— OF —

Bulbs, Seeds and Plants.

SPECIAL IMPORTATIONS

— FROM —

JAPAN, CHINA AND AUSTRALIA.

NURSERY AND GREENHOUSES :

303-312 WAYNE STREET,

SAN FRANCISCO, CAL.

LOUIS ROESCH CO., PRINTERS.

419 Sacramento Street.

To our Friends and Customers.

IN ACCORDANCE with custom we avail ourselves of this opportunity to invite your attention to the accompanying Revised Trade Catalogue for 1892—93 of Japanese trees, shrubs, bulbs and seeds, which stock is now more comprehensive and complete than ever before; hence we are better prepared for the coming season to give the utmost satisfaction. While the prices of these articles are lower, particularly in bulbs, than ever before, *the quality* maintains the same *high standard* for which our firm has achieved a wide reputation. Remember that our stock consists of **First Class Stock** only, none better being obtainable in the market.

* * **TERMS,** * *

Orders amounting to less than \$10.00 must be accompanied by cash. To parties with satisfactory references we allow two months credit from date of invoice.

Bills paid within one month (strictly) from date of invoice are entitled to two per cent discount.

Bills not paid within two months after date of invoice will then be drawn against at sight.

Positively no orders filled for unknown correspondents unless accompanied by cash or acceptable references. C. O. D. orders must be accompanied by at least one-half the amount of the bill.

We exercise the greatest care in executing orders, and employ skillful packers, to insure safe arrival; but our responsibility ceases on delivery of goods to forwarders, be it steamer, railroad, mail or express. All goods are sent F. O. B. any railroad or steamer, San Francisco.

Our customers are requested to notify us immediately of any errors that may be committed in filling their orders, so that we may at once rectify the same, as we desire to conduct a business in every respect satisfactory to those who favor us with their confidence.

PALMS.

Cycas revoluta.—(Also called Sago Palm.

Special attention has been given to the importation and cultivation of this popular and most beautiful palm. Of these we grow about 1000 Stems under glass, in sizes from 8 inches to 2½ feet, being one of our specialty.

Pot grown plants with perfect fronds from 12 to 24 inches long, stems 8 to 10 inches high, each \$2.50.

Larger stems according to beauty of plant from \$3.00 to \$10.00.

Cycas revoluta, fresh imported stems, fronds and roots cut off; best long leaved variety (cultivated) from 4 inches to 6 feet. Price on application. Delivered from January to March. We imported last season 150,000 lbs. and can assure you fine stems worth growing; best of references in Germany as well as in the United States. Send orders as early as possible.

CYCAS CIRCINALES.

Cycas Circinales.

Cycas Circinalis.—We have secured a large lot of these beautiful palms and will import them for next season, in sizes from 6 inches to 2 feet and 3 feet.

If you want to get your money's worth write to us. Remember we have handled more *Cycas* than any firm in the United States, and being practical gardeners, we know what is useful to a florist.

Orders should reach us by August 1st. Price on application.
