TO THE TRADE.

OUR stock for fall will be large and very complete. It is making a fine growth and promises to be fully up to our usually high standard. The growing of apples is our specialty. Our trees are all strictly two years old, smooth, thrifty, well grown and will be finely rooted. The great extent of our plant enables us to give the very lowest possible prices to the trade. Apples consist largely of Ben Davis, Jonathan, Wine Sap, Mo. Pippin, Roman Beauty, Willow Twig, Huntsman, and many others of which makes a complete assortment of summer, fall and winter varieties.

Our Cherry, although not as large a supply as some years, are largely one year old, in excellent assortment and promising finely.

We have a large stock of extra fine one year American and European Plums and Apricots on Russian Apricot roots.

Of the following we have a large and promising stock: Apples, Peach, Apricots, Plums, Quinces, Forest Tree Seedlings, Hedge Plants, Shade Trees (ranging from 5 to 15 ft.) consisting of Carolina Poplars, Catalpas, Ash and Maples.

Our Ornamental department is fully stocked with a general assortment of ornamental shrubs, vines and roses.

If you contemplate placing your order soon, do not fail to submit a list of your wants to us for prices as we are making special inducements for early orders. Under no condition place your order elsewhere before getting our prices

Don't fail to write for prices on Russian Apricot and Peach Pits.
