We exercise the greatest care to have all plants true to name, and to fill orders correctly. Should errors occur please notify us at once, and we will make such corrections as will be satisfactory.

After delivery to forwarders in good condition, all goods travel at customer's risk, and complaints will not be entertained unless made promptly upon receipt of goods.

We warrant all cuttings that are grown and sold by us, to be in healthy growing condition and free from any disease whatever, but we do not warrant any cuttings to remain free of disease after they have passed from our care, nor do we assume any responsibility whatever regarding the purchaser's success in cultivating the plants.
