How to make out your order for Gove Gladiolus

. . . to get all you're entitled to

ON ORDER FORM write or type clearly and completely, mail as early as possible, preferably with payment in full.

PUT DOWN AN ENTRY from price list in each of the columns on order blank for each variety. (It helps us if you separate retail items from quantity items.)

OUR POLICY ON EXTRAS AND COUNT: On quantity orders we put in 5% extra count. On retail items tell us if you prefer extra count or other extras.

We put in some extras on all orders of \$3 or more except on collections. These are big value as is. No discount on collections except the 10% for fall orders.

PAYMENT: Orders fully paid in advance save us time and expense and so earn most extras for you. But we'll ship retail orders C.O.D. if you wish, provided you send deposit of at least \$1 with order or 25% on orders of \$4.00 or more. Of course you also pay C.O.D. fee to postman on delivery, plus balance due on order. You save C.O.D. costs by paying in advance.

MINIMUM ORDER: We appreciate your courtesy in sending orders totaling \$3.00 or more, because smaller orders cost so much to handle they eat up all the profit. It also helps very much if no single

entry for a variety is less than 25c except in a few cases where priced lower. We cannot accept orders for 10 or 15 cent items.

SHIPPING CHARGES: Items ordered at RETAIL are shipped at our expense anywhere in the U. S. Items ordered at quantity prices are shipped at **YOUR** expense. If order has both retail and quantity items, we ship at your expense but put in extras to make up for postage we don't have to pay (but if you prefer we **can** ship retail separate from quantity). See order blank for free bulbs if **you pay postage** on retail orders.

ACKNOWLEDGMENT OF ORDERS: We acknowledge each order by card or invoice promptly with an order number. **KEEP** it for future reference, and if you need to write us **PLEASE BE SURE** to give order number.

AIR MAIL: From a distance air mail may save you several days in getting bulbs. **But don't send** special delivery; we get regular mail faster.

ORDER EARLY: Though we have perhaps the largest assortment of glads anywhere in the world, we always sell out on some varieties. To be sure of getting your favorites, and of earning the 10% discount on paid bulb orders of \$6.00 or more, mail order by Dec. 31, 1961.

For Christmas

Let us help you with your Christmas gifts. For a garden-
ing friend what would please him or her more than a
gift of bulbs. We send a beautiful card announcing the gift and then send the bulbs
later. Or we can send a gift certificate for the recipient to order from the catalog
later. In this way he can select just what he wants.

When the bulbs bloom they will be a pleasant reminder of you.

Or **Maple Syrup** is a grand gift. Everyone likes Maple Syrup but few have
tasted the real Fancy grade that we sell. This grade is not usually sold as very little
is made.

Also Maple Candy or Sugar as listed with the syrup on page 18.

75-CENT LONG SEASON SPECIALS

To have blooms of a certain variety over a long period I want to especially recommend the following collections. These consist of various sizes of bulbs of each variety. There are usually one or more large bulbs, some medium and some small. If you are not in the habit of buying medium or small bulbs you will be amazed at the fine blooms you will get from these. And if there is a particular variety that you especially like you can have blooms of this variety over a much longer period than you could if you planted all one size. I can't give you the exact number of bulbs that you will receive in each lot because the varieties vary somewhat in price but you may be assured that you will get big value. **LEAVE IT TO ME.** We put in more medium and small than large bulbs. **DON'T ASK ME HOW MANY BULBS THERE ARE IN EACH SET. THEY VARY ACCORDING TO THE PRICE OF THE VARIETY. WE GIVE VERY GOOD VALUE:**

REMEMBER EACH 75-CENT SPECIAL IS ONLY ONE VARIETY AND NOT AN ASSORTMENT OF SEVERAL VARIETIES OR OF ALL OF THEM. Each special consists of various sizes of just **ONE VARIETY.** Select as many as you wish. But remember they are 75 cents for each one. Any **FIVE** lots for **\$3.50.** Any **TEN** lots for **\$6.50** or any **FIFTEEN** for **\$9.00.** If you buy several lots I will put in something good for you to try out.

LABELS

Everyone who grows bulbs under name will want labels. There are many different kinds on the market but I think the best cheap label is a painted wooden one. However, the wooden labels, really should have a coat of varnish after the name is written, otherwise the paint will in time weather off taking the name with it.

Prices are as follows, and subject to change without notice.

WIRED TREE LABELS. $3\frac{1}{2}$ x $\frac{5}{8}$ inch copper wired. 50 for 60 cents. \$1.20 per 100 and 500 for \$5.50. 1,000 for \$9.00.

GARDEN LABELS

6 x $\frac{5}{8}$ " Same price as tree labels.

8 x $\frac{7}{8}$ " 25 for 70 cts, 100 for \$2.20

Special Collections and Sets

UNLABELED COLLECTIONS

The following collections are just the thing for those who don't care to keep the names of the varieties separate, but do want a nice garden of glads. I sell thousands of these collections every year and have a great many fine reports on them. If these bulbs were sold separately under name they would cost several times the price asked as collections. **No extras on collections except as noted.** They are very big value as is. Shipped prepaid.

In spite of continually rising costs I have not raised prices of collections for several years. But this year due to the raise in postal rates and to our bulbs being heavier than usual I have had to raise the prices of the #1 and 1A collections below.

STAR COLLECTION No. 1. 100 assorted large bulbs (1¼ inch up) in about 40 varieties in many different shades and colors. I have sold this collection for years and have thousands of very well pleased customers. I **POSITIVELY GUARANTEE THAT THERE IS NOT A BETTER COLLECTION SOLD BY ANY GROWER IN THE COUNTRY FOR ANYWHERE NEAR THE PRICE.** The collection varies from year to year but always contains a great variety of colors and many fine varieties. I get many repeat orders every year from well pleased customers. **100 for \$6.50, with 50 at the same rate, 30 for \$2.20.** With each 100 bulbs of this collection I will put in FREE 1 bulb of some other fine variety of my selection, labeled worth at least **\$1.00.**

STAR COLLECTION No. 1A. SAME COLLECTION IN MEDIUM SIZE BULBS. 100
bulbs for \$4.50, 50 for \$2.25. With 100 bulbs will give a free bulb as in Star Collection No. 1.

The above two are our biggest bargains. The price has not been raised in years. They are made up mostly from varieties selling for \$1.30 and .85c per 10 and others of that value with some worth even more if sold under name.

STAR COLLECTION No. 1B. Small bulbs. I have not had this collection for several years and I don't expect to list it again. But this fall I have a swell lot of small bulbs in a great variety of color and form. We do not guarantee every one of these bulbs to bloom this coming year but most of them should and they will make fine large bulbs for next season. **This** is the size that we growers plant and our fields are a mass of bloom. These little bulbs will greatly surprise you with their beautiful bloom. **100 for \$2.75**—no split collection orders. 100 or multiples of 100. **200 for \$5.00.** Many fine varieties in this collection. **500 for \$10. 1000 for \$17.50**—Large number of varieties.

DE LUXE COLLECTION No. 3. 40 or more varieties, many of them being exhibition sorts and worth several times the price asked. Real aristocrats in gladiolus. **100 for \$12.00, 50 for \$6.00, 25 for \$3.00.**

DARK-COLORED COLLECTION No. 5. Here is a new unlabeled collection that will appeal to many people. It contains no white or light colors. Most people have too many light ones in proportion to dark colors. Hence this offering. It contains some high priced varieties worth several times the cost of them here. About 40 varieties in a collection.

100 for \$10.00 50 for \$5.00 25 for \$3.00

DARK-COLORED COLLECTION No. 5A. Medium size. The same as No. 5 collection but may contain even more varieties than the No. 5.

100 for \$6.00 50 for \$3.00 25 for \$1.75

SUPER-DUPER COLLECTION No. 7. This is the last word in an unlabeled collection. It contains bulbs worth as much as \$1.00-\$2.00 each. Some of the very newest and a well rounded assortment as to color and form.

100 for \$25.00 50 for \$12.50 25 for \$7.50

NONE OF THE ABOVE COLLECTIONS ARE LABELED AS TO VARIETIES. Don't ask us to give you the names of the varieties in the collections as we positively do not do it at these prices. If you want them labeled, buy them under name. I guarantee the collections to be the best you can buy for the price. **There are no extras on these collections except as noted.**

"The **Mystery Rose** you sent to me was one of the first to bloom and without doubt the most beautiful thing I've ever seen."
—Mrs. V. Barr, California

"The flowers from my spring order were wonderful—I really should charge you for the free advertising you get from them!"

Peonies

This picture shows the type of growth of the Lin's Peonies

If you do not grow peonies you should. They are about fool proof, need little care and will bloom for many years without replanting.

These I am offering are not the cheap run of the mill kinds but just the best to be had from Mr. Lins, one of the leading breeders. At the Minneapolis Show in 1958 the Grand Champ was **Gardenia** and several of the color champs were from Mr. Lins' garden.

Mr. Lins' peonies are noted for their strong stems that hold the blooms erect.

Peonies are not suitable for the far South as they have to freeze in the winter.

Send your orders at once so the roots can get established this fall.

BLUE ROSE A large full double, deep rose, which carries more blue than any other peony we know of. Is sweetly rose fragrant. Stems are willowy, not as stiff as some other Lins varieties, but about like stems of Old Lace. Color, size and fragrance impels those who see it, to want it. **\$10.00 each.**

BURMA Large brilliant deep double red. Mid-season. Has good form, heavy substance and strong stems. Has won many blue ribbons and show championships during the past several years. Before being fully established it will produce some blooms not full double. **\$3.95.**

CASABLANCA Giant fully double white with good form, substance and strong stems. An adventure in peony growing. Late mid-season. **\$4.95.**

DOLORADEL Giant well formed fully double rich vivid pink with heavy stems. Foliage way to ground. Late mid-season. Wonderful variety. **\$4.95.**

ENSIGN MORIARTY Giant full double dark pink with heavy stems and fine form. Has been champ dark pink at many shows. Always scarce. **\$4.95.**

FESTIVAL QUEEN Double yellow with white collar and crown. Tall plant, fine low down foliage. Free bloomer. **\$4.95.**

GARDENIA One of the most beautiful peonies. Strong plant foliaged way down, loaded with large beautifully formed blooms. Blush opened inside, white opened outdoors. Good every year. Early mid-season. **\$3.95.**

KING MIDAS A perfectly formed fully double medium sized brilliant red edged with gold. A model of perfection. **\$3.95.**

MARY L (Lins) A large high built double white. Some blooms have a touch of red on top petals. Stems are strong. Blooms late mid-season. **AMERICAN HOME ACHIEVEMENT MEDAL WINNER. \$3.95.**

OLD LACE Very large fully double flat bloom. Opens flesh but changes to ivory in the sun. 8 inch blooms on long willow stems. **\$3.95.**

PAUL BUNYAN (Lins 1957) When we get to Paul Bunyan, we get to the heart of the peony kingdom. A very large full double, well formed, deep flame rose which looks like a giant rose in form and beauty. The outer rows of petals are large. These large petals help hold its good form. Experts proclaim Paul Bunyan one of the best new peonies. Was first shown in 1955 and then was awarded the **AMERICAN HOME ACHIEVEMENT MEDAL**. First stock was released in 1957. A peony, even the most critical will be proud to have in their collection. Stock limited. Paul Bunyan was Champion Dark Pink in 1959. This is a super duper beautiful large peony. **\$20.00.**

Pansies - Oregon Giants

Why not grow some pansies. They are liked by everyone. They will give more garden pleasure for the money and time invested than most any other flower I can think of. Pansies start blooming in very early spring and continue till really hot weather and with some shade will bloom all summer. The colors of this **ELLIS** strain which I carry are very beautiful and up to 4 inches and over in size.

The **ELLIS** strain is the best I have found and cheaper than some others. Our beds are a mass of bloom every fall till really cold weather sets in. In the north we start them in July and August and in the greenhouse in winter. Farther south you can start them most anytime.

There is good money raising the plants for sale as they sell like hot cakes as soon as they start blooming. We can ship seed immediately at any time. **Pkt. of 500 or more seeds with growing instructions \$1.00 - 1/2 oz. \$6.00 - 1 oz. \$12.00. Supply limited this year so order early.**

"Out of the seed I purchased of you we had hundreds of the loveliest giant pansies. On my wife's dressing table there are two in full bloom brought from the yard a few days ago. My glads were the best this past summer I ever had."

—Joe H. Davidson, Indiana

"Your **pansies** are the greatest! They sell themselves! For four years, I've had amazing plants."

—Harold A. Balint, New York

MARTINDALE PROTECTIVE MASKS

In cleaning bulbs there is always more or less dust which rises which to many people is very annoying. Some people can't work around the old bulbs at all because of this dust. To help such people I am offering the Martindale mask which is the simplest and cheapest mask of the sort that I have seen. Anyone who is at all bothered with the dust from bulbs or dust or fumes from anything else should certainly have one of these masks.

Price 75c prepaid; No. 1 refills, standard weight, per package of 25, 60c; No. 2 refills, double weight, package of 25, 75c.

JIFFY-POTS

If you have any potting to do here is a must. These wonderful new pots from Norway are made of 75% peat and 25% wood fibre, to which soluble fertilizers have been added. Roots grow thru the pots permitting repotting into larger pots or to the field just as they are without disturbing the plant. Just the thing for starting those new, high priced bulbets. Start the plants in the pots and then at planting time put them out pots and all.

Some of the largest florists in the country use them and say that besides giving better growth of the plants that they save immensely in labor.

They are **inexpensive, light weight, long lasting, provide good root aeration, need less**

water and save time. The growth is 50% faster than in clay pots.

2¼ inch—25 for \$1.25, 100 for \$3.50, 1000 for \$25.00. All prepaid.

Quicky Pots 3 inch—25 for \$1.75, 100 for \$5.00, 1000 for \$35.00. All prepaid. The 3 inch are much heavier than the 2¼ inch.
