GLENWOOD NURSERIES.

WILLIAM H. MOON,

MORRISVILLE, BUCKS COUNTY, PENNSYLVANIA.

NOTICE TO PURCHASERS.

We take pleasure in presenting herewith our Wholesale Trade List for the Autumn of 1887, and invite the attention of Nurserymen, Florists and Dealers thereto. The stock offered this season is unusually fine.

LOCATION—GLENWOOD NURSERIES are situated near Morrisville, Pa. They are also one mile from Trenton, N. J., thirty miles from Philadelphia and sixty miles from New York, and are accessible by either the Pennsylvania Railroad or the New York and Philadelphia (Bound Brook route. Carriages can always be obtained at the depots in Trenton. Yardley Station, on the Bound Brook Railroad, is about two miles distant.

TERMS—Net cash, unless by special agreement.

REMITTANCES can be made by draft, registered letter or post-office money order on TRENTON, N. J., or we will forward by express, with bill to be paid, with cost of collection, on delivery.

SHIPPING FACILITIES—We can forward West via Pennsylvania Railroad, with through freight rates from Trenton, N. J., without change of cars; North, via Lehigh Valley Railroad and Erie Dispatch; and South and East, by rail or steamship lines from Philadelphia or New York. We can obtain very liberal railroad rates, as there is considerable competition from Trenton, N. J.

Purchasers are requested to name the mode of conveyance by which they desire their shipments, otherwise we will forward to the best of our judgment. After delivering to the forwarders, all articles are entirely at the risk of the purchaser; and should any loss or delay occur, the forwarders alone must be held responsible.

CLAIMS—All claims for errors must be made upon receipt of stock. We desire to be informed at once of any errors that may occur, in order to rectify the same without delay.

FRUIT DEPARTMENT.

NOTE.—In filling orders at the prices annexed, we will consult the wishes of customers as far as practicable in the selection of varieties.
