Woodburn, Oregon,

J. H. SETTLEMIER & SON, Proprietors.

ESTABLISHED 1863.

200 ACRES.

2,000,000 TREES.

While we exercise the greatest care to have all our trees and plants true to label and hold ourselves prepared, on proper proof, to replace any that may prove otherwise, we do not give a warranty, expressed or implied; and in case of an error on our part, it is mutually agreed between the purchaser and ourselves that we shall not at any time be held responsible for a greater amount than was paid for same.

WHOLESALE PRICE-LIST.

In presenting our Wholesale Price-List for the Fall and Spring of 1892 and 1893, we wish to thank our patrons for past favors and solicit a careful consideration of our very low prices and the completeness of our assortment of Nursery Stock.

This Price-List is intended only for Nurserymen, Dealers and extensive Planters.

Our location and shipping facilities are unexcelled.

The trees are grown on a dry, rolling ridge of deep loam, enabling us to grow strong, vigorous and hardy trees and plants.

Claims, if any, must be made within ten days after receipt of Stock. Should a mistake occur, we wish to be informed of it at the earliest possible moment, that the same may be rectified without delay.

Terms and Conditions.

Terms of Payment.—Cash or satisfactory security before shipment of stock. Our terms of payment are five per cent. off for cash with order, or short time bankable note with interest, at trade list prices. NO PER CENT. OFF UNLESS THE CASH COMES WITH ORDER OR BEFORE SHIPMENT. Interest after thirty days.

Orders and Conditions of Sale.—Please order early, with order legible and separate from body of the letter, with name of Postoffice, County and State, and how you wish packages shipped. Our responsibility, as regards transportation, ceases upon delivery of goods to forwarders and taking their receipt for same.

Long, specified lists are subject to special prices. Needed specifications as to age, size, etc., state on the order, to save the the trouble of referring to previous correspondence.

Dealers who bill on our grounds will please be particular in making out their aggregate list, as no stock billed will be counted back from the heeling grounds, unless we are at fault in putting it on.

Prices named rule only when number specified is taken, but when the order amounts to \$25 or more, five will be sold at ten rates, fifty at hundred rates, five hundred at thousand rates.

Packing.—Prices do not include packing. Packing done carefully in bales or boxes, for which we charge only enough to cover cost of material. NO CHARGE FOR DELIVERING AT THE RAILROAD OR EXPRESS OFFICE.

Address us at all times,

J. H. SETTLEMIER & SON,
Woodburn, Oregon.
