CANANDAIGUA NURSERIES,

CANANDAIGUA, N. Y.

F. L. PERRY'S

WHOLESALE PRICE LIST FOR SPRING '72.

*Soil a strong limestone clay, high and dry. The very best for the production of
Healthy, Vigorous Trees.*

I am making a specialty of Pear Trees, and would assure those wishing to purchase that it would be difficult to find *better* trees, or those *offered* at a lower price, *quality* considered.

Of the many thousand sent out last season, I am pleased to say *not* one of my customers *found fault*, but the following is a sample of the letters received :

PLATTSBURG, June 8th, 1871.

DEAR SIR :—Enclosed find draft on N. Y., for balance of your account. How is your stock of Pear Trees this season. Can I buy a thousand such trees as those you sent me last fall and this spring? Better trees cannot be had. I must commend you for your promptness. I never before received stock in so short a time from any other house.

I remain truly yours,

WM. H. BAILEY.

BELLEFONT, Center Co., Pa., Nov. 12, 1871.

DEAR SIR :—The trees you sent me have arrived in fine condition. I have bought a great many good trees in Northern New York, but yours are the best I have ever received, and I shall recommend the Canandaigua Nurseries to my friends.

Yours, truly,

WM. B. ECKLEY.

MORRIS, Ill., Nov. 13, 1871.

DEAR SIR :—The trees came in excellent order, and are satisfactory. I never received a lot of Pear Trees with as good roots.

Yours, very truly,

C. B. GALUSHA,

Secretary Ill. State Horticultural Society.

Trees are dug and packed in the most careful manner, for which I charge NOTHING, although it costs me from \$1.00 to \$1.50 per 100 to pack the trees. *Don't forget this fact*, as it makes the price so much less as compared with others when they charge for packing.

TERMS—CASH WITH ORDERS FROM UNKNOWN PARTIES.
