For Your Information

To those who are not acquainted with our firm, would say that this business was established in 1870 by D. S. Lake.

We are located in Southwestern Iowa, fifty miles southeast of Omaha, Nebraska. The soil here is especially adapted to the growing of a general line of nursery stock. The railroad facilities are excellent. We are on the Wabash, Chicago, Burlington & Quincy, and Keokuk & Western railroads. We take pleasure in showing visitors over our grounds at any time.

TERMS OF SALE

SHIPPING—With the exception of Evergreens and some heavy shade trees we are in position to ship assorted orders all thru the winter, and can as a rule get refrigerator service, altho we do not guarantee this. Can begin to dig trees in this latitude usually about March 10. Parties ordering goods should indicate whether they wish them sent by freight, express or parcel post, also route. In the absence of these instructions, we forward them to the best of our judgment, but in no case will we assume responsibility after consignment to purchaser. When losses occur by delays or other causes of whatever nature while goods are in transit, make claim AT ONCE on the forwarding companies. All shipments travel at the risk and cost of the purchaser.

TERMS—Cash or security before shipment of goods, except with established firms, when, if unknown to us, satisfactory references will be required before goods are forwarded. Orders to be sent C. O. D. should be accompanied by one-fourth cash.

PRICES—Are limited to Spring 1926 and supersede all previous lists and are subject to change without notice.

CAUTION—We accept all orders upon condition that they shall be void should any injury befall stock from frost, fire, hail storms or other causes over which we have no control.

CLAIMS—For any cause we will receive consideration only when made within ten days after the arrival of goods. In no case will we entertain claims made after the goods have been once accepted.

PACKING—Prices contained herein are net; cost of boxing and baling will be added. No charge is made for loading bulk cars.

GRADES—We grade carefully; in some cases by caliper, in others by height. When graded by both caliper and height, the caliper must govern.

CERTIFICATE OF INSPECTION—Will be furnished with each shipment.

GUARANTEE OF GENUINENESS—If any nursery stock, etc., proves untrue to description under which it was sold, we hold ourselves in readiness on proper proof, to replace all such nursery stock, etc., that may prove otherwise, or refund the amount paid, but we shall in no case be liable for any sum greater than the amount originally received for said nursery stock.
