TULIP SPECIES The Earliest of All To Flower

Three are wonderful rock garden subjects and fine for garden borders.

CLAYTONIA. The small flowers are seen among the clumps of pure white. The Lady Tulip—4 ½ inches. 3 bulbs 45c; 12 for $3.95; 100 for $34.50, postpaid.
Kaufmanniana. Commonly called the Waterlily Tulip. Creamy white with orange stripe. Height 6 inches. 3 bulbs 30c; 12 for $1.20; 100 for $7.80, postpaid.
Kaufmanniana, Clusiana. White with a yellow to pink edge. Height 6 inches. 3 bulbs 50c; 12 for $2.05; 100 for $13.20, postpaid.
Kaufmanniana, Strepsa. Rich golden yellow, orange-tinted petals, dark purple at base. Height 6 inches. 3 bulbs 45c; 12 for $1.35; 100 for $8.20, postpaid.
Red Emperor (Clusiana). One of the largest and most brilliant of all Tulips. A crimson-red, red with dark green striping. Height 6 inches. 3 bulbs 75c; 12 for $2.40; 100 for $14.40, postpaid.
White Emperor (Porphyria Emporium). Its pure white petals are a lovely sight when seen in the outer petals. Possesses the same good qualities as the famous Red Emperor. Height 6 inches. 3 bulbs 75c; 12 for $2.40; 100 for $14.40, postpaid.

PEONY TULIPS

Fully double flowers of huge size, resembling Pompons in form, borne in tall, straight stems. They bloom about ten days later than the Double Early variety.
3 bulbs 45c; 12 for $0.30; 100 for $18.60, postpaid.

Dutch Iris

6 bulbs 45c; 12 for $3.15; 100 for $34.50, postpaid.
Golden Harvest. Yellow-white petals bordering on purple.
Impression. Blue border standard; falls soft blue with narrow orange stripe.
Wedgewood. Standards blue; falls lighter blue.
White Excelsior. Early.

MIXED DUTCH IRIS. 12 bulbs 50c; 100 for $3.25, postpaid.

IXIA - Mixed Colors

These little bulbs are mostly used by the florists for growing cut flowers. A wide array of color. Plants grow about 16 inches high. Placed in sunny areas and watered in dry weather. 12 bulbs 45c; 100 for $3.15, postpaid.

SPARAXIS, FIRE KING

(Wandflower)

Striking red flower of unusual beauty. A member of the Iris family having narrow grass-like leaves and flowers in clusters. Height 12 inches 6 bulbs 30c; 12 for $0.60; 100 for $6.00, postpaid.

Bulbs for Planting in the Garden

CROCUS

6 bulbs 30c; 12 for $0.60; 100 for $6.00, postpaid.
Prefix, Linnea. Freely flowering deep purple with bright stripe.
Purple Flare Grandiflora. Extra-large flower of deep pink. Height 30 inches.
Remembrance. Dark blue. One of the best.
Snowstorm. Pure white.
MIXED. 6 bulbs 30c; 12 for $0.60; 100 for $6.00, postpaid.

CROCUS LONGIFLORUS

Flowers are bluish white, with bright orange anthers. Very attractive in the garden, especially when blooming occurs in the fall. Also nicely grown indoors in publics. The number of flowers produced by this small bulb is amazing. A pot containing a dozen bulbs may have as many as forty flowers open at once. 6 bulbs 30c; 12 for $0.60; 100 for $6.00, postpaid.

LILIES

Stately • Beautiful • Exotic • Fragrant

Candidum. Madonna Lily. These splendidly beautiful flowers are among the best known and most popular of all garden Lilies. Height 12 inches. White and of coarser culture, coloring sun and shade. Flowers-1 inch in diameter. Bloom in June. Each 65c; 3 bits $1.95; 6 for $3.45; 12 for $6.90; 15 for $8.20, postpaid.
Regale. Royal Lily. Truly royal, this is one of the most beautiful and one of the hardest Lily culture cultivation. Flowers are flushed with yellow at center, shading to white at the outer edges, on the outside they are pure white. Height 24 inches. Bloom in May. Each 75c; 3 bits $2.25; 6 for $3.96; 12 for $7.92, postpaid.

RANUNCULUS

Claret Hybrids. Brilliant red and fully double, globular flowers on tall stems, suitable for adding color to the garden. Colors ranging shades of red, orange, pink, white and yellow. Place in well-drained soil, in clumps away from seed plants. All are hardy, blooms in early July. Each 65c; 3 bits $1.95; 6 for $3.45; 12 for $6.90, postpaid.

SCILLA - Squill

Early-flowering bulbs desirable for edging or massing in border or borders. A good subject for soil-testing or planting in the rock garden. A many-colored selection is preferable.

Siberica, Spring Beauty. Produces drooping, fragrant, bell-like flowers, solitary blue in mid-May, and are very showy and not widely known. 6 bulbs 45c; 12 for $0.90; 100 for $54.00, postpaid.

SNOWDROPS, Galanthus

In January, early bulbs (in Holland for the English Marken) are up, for this earliest of spring heralds. Their persistence is noteworthy, they thrive in cold climates, are rarely disturbed, and inflected study places are exactly their parallel. Ideal for meadows.

Early-spring flowering bulbs bearing large white, gracefully drooping, lovely flowers having inner segments marked green. 6 bulbs 35c; 12 for 60c; 100 for $4.50, postpaid.

IRIS
THE STRAWBERRY THAT CLIMBS

YES, Sonjana is a real strawberry but it is entirely different from any that has ever before been seen in America. For Sonjana is really a handsome ornamental which will beautify your garden from spring until late fall. Unlike the ordinary strawberry, the runners it sends out do not have to be rooted in the soil. Trained on trellis, fence or wall these sturdy stems form dozens of rosettes, which bear a profusion of blossoms and berries. The result is a strikingly beautiful mass of deep green foliage, accented by charming white flowers, bright green berries and rich red delicious fruit all at the same time. Sonjana is a new true ornamental, unlike anything ever seen before in the gardens of America.

HOW Sonjana WAS DISCOVERED AND BROUGHT TO AMERICA

Sonjana is not a "horticultural accident." It was developed over a long period of years by the knowledge, the skill and the tenacity of one man, Reinhold Hummel. Mr. Hummel began his experiments in Germany before World War II. The grim days of the war interrupted his work but afterward he salvaged a few of his precious plants and continued patiently hybridizing these in his effort to create the new plant which he had set as his goal. His patience was finally rewarded with the perfect plant—long upward-thrusting, vine-like runners, a sturdy root system which would support the lush growth, persistent bloom throughout the season and firm fruit with a delicate flavor. Proudly he named it after his lovely little daughter Sonja.

This is the plant which a famous American horticulturalist found, after a long search, near Stuttgart, in Wurtemberg. This is the plant, a new sensation in ornamental horticulture, which we now offer to beautify your garden, be it large or small.
YOU’LL MARVEL AT THE RARE, EXOTIC BEAUTY OF Sonjana

The Strawberry that CLIMBS

You and your friends, too, will marvel at the way you can train Sonjana’s sturdy runners up and up, four, five, even six feet. You’ll be amazed as it buds out a dozen or more clusters of rich, green foliage the very first year and as many as 30 or more the second year. You’ll be thrilled with the superb decorative effect as the clusters of foliage develop white blooms and then luscious red berries month after month throughout the summer and fall. Sonjana is truly everbearing, for it continues to bear firm, fragrant, delightful fruit from spring clear through until frost in the fall.

TRAIN Sonjana ON WALLS, FENCES OR TRELLISES

There are limitless opportunities for using Sonjana to add to the charm and beauty of your garden. It loves a sunny corner, it climbs and festoons a fence or trellis. Its masses of verdure and bright flowers and berries will adorn a garden wall or cover the unsightly side of a shed or garage. Since each plant needs only a tiny parcel of ground (about two square feet) Sonjana is an ideal ornamental for the compact patio or garden of the city. Suburban and country home owners will find that relatively few of these vigorous plants will provide decorative cover for yards and yards of fence or wall.

A TRUE PERENNIAL TO GROW, BLOOM AND BEAR FRUIT YEAR AFTER YEAR IN YOUR GARDEN

When you plant Sonjanas in your garden it is not just for this year or next. Sonjanas grow rapidly, reaching their full strength and beauty the second year. Then they continue to thrive and grow and blossom and bear fruit year after year. Of course, they need reasonable care and attention. They will respond to watering, to mulching, to good soil and to liberal fertilization, just as any plant does. Simple, easily followed instructions come, free, with every order.

YOU’LL RELISH ITS DELECTABLE FRUIT

Only those who have traveled in Europe and tasted the exquisite flavor of the European strawberry can anticipate the firm texture, the aroma and the delightful taste of Sonjana. As the berries are borne on clusters all the way up the vines, you and your guests can have the pleasure of picking the clean, ripe fruit, head-high, before your eyes, and eating them on the spot as you marvel at the show of blossoms which promise more to come. You’ll love Sonjana...

**DARWIN AND COTTAGE TULIPS**

**GROUP I—3 bulbs 30¢; 12 for $1.05; 100 for $6.75, postpaid**

**SHIPPING BEGINS APPROXIMATELY SEPTEMBER 15**

For distinctive beauty and attractiveness, Cottages and Darwin Tulips are unsurpassed, adapted to many useful purposes, with their husbandry, their flower producing, their excellent substance and long blooming. They create a beautiful picture in any garden.

**Advantages**

- Earlier than the earliest Darwin; One of the most outstanding of all Tulips, now used in the production. Flowers large and split, blazing red with an appealing flush of deep rose centers. Brilliant blue, bright blue, pink, red, and white.

**All Bright**

A distinguished Tulip which is ideal for planting in groups and beds.

**Artificial**

A very showy, working deep rose with silvery rose edges. Inside yellow.

**Bartington**

An old standard and popular variety of lily red, not for bedding and forcing.

**Carrara**

Pure white with ivory stamens. The rounded segments all come to the same level when the flower is half open. Valuable both for forcing and as a garden variety.

**Clara Curtis**

An old standard and popular variety of soft salmon-rose flowers on tall stems. Heavily marked blue in the outer segments.

**Golden Age**

Deep golden yellow, shaded apricot at the base of the flower. Enormous flowers on tall stems. The finest modern variety. An excellent bedding variety.

**Golden Harvest**

Large flowers of soft yellow with red edges, borne on stiff stems.

**Mammasa**

One of the newest Darwin Tulips. A rich red with red edges. An excellent variety for forcing.

**Mme. Butterfly**

A lovely black violet, with yellowly orange black stamens set in a white yellow.

**Pride of Marlborough**

Large flower of superb form, ruffled-calyx. A stately Tulip for beds, borders, and masses.

**Princess Margaret Rose**

(Yellow, edged (and streaked) apricot. Very beautiful.

**Queen of the Night**

One of the darkest Tulip ever introduced. Purple black with white eye. A delightful variety, ideal for forcing and bedding.

**Scarlet Leader**

A brilliant vermilion red with dark red base marked white. Plants in mass. In golden Harvest, the heads are very large, nearly a supper size. There are larger. The size is very large, nearly a supper size. Very beautiful.

**Squash**

Large, deep, sparkling lavender, darker blue, with dark blue.

**The Bishop**

A very desirable variety in a lovely tone of pure violet. White interior base with black streaks.

**GROUP II—3 bulbs 30¢; 12 for $1.20; 100 for $7.65, postpaid**

**Charles Nordholm**

(D). Brilliant red. Ranked with the very best of the red Darwin.

**City of Haarlem**

(D). Dutch, vermilion-red. Lilies, blue-black base, edged white. Plant in masses or with pure white flowers growing as a group.

**Dutchman**

A most attractive flower with long, pure white petals and ivory stamens.

**Eliot’s**

Small, upright, strikingly beautiful deep rose with blue base.

**Golden Harvest**

Large flowers of soft yellow with red edges, borne on stiff stems.

**Mme. Butterfly**

A lovely black violet, with yellowly orange black stamens set in a white yellow.

**Pride of Marlborough**

Large flower of superb form, ruffled-calyx. A stately Tulip for beds, borders, and masses.

**Princess Margaret Rose**

(Yellow, edged (and streaked) apricot. Very beautiful.

**LAWN GRASSES**

High Purity and Germination — Two Steps Toward Success

The best time to start your lawn, or to re-seed it, is during the cool weather of early fall. The weather at this time is favorable for the development of lawn grasses far more advantageous for most weather and soil conditions. Plan now to have a foundation lawn that will add so much to the beauty of your home.

**Wyatt-Quarles Superior Lawn Grass Mixture**

F-40. Our constant experiments have taught us just what grasses are best suited to the eastern and southern states. The finest seed of these varieties is carefully selected and blended in proportion to their quality and efficiency. The result is a finest quality, non-yellowing, non-mixing, non-leguminous lawn mixture that will give you a lawn practically free from weeds.

**Wyatt-Quarles Carolina Lawn Grass Mixture**

F-41. A carefully blended mixture of perennial rye grass best adapted to our conditions. A soil mixture that will give you a lawn practically free from weeds.

**Wyatt-Quarles Sunny South**

Lawn Grass Mixture

F-39. Contains Bermuda. For light soils and soils that becoming extremely dry, and in locations subject to extreme heat during the summer months, this mixture of lawn grasses is recommended. This grass variety is well grown over the entire South and produces a lawn of the highest quality. It does not require too much shade, and can be grown on the poorest soil, even 5 lbs. per 1000 sq. ft. 1 to 4 lbs.; 5 to 24 lbs., $2.00 per lb.; 25 to 99 lbs., $2.50 per lb.; 100 lbs. or more, $2.75 per lb., postpaid.

**Wyatt-Quarles Shady Knoll Lawn Grass Mixture**

F-61. A carefully blended mixture of perennial rye grass best adapted to our conditions. A soil mixture that will give you a lawn practically free from weeds.

**Wyatt-Quarles Coastlawn Lawn Grass Mixture**

F-63. A mixture of grasses particularly adapted to our coastal plain and sandy areas. It is well considered for lighter soils where reasonable moisture levels are the rule. Sow 10 lbs. per 1000 sq. ft.; 5 to 24 lbs., $2.25 per lb.; 25 to 99 lbs., $2.75 per lb.; 100 lbs. or more, $3.75 per lb., postpaid.

**OTHER GRASSES AND CLOVER FOR LAWNS**

(Write for Free Sample Chart)

F-45. Kentucky Blue Grass. Prefer slightly shaded, moist soil and is best suited for semi-shaded conditions. Average seed should be for Kentucky Blue Grass, 1 to 10 lbs. per 1000 sq. ft. 2 to 3 lbs., $1.75 per lb.; 10 to 24 lbs., $2.00 per lb., postpaid.

F-46. Italian Rye Grass. Generally referred to as ‘Wyatt Grass’ is the finest of all Italian Rye Grasses, it is grown extensively for winter use. Sow 10 lbs. per 1000 sq. ft. 2 to 3 lbs., $1.75 per lb.; 10 to 24 lbs., $2.00 per lb., postpaid.

---

**GOLDEN HARVEST**

Daran "Hybrid" Tulips

They have continuous flowering on strong stems and in small clusters.

3 bulbs 30¢; 12 for $1.15; 100 for $5.20, postpaid

Diplomat. The most brilliant vermilion-marketed red with the lumpy, saffron-colored fork. Flowers, 4’-6” in the class by itself. Equally good for gardens and cut flowers.

General Eisenhower. A superior flower, blossoms in clusters, and ideal for groupings.

Goudon. Yellow, golden, spotted red—extremely ornamental.
