Mazzard and Mahaleb Cherry Seedlings

We have at San Jose, California, 5 boxes of Mazzard seedlings, 2 to 3 mm grade. Each box contains 5,000 seedlings. We price these at \$40.00 per box, F. O. B. San Jose, no charge for boxing. Terms, cash with order or one-fourth cash, balance C. O. D.

In planning your plant this season, please remember that cherry seedlings will be hard to get next year. If you want a heavier grade, we can supply them from Shenandoah.

We have in Oregon some very nice Mahaleb seedlings. There is a growing demand for cherry trees on Mahaleb roots, especially for certain varieties and certain localities. Terms as above, prices net at shipping point in Oregon.

“ 3 to 5 mm	-----	7.50 per 1000

Please send all orders to the Shenandoah Nurseries, Shenandoah, Ia.
