Surplus Trade List No. 2

FIELD GROWN ROSES

JANUARY 24, 1910

The quotations named are net for stock at Fresno, California, and will only apply on orders from this list. Additional charge to cover cost of material used in packing will be made.

Bush Roses will be supplied in quantities not less than 5 of any one variety. They are tied in bundles of ten, and we would appreciate it if orders were made as far as possible in multiples of this number.

Standard or Tree Roses, fine strong heads, can be supplied in practically all the leading varieties listed in General Collection. Price 50c each net.

Sales will be made subject to stock being unsold when order is received.

We exercise the greatest care to keep all varieties true to name, but it is mutually agreed to between the purchaser and ourselves that we shall not at any time be liable for any amount greater than the original price of the stock.
