READ TERMS OF SALE BEFORE ORDERING

To those who are not acquainted with our firm, would say that this business was established in 1870 by D. S. Lake.

We are located in Southwestern Iowa, fifty miles southeast of Omaha, Nebraska. The soil here is especially adapted to the growing of a general line of nursery stock. The railroad facilities are excellent. We are on the Wabash, Chicago, Burlington and Quincy, and Keokuk and Western railroads. We take pleasure in showing visitors over our grounds at any time.

TERMS OF SALE

SHIPPING—With the exception of Evergreens and some heavy shade trees we are in position to ship assorted orders all through the winter, and can as a rule get refrigerator service, although we do not guarantee this. Can begin to dig trees in this latitude usually about March 10. Parties ordering goods should indicate whether they wish them sent by freight, express, or parcel post, also route. In the absence of these instructions, we forward them to the best of our judgment, but in no case will we assume responsibility after consignment to purchaser. When losses occur by delays or other causes of whatever nature while goods are in transit, make claim AT ONCE on the forwarding companies. All shipments travel at the risk and cost of the purchaser.

TERMS—Cash or security before shipment of goods, except with established firms, when, if unknown to us, satisfactory references will be required before goods are forwarded. Orders to be sent C. O. D. should be accompanied by one-fourth cash.

PRICES—Are limited to Spring 1928 and supersede all previous lists and are subject to change without notice. On amounts 25 and over, apply 100 rate. On amounts 250 and over apply 1000 rate.

CAUTION—We accept all orders upon condition that they shall be void should any injury befall stock from frost, fire, hail storms, or other causes over which we have no control.

SUBSTITUTION—If you wish us to substitute in case we are sold short of any variety ordered, please so state, as we do not substitute unless requested to do so.

CLAIMS—FOR ANY CAUSE WILL RECEIVE CONSIDERATION ONLY WHEN MADE WITHIN TEN DAYS AFTER THE ARRIVAL OF GOODS. IN NO CASE WILL WE ENTERTAIN CLAIMS MADE AFTER THE GOODS HAVE BEEN ACCEPTED.

PACKING—Prices contained herein are net; cost of boxing and baling will be added. No charge is made for loading bulk cars.

GRADES—We grade carefully; in some cases by caliper, in others by height. When graded by both caliper and height, the caliper must govern.

CERTIFICATE OF INSPECTION—Will be furnished with each shipment.

GARANTEE OF GENUINENESS—IF ANY NURSERY STOCK, ETC., PROVES UNTRUE TO DESCRIPTION UNDER WHICH IT IS SOLD, WE HOLD OURSELVES IN READINESS ON PROPER PROOF, TO REPLACE ALL SUCH NURSERY STOCK, ETC., THAT MAY PROVE OTHERWISE, OR REFUND THE AMOUNT PAID, BUT WE SHALL IN NO CASE BE LIABLE FOR ANY SUM GREATER THAN THE AMOUNT ORIGINALLY RECEIVED FOR SAID NURSERY STOCK.

FRUIT TREE STOCKS—AMERICAN GROWN

We are now grading our Seedlings and can make prompt shipment. Order from us and get Seedlings that are vigorous, healthy, well matured and graded right. Our seedlings will please you.

We are constantly trying to improve our methods in producing Seedlings that will please the trade. Our satisfied customers prove to us that our Seedlings, well cultivated during the growing season, sprayed constantly and left in the ground until thoroughly matured, are well worth all of our efforts.

In addition to our usual supply of Kansas Seedlings grown in the rich soil of the Kaw Valley, we are in position to also furnish Seedlings grown in the Yakima Valley of Washington.

By having your orders early, we are often able to include them in combination cars that we are shipping out to different points during the winter and early Spring months. This means a saving in freight to you. We are pleased to offer you:

FRUIT TREE STOCKS—FRENCH GROWN

Our French Stocks come from the best growers in France. The loss that occurs in these long shipments does not effect our customers. We regrade our Seedlings at Shenandoah and guarantee them to be in good condition and up to grade when delivered to the forwarding agents. An important point for customers to remember is that we take all the risk of transportation and pay all charges from France to this place.

All Seedlings shipped from Shenandoah have been carefully inspected by a government inspector who is stationed here most of the winter.
