A MANUSCRIPT List of all known Works that relate to the Natural History Departments of the British Museum, and were published before the end of the year 1910, having been compiled by Mr. B. B. Woodward, Assistant-in-Charge of the General Library, the Trustees have ordered it to be printed and thus made more easily accessible to the members of the Museum Staff, to whom it will be of considerable service.

It has not yet been possible to acquire for the Museum libraries a copy of every Work mentioned in the List.

L. FLETCHER,
Director.
