Notice to Purchasers:

IN presenting this, my regular SEMI-ANNUAL PRICE LIST, I would most respectfully call your attention to my COMPLETE LIST OF STOCK and extremely LOW PRICES. I do strictly a WHOLESALE business and give ALL MY ATTENTION to my Wholesale Customers.

Shipping Facilities.

My Railroad facilities are good, and I can obtain the lowest Freight Rates possible. I ship via M. K. & T. Railroad. (Junction City branch of the M. K. & T.,) Kansas City, Fort Scott & Memphis Railway, Kansas City & Pacific Railroad, and all their branches and connections. Also by Adams and American Express Companies.

Terms and Conditions.

TERMS OF PAYMENT.—Cash or satisfactory security before shipment of Stock. All orders to be sent by Express, C. O. D., must be accompanied by ONE HALF THE AMOUNT IN CASH.

CONDITION OF SALE.—1. When stock is to be boxed or bailed I charge for cost of labor and material.

2. I deliver all Goods Free of Drayage to Railroad or Express Offices after which my responsibility ceases.

3. At these prices selection of varieties must be left to me, but I will always give purchaser his choice, so far as consistent with our stock, 50 at 100 rates and 500 at 1000 rates.

4. I prefer parties ordering should indicate the route by which they wish stock sent. In the absence of particular directions I forward to the best of my judgment, but in no case will I assume any responsibility after consignment to purchaser, unless for my own mistakes. When losses occur from detention enroute, claims should be made on the carriers immediately.

All claims for shortage, etc., to receive attention, must be made within five days from receipt of Goods.

SHIPPING.—We usually commence shipping in the Fall about the 5th of October.

We desire it to be distinctly understood that we have no connection whatever with any NURSERY or employ TRAVELING AGENTS, and that our RESPONSIBILITY in any transaction extends only to persons PURCHASING DIRECT from us. Purchasing from us sell upon their own responsibility. Losses arising from defective planting or at any time after planting and cultivation, and are not our responsibility in any failure thereof. We are true to name, and our business is to sell true to name.
