Wholesale Only—No Retail Sales

Members of National and State
Nursery Associations

POLICY—

Our policy is to furnish stock fully graded and properly named. Any deviation from this plan will be accidental and we assume no responsibility greater than the invoice amount of the stock involved.

TERMS—

ALL SALES ARE STRICTLY CASH with the one exception to those whose credit has been established in past years. Nursery supplies are cash to everyone alike. Open account sales 2%—10. Net 30 days.

TAGGING AND CHECKING: An extra charge of 10% will be made when customers select their plants in the fields or if we tag nursery stock for our customers for any reason. Increased labor costs make this move necessary.

We trust you BUT all customer-selected plants, as well as regular orders, are liable to careful grade stock check in the Packing House. If discrepancies are found, they will be corrected and the necessary changes made in the billing.

CLAIMS—

Our responsibility for condition of plants being shipped ends when we make delivery in good order to the transporting companies. Damages inflicted thereafter are to be taken up with the carrier. We will assist when we can help in settling such problems.

Claims for quality of stock must be made within 10 days after date of invoice. LATE CLAIMS WILL NOT BE CONSIDERED.

PACKING CHARGES AND TRUCK DELIVERIES—

Baling, boxing or crating for local freight or express shipments will be charged at cost. No charges are made for bulk truck or car loading.

Deliveries to customers in Dallas on invoices of \$50 or over will be made on our truck at F.O.B. Dallas Warehouse prices.

To other destinations where two or more orders are delivered in the same load each customer will be charged proportionately as to mileage and size of his order.

DELIVERY CHARGES PAYABLE AT TIME OF DELIVERY.

ORDERS—

All orders are accepted with the understanding that we are not to be held liable in event of accident, extremities of weather or other causes beyond our control.

Prices herein cancel all previous listings. We reserve the right to alter prices at any time.

10% DISCOUNT FOR CASH

ALL PLANTS ARE BALLED AND BURLAPPED WHERE WEIGHT IS SHOWN. WITHOUT WEIGHT THEY ARE BAREROOT.

ARBORVITAE

BONITA, BAKER, BLUESPIRE GOLDEN BONITA,

5-6 feet	160	2.75	3.00

KIYONO JUNIPER - ARIZONA CYPRESS
One Gallon Cans

CONTAINER GROWN STOCK

The introduction of Container Grown or Canned Plants is relatively new in our Southwest areas. Nevertheless, its rapid acceptance by the Nursery trade and general public proves its practical value.

Canned Plants are helping in a large way to make the landscape business a year 'round enterprise, rather than seasonal as heretofore. Canned Plants are taking the summer slump out of salesyard receipts. An attractive display of plants throughout the summer will pay for the operation of a retail yard and bring profit to the owner as well.

Plants growing in cans may be harvested in any kind of weather. A truck may be loaded without advance notice of arrival, and the stock moves without loss.

Cedrus deodara.....DEODAR CEDAR

Silvery blue, soft textured spruce or fir-like tree. Very graceful and different. Not hardy in Kansas or Missouri and north.

	Weight	10 or More F.O.B. Nursery	F.O.B. Dallas Less than 10 at Nursery
1 gallon, 18 inch	8	\$.60	\$.65

Cupressus arizonica.....ARIZONA CYPRESS

Pyramidal growing conifer. Rather slender in shape and has silvery light blue foliage. A fast grower. A good seller on the sales yard. 25 feet.

Liners, 2½ inch pots (Grafts)		\$.50	\$.50
1 gallon, 18-24 inch.....	8	1.10	1.20
18-24 inch	30	1.40	1.55
2-3 feet	40	1.65	1.80
3-4 feet	70	2.20	2.40
4-5 feet	110	2.75	3.00
5-6 feet	110	3.30	3.60

Taxodium distichum fastigiatumBALD CYPRESS

Delicate fern-like foliage on large growing tree. Very ornamental.

5 gallon, 4-5 feet	35	\$1.60	\$1.85
--------------------------	----	--------	--------

JUNIPERS**Juniperus chinensis mascula.....PYRAMIDAL JUNIPER**

A very fine type of upright fancy light green juniper.

2½ inch pots, Liners		\$.18	\$.18
----------------------------	--	--------	--------

Juniperus chinensis pfitzeriana.....PFITZER JUNIPER

Our field plants are well developed, full bodied, high crowned stock due to heavy shearing.

Liners, 2½ inch pots		\$.20	\$.20
1 gallon, 10-12 inch	8	.70	.75
5 gallon, 18-24 inch	35	1.95	2.10
15-18 inch	22	1.85	1.95
18-24 inch	30	2.50	2.75
24-30 inch	40	3.05	3.30

**Juniperus chinensis pfitzeriana blue.....BLUE
PFITZER JUNIPER**

Same habits of growth as regular Pfitzer except for distinctive blue color. Little more compact grower and just as hardy.

1 gallon, 12 inch	8	\$.75	\$.80
-------------------------	---	--------	--------

Juniperus chinensis sylvestris.....SYLVESTER JUNIPER

Its special attraction is its soft green two types of foliage and thickly covered irregular side branches. 25 feet.

Liners, 2½ inch pots		\$.20	\$.20
1 gallon, 15-18 inch	8	.65	.70
5 gallon, 30-36 inch	35	1.40	1.50
24-30 inch	30	1.65	1.80
30-36 inch	40	1.85	2.00
36-42 inch	70	2.05	2.20

SYLVESTRIS JUNIPER—An excellent upright and hardy plant with plenty of character. Good in Arkansas, Missouri, Oklahoma, Tennessee, and Gulf coast areas from Texas east to Atlantic. Our stock has been sheared frequently and are worth every penny asked for them.

Juniperus communis ashfordi.....ASHFORD JUNIPER

A fast growing plant, most useful in hedging because of its compactness, and straight sides. Also, its inexpensiveness makes it very useful for competitive real estate plantings. 10 feet.

18-24 inch	30	\$1.00	\$1.10
2-3 feet	40	1.40	1.50

**CASH CUSTOMERS FAVORED WITH
10% DISCOUNT**

JACK (TONY) VERHALEN, MANAGER OF CAN NURSERY PRODUCTION, - GREEKS IN FOREGROUND, 15,000 PFIZERS IN BACKGROUND

Laurocerasus caroliniana.....CHERRY LAUREL

Since this plant is subject to loss of foliage when transplanted, container grown stock is all the more desirable. Our field plants are young and have been root pruned so they should transplant with less difficulty than the average. This is an exceptionally good plant for hedge work. It responds to shearing as well as any. 12 feet.

HUME HOLLY AND MAGNOLIA LINERS

Percentage and uniformity of growth makes potted liners the best buy.

Mahonia bealei.....LEATHERLEAF MAHONIA

This plant is most desirable because it fills so well the need for shaded areas. It thrives in shade but will take some sun if for a short period of time during the day, preferably in the morning. Large shiny, gray-green leaves with spines make this plant unusually appealing. Also, large clusters of yellow flowers followed by blue grape-like seed pods add to its sales appeal. 3 feet.

1 gallon	8	\$.70	\$.75
5 gallon	35	1.75	1.95

**Myrica cerifera.....SOUTHERN WAXMYRTLE
BAYBERRY**

Leaves spicily fragrant. Bears blue Cedar-like berries on trunk and base of branches which, with its shiny leaves and spiciness, make it very useful and attractive. A hardy evergreen which will survive Missouri cold, west Texas' heat and east Texas' wet and humid conditions. 10 feet.

1 gallon, 12-18 inch	8	\$.55	\$.60
5 gallon, 30-36 inch	35	1.65	1.80

Nandina domestica.....NANDINA

This cane-like shrub with its small dainty and light green summer foliage is an accepted "must" with gardeners because of the gorgeous leaf coloring in the fall and immense cluster of red berries which are retained throughout the winter. 8 feet.
