SPECIAL RECOVERY OFFERS

The desire for *Gladiolus* is still as strong as ever but many people haven't yet got the money to buy what they want. Perhaps that is the fix you are in. So I am making some special offers to help you to have some glads this summer to keep the *glad Bug* alive so that when money is more plentiful you will still have the desire for glads. I don't want your enthusiasm to wane as it might if you had no glads this year. Also I'll admit I can use some cash and in order to get it soon am making the following remarkable offers. **Closing Date March 24** but you better order early as some items may be sold out before closing date.
