TERMS AND CONDITIONS OF SALE

All sales and contracts are made subject to crop losses, or thru other causes over which we have no control.

PRICES—Named in this list cancel all previous lists and are subject to change without notice. All prices are net and not subject to any discount unless previously agreed upon.

We will gladly quote special prices on items wanted in larger quantities than listed.

TERMS—We offer the usual terms to those of established credit, or whose responsibility is known to us. Cash, security or satisfactory reference, is required from unknown parties. Orders to be sent C. O. D. should be accompanied by one-fourth cash.

SHIPPING—We request customers to give definite shipping instructions regarding manner in which they wish goods shipped. In the absence of special instructions, we use our best judgment, but without assuming responsibility. All shipments travel at risk and expense of purchaser.

TRUCK DELIVERY—Freight Trucks leave our Packing Cellar Daily, to many points in Iowa, Nebraska, Kansas and Missouri. These trucks make proper connections and transfers for shipments going to further points.

Rates for this kind of delivery are on a level with local freight rates and in many cases, for heavy and full loads, lower.

If interested in this kind of delivery please write us in this connection. NOTE: Some customers prefer to employ their own trucks for this purpose. This arrangement is very satisfactory. It means a saving to the customer — eliminating handling and packing costs.

If you do prefer to send your own truck, we will appreciate two or three days advance notice — giving us ample time to have your stock ready for loading.

PACKING—All cost of packing is additional to prices quoted. Bales will be charged for at actual cost of material and labor used; boxes at rates noted below:

CLAIMS—FOR ANY CAUSE MUST BE MADE PROMPTLY UPON RECEIPT OF GOODS. WE WILL NOT ENTERTAIN CLAIMS AFTER GOODS HAVE BEEN ONCE ACCEPTED, OR WHEN REPORT IS NOT MADE WITHIN TEN DAYS AFTER ARRIVAL OF STOCK.

INSPECTION AND FUMIGATION—Certificate of inspection is furnished with each shipment, and stock will be fumigated when required.

GUARANTEE—WE GIVE NO WARRANTY, EXPRESSED OR IMPLIED, AS TO LIFE, DESCRIPTION, QUALITY, PRODUCTIVENESS, OR ANY OTHER MATTER OF ANY NURSERY STOCK, SEEDS OR PLANTS THAT WE SELL. IT IS MUTUALLY AGREED THAT OUR TOTAL LIABILITY FOR ANY ERRORS, SHOULD STOCK PROVE UNTRUE TO NAME AS LABELLED, SHALL BE LIMITED, UPON SATISFACTORY PROOF, TO OUR REPLACING FREE OR REFUNDING PURCHASE PRICE.

LOCATION—We are located fifty miles southeast of Omaha, Nebraska. To those traveling by automobile, you can come through by paving direct to Shenandoah on Routes No. 3 and 4. Visitors are always welcome, and will gladly be taken over the nursery at any time.

Yours respectfully,

THE SHENANDOAH NURSERIES
