WHOLESALE PRICE LIST

FALL, 1919

• • and • •

SPRING, 1920

CHASE NURSERY COMPANY

(INCORPORATED)

CHASE, ALABAMA

HENRY B. CHASE
President

ROBERT C. CHASE
Secretary-Treasurer

Chase, Alabama,
September 20, 1919.

To the Trade:—

At the rate the orders are coming we fear some items will be sold out before the printer can complete his job. It's a scramble for stock the like of which we have never seen.

On all Fruit Trees and Fruit-producing Plants give us all the leeway you possibly can both in grades and varieties; this will help us to help you.

We have had the best growing season in years. All our stock is prime, with a heavier percentage of large grades of all Fruit Trees than ever before.

Instead of issuing a separate Supply Catalog, as we did last year, we are including our complete Supply List in this issue. This wholesale Price List, therefore, tells our whole story. May we suggest that you keep it handy? If it does not particularly interest you today, it will before the season is over.

With real appreciation for the fine business you have entrusted to us in the past, we are,

Yours very truly,

CHASE NURSERY COMPANY.

SPECIAL NOTICE—This list is intended for the **TRADE ONLY**. If it reaches people **NOT** entitled to Trade Prices, we will thank any Nurseryman or Florist to advise us, so that our mailing list may be corrected. We do not employ agents. We do not pack dealers' orders on our grounds, and do not authorize dealers to use our name.

TERMS AND CONDITIONS

SHIPMENTS

Please state how you want your shipments made, whether by freight or express; also route. Where no instructions are given, we will ship as we think best serves your interests without assuming responsibility.

The risk and cost of transportation belong to purchaser.

CREDIT

Usual terms to parties of known responsibility. We will not accept orders until we believe the buyer is good for the account. Cash before shipment required from parties unknown to us, or references with sufficient time for investigation before shipment.

PRICES

We quote prices per 10, per 100, and per 1,000, as our stock warrants, and will supply nurserymen and dealers at prices named regardless of the size of the order, except in cases of long assorted lists of small quantities, when an additional charge will be made to cover the extra labor involved. **Prices are subject to market changes.**

GRADES

We grade liberally by caliper and height. When both are specified, caliper measure governs, but we are careful to see that stock is uniform throughout. Our rule is: **"When in doubt, put it in the lower grade."**

All stock is graded and bunched in our storage houses, where we have water in abundance. Stock is handled from field to these buildings under large tarpaulins and roots kept moist until boxed.

BUNCHING

Fruit Trees, 1 to 2, 2 to 3, and 3 to 4 feet, are tied 25 to the bunch; all larger grades, 10 to the bunch. Please make your orders in multiples of these quantities.

LIABILITY AND CLAIMS

We are not liable for injury to stock from frost, hail, fire, or other causes beyond our control, and book all orders with this understanding. While we use every means at our command to secure prompt delivery, we are not liable for delays in transit; our responsibility ends upon delivery in good order to railway company. Remedy for loss must lie between the buyer and the railway company, but we will gladly render all the aid we can. Any other claims must be made immediately after receipt of stock.

NON-WARRANTY CLAUSE

We give no warranty, express or implied, as to description, quality, productiveness, or any other matter, of any nursery stock, seeds, bulbs or plants we sell.

SUBSTITUTION

We do not substitute unless instructed to do so, and then label true to name.

CODE WORDS—TELEGRAPHIC ORDERS

When more than one grade is listed, a code word is used. Much expense can be saved in telegraphic orders by using these code words in connection with Nurserymen's Telegraphic Code, a copy of which we will mail upon request.

BOXING

Charges as low as possible for well-made boxes, paper-lined:

30x30 in. heads, 7½ to 10 ft. in length.....	\$5.00
24x30 in. heads, 7½ to 10 ft. in length.....	4.50
24x24 in. heads, 7½ to 10 ft. in length.....	4.00
18x24 in. heads, 7½ to 10 ft. in length.....	3.50
18x18 in. heads, 7½ to 10 ft. in length.....	3.25
15x15 in. heads, 7½ to 10 ft. in length.....	2.50
12x12 in. heads, 7½ to 10 ft. in length.....	2.00

On orders for roses, small fruits, etc., we can frequently use dry goods cases or shoe boxes at lower cost, and shall endeavor at all times to make lowest possible charges.

Bales, 25 cents to \$2.50, according to size.

REFERENCE

As to our standing and responsibility we refer to any bank or business house in Huntsville, Alabama, the Commercial Agencies, and the leading nurserymen of the United States.

California Privet at Chase.

PRIVET

Please note carefully following description of grades: Plants described as heavy carry four or more strong canes from the ground, except in the 12 to 18 inch size, which are graded three canes and up. The light grades carry two and three canes from the ground, except in the 12 to 18 inch grade, which carries only two. All well rooted.

PEACH PITS

We offer limited quantity Tennessee and North Carolina peach pits, crop 1919, mostly small naturals, sacked F. O. B. Chase, per bushel of 50 pounds, **\$6.00.**

Down in Chase Valley.

CONIFERS

All Evergreens offered have been transplanted at least twice, many of them, especially the larger sizes, three or four times. Varieties starred should in our judgment be handled only with a ball of earth and prices include balling and burlapping. Varieties not starred may be safely handled with puddled roots, but in case customer wishes them balled and burlapped, there will be an additional charge, according to following schedule, and if buyer is willing to assume risk we will carefully dig and puddle the starred varieties, deducting the cost of balling and burlapping. Please give us explicit instructions when ordering.

"SAY IT WITH FLOWERS."

Mexico City, Mexico. July 10th 1919. "Last year you sent us for a florist here several hundred roses, they did well and I would like for you to again give me your fall prices."

Mexico City, Mexico, August 19th. "A short time ago I had your letter in regard to roses, will you kindly hold for me twenty-five hundred budded plants as per your list. \$100.00 is enclosed on account, I will send you more a little later. Of course I shall expect your usual run of good plants, well packed, such as came last fall."

NURSERYMEN'S SUPPLIES

NOTICE—Prices on almost all Supplies still change frequently and we cannot guarantee these prices longer than our present stock lasts. Will always make best prices we can.

KNIVES

Our Knives are especially made for us by one of the great cutlery manufacturers who has a reputation for making knives of good quality. All Knives offered are the same dependable brands as we have sold for more than twenty years.

BUDDING

HEAVY AMERICAN BUDDER—

This knife has been selected after trial as the best Budding Knife available in sure supply. Cannot get Wostenholm now. Price, each, postpaid, \$1.35; Per dozen, \$13.75 postage extra.

CHASE'S SPECIAL IVORY TIP

—A good medium-priced budding knife, much like the Heavy American Budder in appearance; 95c each, postpaid; \$10.75 per dozen, postage extra.

WHETSTONE

WHETSTONE—The best for budding and grafting knives. 25c each, postpaid.

Heavy American Budder. Ivory Tip. (3/4 Size.)

Budders' and Grafters' Whetstone Pocket size. Carborundum.

Chase's Special Ivory Tip. (3/4 size.)

Orders for half dozen invoiced at dozen rate.

C. A. G. PRUNER—
Stationary handle; full length 8 inches; length of blade 3 1/4 inches; well balanced "hook" and easy on the operator. Handle of hardwood fastened with three rivets set diagonally. After testing out

this knife in our own work we have decided to offer it to the trade as the best Pruning Knife of reasonable cost that we can find. Price 70c each, postpaid; \$7.40 per dozen, postage extra.

GRAFTING

C. A. G. GRAFTER—It is more knife for grafting and general use for the money than any on the market. Makes a good serviceable pocket knife. Cocoa handle; 60c each, postpaid; \$6.75 per dozen, postage extra.

BUDDING

STATIONARY BUDDER—(3/4 size, blade does not fold)—Note shape, size and "hang" of blade. Made for budding, but not as convenient for the pocket as the others; 45c each, postpaid; \$4.75 per dozen, postage extra.

FROM ARKANSAS—

"Your knives are the best I can get. They are O. K."

C. A. G. Grafter
(3/4 size).

Orders for half dozen invoiced at dozen rate.

Stationary Budder

C. A. G. Pruner.

PRUNING SHEARS

WATCH SPRING, FRENCH, 9-inch—Per pair, postpaid, \$2.75; per dozen pairs, freight or express (weight per dozen pairs, 11 lbs.), \$28.00.

WATCH SPRING, FRENCH, 8 inches—Per pair, postpaid, \$2.25; per dozen pairs, freight or express (weight per dozen pairs, 7 lbs.), \$24.00.

WATCH SPRING, FRENCH, 6 inches—per pair, postpaid, \$1.75; per dozen pairs, freight or express (weight per dozen pairs, 5½ lbs.), \$18.00.

Watch Spring, French

The Watch Spring French Shears stand at the head of the list for making cuttings of all kinds. For this work the 8-inch size is just right. For cutting back seedlings to the bud or any heavy work, the 9-inch is recommended.

The 6-inch is just right for light pruning of all kinds like roses, shrubs, cutting scions, etc.

In making cuttings, the shears used should make a quick, clean cut (which these shears do to perfection), and they should have a properly proportioned grip to enable the operator to do a full days work without cramp.

Once in a while a spring will break. We now import extra springs and can supply either size at all times.

Extra Springs

French Shears.
all sizes 20c
each, postpaid.
Easily put in
place.

LADIES' ROSE SHEARS, 6-inch

LADIES' ROSE SHEARS—Six inch, heavily nicked. Cuts the rose or any flower and holds the stem at the same time. A great favorite with the ladies. Beautifully finished, high grade throughout. Price, each, postpaid, \$1.19; per dozen, \$11.75. Extra springs, each, postpaid, 20c.

From Oklahoma.—“Please send us one pruning shear, French 9-inch, and two springs for same; this is the best shear we ever saw; have some that have been in service for years.”

PRUNING SHEARS—Continued

AMERICAN, 9 inches—This is a low-priced, good, well built, all around pruning shear. Have handled these for years and they give full value in service. Weight, 14 ounces; volute steel spring. Per pair, postpaid, **75c**; per dozen, **\$7.85**, postage extra. Extra springs, each, postpaid, **20c**.

American, 9-inch

26 Inch, Two-Handled Pruner

CRONK'S HEAVY TWO-HAND PRUNER

Length 26 inches, weight packed, $3\frac{1}{4}$ lbs. Built by men who know how, of high grade tool steel. Long ferrules riveted on; patent lock nut.

Price	\$2.50
Price postpaid	2.65

PRUNING SHEARS—Continued

CRONK'S HEDGE SHEARS

8 inch blade, weight packed, $2\frac{3}{4}$ lbs. This is the best size, will do rapid and continuous work without tiring the operator, as do larger sizes.

Price ----- \$2.25

Price postpaid ----- 2.40

PRUNING SAW—"The Virginian," a real Simonds Saw, handle curved exactly to fit hand; draw-cut, with teeth on inside of curve of blade; differs from all other saws in angle of teeth, number to inch and curve of blade. Cuts small branches without tearing bark, and will cut with ease the largest limbs. Designed by G. C. Starcher, formerly expert Virginia Orchardist, now our State Horticulturist. Fourteen inch and twelve inch, twenty gauge; handle of hardwood, securely fastened. Price each, either size, post paid **\$1.19**.

From South Carolina.—"The Pruning Saw is certainly a dandy."

From Alabama.—"The Pruning Saw is just the thing, send by parcel post at once eight 14 inch and four 12 inch, if you have the smaller size, if not send one dozen 14 inch."

THE JONES PATCH BUDDER

Designed especially for budding Nut Trees or other subjects which cannot be propagated by ordinary methods. With this Budder, Pecans, Walnuts, Hickories, Chestnuts, Persimmons, etc., may be budded almost as easily and rapidly as the more common fruit trees.

With careful work, one entirely inexperienced in propagation can get good results with this Budder right from the beginning, and with some practice can do rapid and very efficient work.

This little tool is now used by the U. S. Government, many Experimental Stations and by all the leading propagators of Nut Trees, both North and South. Made of aluminum, machined perfectly true and nicely finished. The blades are made from safety razor blade steel, but of heavier stock. With full directions for budding Nut Trees, handling the buds, preparing waxed muslin, etc. Price, **\$1.50** each, post-paid.

(Patented)

We aim to carry in stock at all times a complete list of the supplies described, and usually ship all Supply orders next train after receipt.

CORDAGE, TWINES, BURLAP, ETC.

This class of material still high in price, going higher they tell us, and deliveries uncertain. We contracted early and have received the bulk of the shipments. ALL PRICES ARE SUBJECT TO MARKET CHANGES.

RE-WORKED BURLAP AND SAIL TWINE

New Burlap is still high in price and advancing. We are using a good grade of selected Used Burlap, which has been sewed together in continuous strips of one hundred yards each. Much better than scrap burlap of various sized pieces. Width 40 inch; price per yard (cannot break bolts) $7\frac{1}{2}c$.

SAIL TWINE—For sewing burlap. Best quality Jute, 3-ply. Put up in skeins and 12-pound packages. Will sell any quantity desired. Price, per pound, $40c$.

NEEDLES FOR SEWING BURLAP

Best grade, five-inch, large stiff shaft, wide flat shank, sharp point and large eye. Per dozen, postpaid, $60c$.

CORDAGE, TWINES, ETC.

Bale of Wool Twine

WOOL TWINE,

Four Ply—For tying in bunches; in balls of about one pound each, packed in bales of about 110 lbs. each. Per pound, 32c.

WOOL TWINE,

Three-Ply—For bunching small fruits, roses, etc., this is plenty strong, and because of the greater yardage is cheaper than the four-ply. Price, same as four-ply.

Five-Ply Baling Cord

FIVE-PLY BALING CORD

For heavy bales; breaking strength 240 lbs. A new type of baling cord made of Sisal and Jute mixed. On reels of about 50 lbs. Cannot break reels. Price 30c per pound.

BOX LINING PAPER

This season we offer only KRAFT Paper. While it costs more per pound it is most economical because of its greater yardage. Put up in rolls of about 45 to 60 lbs. each; widths 30, 36 and 40 inches. Price, per pound, 13½c.

CLOTH-LINED PAPER

Thirty-six inch width, coated with black Asphalt and lined with muslin. One hundred yards to roll.

Price, (cannot break rolls) per roll----- \$7.00

Kraft Paper.

LABELS

Plain Labels

Printed Labels

PLAIN IRON-WIRED—3 1/2 inches, plain, 1,000 to package; **\$1.15** per 1,000, by freight or express. In 10,000 lots, **\$1.05** per 1,000.

PLAIN COPPER-WIRED—Size same as above, add **25 cents** per 1,000.

PRINTED LABELS—We can furnish nearly every standard variety, but will not sell less than 100 of a kind. These printed labels are copper-wired, 2 1/2-inch notched. Price, **20 cents** per 100, post-paid; **\$1.65** per 1,000, by freight or express.

Label Wire

Large Head Labels

LABEL WIRE—Best quality Copper Label Wire cut 7 inches long. Per pound **\$1.00**.

LABEL WIRE—Best quality Iron Label Wire cut 7 inches long. Per pound **60c**.

LARGE "HEAD" LABELS—Size 5x1 1/8 inches, copper wired, plain. Packed 200 in box. Price, per box **85c**

STRAWBERRY AND FLORISTS' POT LABELS

STRAWBERRY LABELS (Pointed)—Size 3 1/2x7/8, plain (not painted or printed), packed 1,000 to box, slip under strings on bunches of strawberry plants. Also used in small flower pots. Price per box, **80c**.

FLORISTS' POT LABELS (Pointed)—Size 8x7/8, plain (not painted or printed), packed 250 to box. Price, per box, **\$1.10**.

SHEET COPPER PERMANENT LABEL

An indestructible label for use on trees, shrubs, etc., as a **PERMANENT MARKER**. Directions: Lay label on folded newspaper; write with very hard pencil or wire nail, bearing on to indent metal. Give wire one turn around branch, securing end in loop. Remove to smaller branch every two years to prevent cutting wood. Price, per 10, **25c**, postpaid, **28c**; per 50, **\$1.15**, postpaid, **\$1.25**; per 100, **\$2.00**, postpaid, **\$2.15**. (Each box of 100 contains a Stylus.)

BOX STRAPS

STEEL BOX STRAPS—One-inch wide, 9 inches long, thin, soft steel, strong enough to hold the heaviest box. You can drive an ordinary nail through it without punching. About 2,800 pieces in 100 pounds. Less than 50 pounds, per lb., **13c**; 50 pound boxes, per lb., **11c**.

50-lb Box Steel Box Straps

AMES NURSERY SPADE

AMES NURSERY SPADE—D handle, double strapped full length of handle, tapered nursery spade; size of blade, $12\frac{3}{4} \times 7\frac{1}{2} \times 5\frac{1}{2}$; weight, 9 pounds; \$3.25 each, \$36.00 per dozen.

EXTRA SPADE HANDLES—These handles are bent to fit the Ames Nursery Spades above described, and riveted. Price, 60c; \$6.00 per dozen.

SPADING FORK

SPADING-DIGGING FORK—English pattern; fork, shank and strap in one solid piece of steel; the strongest fork we know, a joy to use it; square tines 12 inches long; extra length shank; will outlast a dozen cheap forks. Price, each, \$2.75; per dozen \$30.00

CHASE'S "DIG EZY" HOE

One of the best weeding hoes, especially for closely planted stock, beds, etc. Double riveted, well made, properly balanced. price, each, 90c; per dozen \$9.00

EXTRA HEAVY TROWEL

Solid Steel Shank
and Blade

The best trowel made. Shank of solid steel. No rivets. Will last for life. Price each \$1.25, postpaid \$1.35.

Half-dozen at dozen rate.

BOX MAKER'S HATCHET

Improved

ALL METAL HATCHET—This Box Maker's and All-Purpose Hatchet is a dandy; has checkered face; heavy steel reinforced neck, very strong and just the right weight. Will get lost just as easily as one costing three times the price. Price, each, 75c; per dozen, \$7.25. Postage extra.)

AUTOMATIC TACKING MACHINE

For fastening tags or cards to tree boxes, cars, etc. The slickest little labor saver in our packing house. No hunting for tacks, no finger pricks, fumbling for hammer or lost motion. Just lay it on top of tag or card and tap the knob with palm of hand; a light tap quick as lightning, will tag a box so quickly and easily that

it is a joy to do it. Instead of round headed tacks this little machine automatically staples the tag or card in place. Guaranteed to work on any wood. Money back if not satisfactory; will ship on thirty days' trial to any responsible nurseryman. Machine guaranteed against breakage for three years. Machine, each, \$1.75; staples, per box of 5,000, \$1.50; postage extra.

ALABAMA MULE SKIN MITTENS

MULE SKIN MITTENS—Because of the high price, we cut out Mule Skin Mittens last year and experimented with something cheaper, but have decided that old reliable mule skin is the most economical after all. Nearly as durable as buckskin. Price, per pair, 95c; postpaid, \$1.00; per dozen, \$10.75; postage extra.

THE CHASE TREE GAUGE.

Designed by Herbert Chase. Made from "Sheradised" steel (a new process of treating steel); absolutely rust-proof; both sides marked alike; always right side up; guaranteed accurate to within one-hundredth of an inch; indestructible; easy to read.

Price, any quantity, **50 cents** each, postpaid.

GRAFTING THREAD

Put up in balls and packed 20 balls to the box. A box of twenty balls will wrap about 40,000 average grafts.

Price per ball unwaxed.....\$.12

Price per ball waxed..... .20

Price per box 20 balls unwaxed.. 2.00

Price per box 20 balls waxed..... 3.75

(If mailed, add 2c ball unwaxed and 5c ball waxed.)

The opposite illustration shows a ball of our grafting thread with a pencil run through the hole in the center.

GRAFTING WAX

GRAFTING WAX—for top grafting fruit trees, etc., and fine for applying to cuts after pruning. Prepared ready for use. $\frac{1}{4}$ -lb. cake 15c, postpaid, 18c; $\frac{1}{2}$ -lb. cake, 25c, postpaid, 30c.

RAFFIA

Though high in price we have a fair stock of best quality Raffia. Price, per pound, 45c. Write for price on bale lots.

SPAGNUM MOSS IN BURLAPPED BALES

Fresh stock from Wisconsin; each bale wrapped in burlap. Almost bone dry; weight of bales not guaranteed; size about 10x20x48 inches. Fine for Florists and Strawberry Plant shippers. Price per bale \$2.00.

FUMIGATING CHEMICALS

Cyanide

Sulphuric Acid

SODIUM CYANIDE (Merck & Co.'s 97-99%) Lumps, in original sealed tin packages, 1-lb. cans, **\$1.10**. Cyanide is excluded from the mails, but can be shipped by express or freight.

SULPHURIC AID (Specific Gravity 1.83). Large, glass stoppered bottles, securely packed in cases ready for shipment. 9-lb. bottle, **\$2.75**. Sulphuric Acid cannot be shipped by express, but can be shipped by freight.

NOTE. On the next page you will find complete instructions for fumigating nursery stock.

THE IDEAL NUT CRACKER

Here is a little novelty that is so handy and useful that we have added it to our list of Supplies. The Ideal Nut Cracker operates quickly and easily with no danger of hammered fingers. It keeps the shells from flying all over, and gives you "whole meats." Comes in an attractive box, makes a very welcome Holiday gift. Simply place the nut in the Cracker, place the palm of the hand over nut and turn the handle just enough to crack the shell and there you are.

Price, postpaid, each.....**50c.**

The Ideal Nut Cracker.

DIRECTIONS FOR FUMIGATING NURSERY STOCK HYDROCYANIC ACID GAS

The necessary equipment consists of an air-tight chamber, (box or room), a glazed earthenware vessel, a measuring glass graduated to ounces, and a set of accurate scales. The necessary chemicals are either Cyanide of Potash (98%) or Sodium Cyanide (97-99%) and Sulphuric Acid (specific gravity 1.83). Care should be taken to secure either the 98% Cyanide of Potash or 97-99% Sodium Cyanide, otherwise an insufficient amount of gas would be generated. This chemical must be kept in air-tight containers and so packed will keep indefinitely. It is a deadly poison and should not be left where it will fall into the hands of children or careless persons, and should never be handled by a person having open sores, cuts or bruises on his hands. The gas is colorless and if inhaled in quantity is fatal; smaller amounts induce headache or dizziness.

The best commercial grade of Sulphuric Acid should be used. This acid must be kept in a glass or earthenware vessel tightly stopped with a glass or lead stopper. Be sure that your fumigating box or room is air-tight or gas-proof.

The standard formula for fumigating each 100 cubic feet of space contained in the fumigating house is as follows:

- 1 oz. Cyanide of Potash (98%) or $\frac{3}{4}$ of 1 oz. Sodium Cyanide (97-99%).
- 2 Fluid oz. Sulphuric Acid.
- 4 Fluid oz. Water.

The glazed earthenware vessel should be somewhat larger than is necessary to hold the chemicals. A one or two gallon jar is perhaps the best container.

The trees, as dug and brought from the field, should be placed in the fumigating house, care being taken to see that they are free from any considerable quantities of mud or dirt. The trees should not be fumigated when they are wet, as it has been shown that in this condition they are likely to be injured by the gas. When the compartment is full of stock, close all openings except the door. Place the jar on the floor near the middle of the room, pour in the required amount of water, and then slowly pour in the acid. The cyanide previously weighed and inclosed in a tight paper bag is now dropped into the jar and the operator leaves immediately and closes the door tight. The steps in this operation should never be varied. If water is poured into the acid, a violent action takes place and may be the cause of injury to the operator. Inclosing the cyanide in a paper bag makes it convenient and safe to handle and retards the generation of the gas for a moment after being dropped, thus allowing time to leave the room and close the door securely.

Keep the room closed for forty minutes, at the end of which time the door and windows should be thrown open, care being taken to avoid the outward rush of gas. After fifteen minutes of airing, the room may be safely entered and the stock removed, being now ready for packing or heeling in. After fumigating, the contents of the jar should be buried.

Buy chemicals of your local druggist if you can secure Merck's cyanide in unbroken, original packages, and sulphuric acid that has been kept in a glass-stoppered bottle.

OFFICE SUPPLIES

ORDER BOOKS—The old standard form, size 4¼x10 inches, your name and address printed at top and bottom, 100 orders to the book, on best quality heavy grade paper. Price, per 5 books, **\$3.25**, per 10 books, **\$5.00**. Postage extra. If any change from our regular form there will be an extra charge to cover. Sample sheets mailed free. OFFICE SUPPLIES—Continued.
PLATE BOOKS

We have had some special Plate Books made up, containing varieties of Fruit Trees, Small Fruits, Shrubs, Shade Trees, Hedge Plants and Roses, that are all adapted to the General South. Loose leaf black binding; very easy to take out or insert plates, open at top, showing one plate at the time, contains 100 plates, price, each, (postage extra), **\$5.40.**

ORNAMENTAL PLATE BOOK

Contains 10 plates of staple ornamentals, including house and grounds before planting and after planting. A great help to the salesman. In order to help boost the sale of Ornamentals in the South, particularly, we offer these books at cost. Each, postpaid, **\$1.65.**

WHOLESALE PRICE LIST

SHIPPING TAGS

All Shipping Tags are printed to order. We usually ship second day after receipt of order though when the rush is on we are sometimes unable to do so. This year all tags are furnished unstrung but a bunch of good quality Tag String cut to the right length is included with each lot. NO ORDER FOR LESS THAN 500 WILL BE ACCEPTED.

Tags of Extra Quality, Waterproof with Reinforced Brass Bound Eyelet.

		Per 500	Per 1000
Size No. 5	2½x4¾ inches, printed on one side.....	\$3.10	\$5.00
	Printed on two sides.....	3.75	5.75
Size No. 7	27⁄8x5¾ inches, printed on one side.....	3.50	5.75
	Printed on two sides.....	4.15	6.50
Size No. 8	3½x6¾ inches, printed on one side.....	4.00	6.15
	Printed on two sides.....	4.65	6.90

Note the large size (No. 8). This tag has plenty of room for address and Inspection Certificate on one side without crowding.

Always send copy showing how tags are to be printed. Samples on request.

NOTE—The No. 5 Tag is too small for Inspection Certificate. The No. 7 is too crowded if Inspection Certificate and address is used on one side. The No. 8 size is the best where Certificate is to be printed on the address side.

IF YOUR JOB CALLS FOR AN UNUSUAL AMOUNT OF TYPESETTING THERE WILL BE AN EXTRA CHARGE TO COVER.

Certificate and Fumigation

Entomologist's Certificate of Inspection will accompany all shipments unless we are otherwise instructed.

Where State laws do not require certificates we can ship under plain tag if desired.

We are prepared to fumigate with Hydrocyanic Acid Gas, and will do so when requested, or where State laws require it.
