Special rates given on large orders.*

SECOND—In furnishing assortments of Fruit Trees, as well as Ornamental Trees, Shrubs and Plants, at the prices in this Catalogue, we reserve the right of selecting varieties, but these will be of leading popular sorts, and in all cases we will give the purchaser his choice as far as practicable.

THIRD—While we exercise the greatest care to have all Trees, Shrubs and Plants genuine and reliable, and hold ourselves prepared to replace, on proper proof, all that may prove untrue, we do not give any warranty, expressed or implied, and in case of any error on our part it is mutually agreed between the purchaser and ourselves that we shall not at any time be held responsible for a greater amount than the original price of the goods.

FOURTH—Our terms of payment are five per cent. off for cash with order, except *where stated*, or short time bankable note with interest, at trade-list prices. **No per cent. off unless the cash comes with the order, or before shipment.**
