TO OUR FRIENDS AND CUSTOMERS

In presenting to you our semi-annual price list, we take pleasure in thanking you for the generous patronage you have bestowed upon us, and we hope by liberal and fair dealing to merit a continuance of the same in future.

The extremely low prices at which nursery stock is offered in this price list must surely prove attractive to those who contemplate the buying of trees or plants—many items being offered at less than cost of production. We wish to say, however, that all stock offered by us is well grown, young and thrifty, and will be carefully dug and graded up to standard.

TERMS: Cash, or satisfactory security before shipment. Orders to be sent "C. O. D." must be accompanied with one-fourth the amount in cash. Five per cent. discount allowed for cash with order for the full amount.

Reference: First National Bank, Bloomington, Ill.

Packing will be done in the best manner, in bales or boxes, at the cost of the purchaser; but no charge will be made for delivering goods at the railroad here.

Remit by Postal Orders, Bank Drafts on New York, St. Louis or Chicago, payable to the order of The Home Nursery, or currency by express *prepaid*.

All articles, after leaving our hands in good condition, are entirely at the risk of the purchaser; and no complaint will be allowed, unless made within ten days after receipt of goods.

Special varieties will be supplied as far as practicable. Where substitution is forbidden, we will fill as far as we can supply.

Our shipping facilities are the best. We have the I. C. R. R. and branches, C. & A. R. R. and branches, L. E. & W. and Big Four R. Rs. and American and United States Express Companies.

We call special attention to our very low prices, particularly on Apple, Pear, Plum, and Cherry. All orders will have our careful and prompt attention.

THE HOME NURSERY,

Normal, Illinois.
