakefield. Considering its early season, the heads are remarkably large, averaging ten pounds in weight. One of its chief features is compactness; it is so solid that many more plants can be grown on an acre than is possible with most sorts.

Price, oz., 35c; ¼ lb., \$1.15; lb., \$4.00.

VAUGHAN'S SELECT EARLY JERSEY WAKEFIELD. Early Jersey Wakefield cabbage is a specialty with us, and to secure the best seed we spare no expense, either on our growing farms or later by trials, tests and cleaning. We confidently offer the best Early Jersey Wakefield seed that money can buy anywhere. Successful growers everywhere in the United States plant Vaughan's seed and get results that spell prosperity.

Price, oz., 25c; ¼ lb., 85c; lb., \$3.00.

LARGE JERSEY OR CHARLESTON WAKEFIELD. This sort matures a few days later than "Early Jersey Wakefield," with heads larger and more uniform. Very popular with Southern growers.

Price, oz., 25c; ¼ lb., 85c; lb., \$3.00.

SURE HEAD. This is a large round flat-head variety, uniform in size, weighing 10 to 15 pounds each head. Our strain is most popular with market gardeners and large growers—it is a **sure header**, in most unfavorable seasons.

Price, oz., 25c; ¼ lb., 75c; lb., \$2.50.

VAUGHAN'S ALL SEASONS. This special Vaughan's Cabbage, although really an early, is suited to every growing season. Under most trying and adverse conditions it is **nearly always a sure header**.

Even when planted very late it keeps well, and is of much better quality than the big ribbed winter sorts. The heads are large and solid, leaves small ribbed; matures about same time as "Early Summer" with larger head.

Price, oz., 25c; ¼ lb., 75c; lb., \$2.50.

CAULIFLOWER

VAUGHAN'S NEW SNOWBALL. For early out-door planting and forcing Vaughan's "New Snowball" Cauliflower is a strain of exceptional merit and value. In size, compactness and color it is ideal for market, a well grown head will measure 9 to 10 inches across and have a depth in proportion, will be solid, and have a perfectly white core. It is dwarf in growth with great compactness and very early heading—earlier than any other sort. For wintering, for forcing and early out-door planting this strain is a peerless success. It is also equally valuable when planted for late summer and fall market.

Price, ¼ oz., 75c; ½ oz., \$1.35; oz., \$2.50; ¼ lb., \$10.00.

PEPPERS

MAGNUM DULCE. This pepper has been called "Salad King." It may be eaten raw, it is so mild flavored. Vaughan's Magnum Dulce sweet pepper can be grown to immense size, 7 inches long and 4 inches through; but when grown so large the yield is small. To get a larger yield of medium sized peppers, pinch off the "king flowers," the first ones to open.

Price, ½ oz., 40c; oz., 70c; ¼ lb., \$2.15; lb., \$8.00.

CHINESE GIANT. A standard extra large sweet sort.

Price, ½ oz., 40c; oz., 70c; ¼ lb., \$2.15; lb., \$8.00.

RUBY KING. One of the most popular varieties, growing 4½ to 6 inches long and 3½ to 4 inches through. The peppers are a bright ruby red quite sharp in flavor; flesh is thick, crisp and tender. One of the best sorts for pickles.

Price, ½ oz., 35c; oz., 65c; ¼ lb., \$1.85; lb., \$7.00.

SWEET MOUNTAIN. The fruit when young is deep green, without shade of purple; when ripe a handsome red. The habit of growth is strong, and it is very productive; the flesh, though sharper than "Magnum Dulce" is very mild and thick. Our seed has been very carefully selected.

Price, ½ oz., 35c; oz., 60c; ¼ lb., \$1.75; lb., \$6.00.

OTHER SEASONABLE GARDEN SEEDS

	Oz.	¼ lb.	lb.
CELERY. White Plume	\$0 25	\$0 85	\$3 00

Black Beauty	55	2 00	7 00
PARSLEY. Champion Moss Curled	10	25	75

TOMATOES

JOHN BAER. A remarkable variety, only a few days later than Earliana; it yields a much heavier crop of larger, more uniform and more attractive fruits; generally returns the biggest profits of any extra early variety.

Price, oz., 40c; ¼ lb., \$1.25; lb., \$4.50.

BEAUTY. (Purple). Vines large, vigorous and heavy bearers; fruit large uniform, very smooth purplish pink skin; flesh light pink, excellent flavor.

Price, oz., 30c; ¼ lb., 90c; lb., \$3.25.

EARLIANA. Most Popular Early Red. Vaughan's Earliana ripens with the earliest tomatoes, is large, smooth and bright red. Our strain shows few, if any, of the rough fruit found in large numbers in other early sorts, and among many strains of Earliana. This variety is compact in growth, with stout jointed branches; the vines yield well and the fruit is solid and of fine quality. Buy Vaughan's Strain of Earliana and get results.

Price, oz., 35c; ¼ lb., \$1.15; lb., \$4.00.

EARLY DWARF CHAMPION. We recommend this sort for the home garden. Owing to its dwarf habit and upright tree-like growth it is a great favorite. The fruit resembles "Acme," is of medium size, very smooth, purplish pink, symmetrical, flesh very solid and of fine quality.

Price, oz., 40c; ¼ lb., \$1.25; lb., \$4.50.

DWARF STONE. The Largest Dwarf Tomato. This is the largest Dwarf tomato. The fruit is red, and specimens weighing 1 pound are not uncommon. In season Dwarf Stone is almost as early as "Dwarf Champion." Fruit ripens evenly, is solid, free from cracks at the stem and is of excellent quality. Amateurs will find Dwarf Stone a splendid sort, because of its dwarf habit and robust growth.

Price, oz., 40c; ¼ lb., \$1.25; lb., \$4.50.

IMPROVED NEW STONE. This, the best of the main crop varieties, is known as "King of the Reds." By very careful re-selection to secure heavy yield, large size and fine appearance, we have produced a strain that is unequalled. In the home garden—the best main crop sort.

Price, oz., 30c; ¼ lb., 90c; lb., \$3.25.

PONDEROSA. The Giant Tomato. A leader among the large fruited varieties. The vines are strong in growth, and when pruned to a single stem, the fruit reaches 1 pound in weight; tomatoes grow in beautiful uniform clusters.

Price, oz., 50c; ¼ lb., 1.50; lb., \$5.00.

TOMATO, JOHN BAER

Gladioli for Florists

All prices subject to change without notice.

THIS season's Bulb Crop on our Michigan Farms was first class, the giant cut spikes we showed at the S. A. F. Detroit Exhibition, dominated the show and in size and foliage were double the size of the average exhibits there. The harvest has put into our warehouse a big stock of bulbs in which our "first size" grade shows a strong percentage of "overs," bulbs nearly two inches in diameter.

Bulbs for forcing under glass, are carefully selected for this purpose

MRS. FRANCIS KING

LEADING DECORATIVE GLADIOLUS FOR THE TRADE

This has become the most popular and effective variety for window, store and hotel decorations. The long, strong flower stalks and foliage, its effective flower spike with a good line of reserve buds continually opening, with flower 1½ inches across, five to six flowers well spread out on the spike at the same time, its brilliant vermilion scarlet color gives for vases, in hotel lobbies and dining rooms, parlor decorations, etc., an effect not produced in any other Gladiolus. **Price, First size, per 100, \$2.75; per 1,000, \$25.00. Medium size per 100, \$2.25; per 1,000, \$20.00.**

MARGARET

A brilliant carmine, with a large white blotch on the lower petals, the white and carmine blending into a violet tint. The spike is straight and strong. **Price First size, per 100, \$8.50; per 1,000, \$80.00.**

EUROPE

The best pure white Gladiolus. Very large and free-flowering. Often 12 flowers open at the same time.

Price First size, per 100, \$7.00; per 1,000, \$65.00.

MYRTLE

Tender and delicate rose pink. "The most beautiful pink yet produced in Gladiolus." Brings high price in the Chicago market. **Price First size, per 100, \$8.50; per 1,000, \$80.00.**

PRIMULINUS "SUNBEAM"—Novelty

(Vaughan's Introduction)

One of the first varieties of Primulinus blood in America to receive a name. This variety, which we introduced in 1914 for the first time, is a cross of select yellows from the Primulinus Mixture, with the variety Sulphur King. Its strong growth and clear yellow color mark it for a leader in this class. The graceful form of all the Primulinus class insures their popularity in our best American gardens as soon as they become known.

Price First size, 100, \$6.50; per 1,000, \$60.00.

CHICAGO WHITE (Vaughan's Introduction)

THE EARLIEST WHITE

If you want the earliest possible cut Gladiolus use this. The flowers are well expanded, well placed upon the stalk, pure white with faint lavender streaks in the lower petals.

It has great value for flower designs, the spikes are just large enough, full and white for quick and effective making up of all Floral Works. There is a fixed demand for this variety for early use, both indoors and out. **Price, First size, per 100, \$3.60; per 1,000, \$33.00. Medium size, per 100, \$3.25; per 1,000, \$28.00**

AMERICA

This is the main crop pink Gladiolus for the florists, both for sale as a cut-flower or use in design work. An easy forcer and a money maker for the florist.

Price, First size, per 100, \$3.00; per 1,000, \$27.00. Medium size, per 100, \$2.50, per 1,000, \$22.00.

AUGUSTA

The best Florists' White Gladiolus. We are headquarters for this variety, having a splendid stock of large healthy bulbs.

Price, First size per 100, \$3.50; per 1,000, \$32.00. Medium size, per 100, \$3.00; per 1,000, \$27.00.

PRINCEPS (Vaughan's Introduction)

Popular beyond every other variety, both in this country and throughout Europe. It has made a class for itself, and you do not have the best until you buy it. Individual flowers are 5½ inches in diameter and sometimes one inch larger, color being a brilliant scarlet crimson with three broad white blotches on the lower petals.

Price, First size, per 100, \$5.50; per 1,000, \$50.00.

SCHWABEN

A variety of extreme vigor, many of the bulbs producing two or three flowering stalks which very often produce side branches besides. The stalk produces about 20 very large flowers, 6 to 8 usually open at one time. The color is the best, of clear canary yellow, shading to a soft sulphury yellow when opening. **Price First size, Per 100, \$6.50; per 1,000, \$60.00. Medium size, per 100, \$6.00; per 1,000, \$55.00.**

HALLEY

This is one of the earliest of Gladioli, and we strongly recommend it for cutting on account of its exquisite color. Delicate salmon-pink, a pale ground showing at the throat, which is marked with small red stripes.

Price First size, per 100, \$4.00; per 1,000, \$35.00.

NIAGARA

In color the flowers are a delightful cream shade with the two lower inside petals or segments blending canary yellow. The throat is splashed with carmine, and the lower ends of the outside petals are also blushed with carmine.

Price First size, per 100, \$5.50; per 1,000, \$50.00.

MRS. FRANK PENDLETON (Quickest seller, highest prices.) (All Flower Market for 3 years.)

One of the most exquisitely colored and formed Gladiolus in our entire list. In addition, the size of bloom is not exceeded by any other. The color is a delicately flushed salmon pink. The blooms are wide open and are arranged individually on slender but wiry stems. Each flower is strikingly marked with rich maroon blotch on the three lower petals.

Price First size, per 100, \$5.50; per 1,000, \$50.00.

PANAMA

This seedling of America resembles the parent variety in every way except that it is a much deeper pink. A grand variety which evokes words of praise wherever exhibited. Spike very long with flowers large and well arranged.

Price, First size, per 100, \$5.25; per 1,000, \$47.00.

VAUGHAN'S MIXTURES

We make all of our mixtures of these bulbs ourselves, using named varieties and mixtures of proven merit; by this method we can safely guarantee our customers satisfaction when buying our mixtures.

VAUGHAN'S XXX FLORIST MIXTURE. Made up from named white and light varieties and mixtures of light colors only, and designed to meet the demands of our florist customers for a mixture suitable to be used for cut flowers.

Price First size, per 100, \$2.50; per 1,000, \$22.00.

RAINBOW MIXTURE. Composed of the choicest named varieties and including also many of Vaughan's best named, Vilmorin kinds and Nanceianus sorts. The best mixture from best existing kinds, and is without an equal in America.

Price First size, per 100, \$4.00; per 1,000, \$35.00.

EXTRA FINE MIXED. This mixture is specially grown for us, and is further improved by us when received from the grower by the addition of many choice new kinds, including some of Vaughan's named, insuring a wide range of colors, shades and types.

Price First size, per 100, \$2.50; per 1,000, \$22.00.

STANDARD MIXED. This mixture contains a very complete range of colors. **Price, large bulbs, per 100, \$1.75; per 1,000, \$15.00. Medium size, per 100, \$1.60; per 1,000, \$13.00.**
