MARKET GARDENERS

and Other Large Buyers.

DELANO SEED CO.

Seed Growers and Merchants,

LEE PARK, = NEBRASKA.

IMPORTANT.—That our Seeds are reliable and satisfactory is evidenced by the fact of orders coming year after year from the same customers and from every part of the Union. Centrally located in the heart of the continent, we can reach all sections promptly, either by mail, express or freight.

PRICES given herein are net and rock bottom, except when an order equals \$25 00, the buyer may select \$2.00 worth of seeds free, and when the order exceeds \$25.00 the buyer may select \$1.00 worth of seeds for each additional purchase of \$10.

TRANSPORTATION.—Seeds in *packets only* will be delivered free at any postoffice in the United States. If seeds by the ounce, pound or quart are to go by mail, add 8 cents per pound and 15 cents per quart for postage. We will always try to secure lowest shipping rates possible.

REMITTING.—Cash must accompany the order and remittances are preferred by Postoffice Money Order on Lee Park. Postage stamps will be accepted in small amounts.

GUARANTEE.—We guarantee all shipments to reach the buyer in order; that the seeds are true to name and of high germinating power, but we cannot insure a crop, as there are so many contingencies affecting growth of crops.

ADVANCE IN MARKET.—Prices given herein are in advance in the market.
