(No. 4.)

W. S. Little & Co.'s

❖ TRADE LIST ❖

FOR SPRING, 1893,

CONTAINING

PRICES TO THE TRADE

ON SOME OF THE LEADING ARTICLES OF

NURSERY STOCK,

INCLUDING, ALSO, SOME SPECIALTIES.

N. B.—This List is intended ONLY for Nurserymen and others in the trade, and prices are subject to change without notice.

❖ *For the price of any stock not mentioned in this circular, we refer to our REGULAR WHOLESALE PRICE LIST (No. 3). TO THE TRADE we allow a discount of FIFTEEN PER CENT. from the lowest rates quoted in No. 3. In the circular (No. 4) the prices are NET.*

Our customers may use the telegraphic code of the American Association of Nurserymen.

Address,

W. S. LITTLE & CO.,

Commercial Nurseries,

ROCHESTER, N. Y.

NOTE.—It is well known that the region along Lake Erie, in Chautauqua county, is naturally one of the finest localities in the world for the propagation of the grape. Appreciating the fact, we have made arrangements to have large quantities of vines grown for us there, and we can now offer the best grade of all the leading varieties of grapes at the most favorable prices. For other ages and varieties than those quoted, and for large quantities, write for our figures before buying.

LEADING VARIETIES.—Henryi, Jackmanni, Lanuginosa Candida, Lawsoniana, Miss Bateman (white), Mrs. Baker (white), Mrs. Howard Wyse (white), Sieboldii (or Ramona), The Gem, Velutina Purpurea, and others.

ROSES.

One of our great Specialties. We are now growing yearly in the open ground *more than 12 acres* of 1 and 2-year-old plants on their OWN ROOTS, besides some fine blocks BUDDED on *Manetti Stocks*, of those varieties that do not succeed on their own roots. The plants usually make a growth of from 2 to 5 feet, according to variety.

TREE ROSES.

HOLLAND GROWN.....	50 00

Fine, well rooted plants with strong tops. The varieties include all the best of the hardy sorts.

TWO NEW PEACHES.

Offered for the first time.

The Chapman—Originated on the grounds of Mr. George Chapman, of Brighton, N. Y. A fine, white freestone peach, ripening a few days after Early Crawford. The fruit is of good size, nearly as large as Early Crawford, and very juicy and high flavored. Tree a good grower and prolific. \$3.00 per dozen.

The Hyatt—Originated on the shores of Keuka Lake, N. Y. It is a good-sized peach of the highest flavor, which ripens shortly after Early Rivers. The flesh is white, almost free from red at the pit, and a perfect freestone. The originator describes it as the best canning peach in the world, and the earliest peach of high quality that is a perfect free stone. \$3.00 per dozen.
