WHOLESALE PRICE LIST OF

PALMS :: PALMS :: PALMS
AND OTHER DECORATIVE PLANTS

IN presenting this price list of Palms, Dracaenas and other decorative plants I would most respectfully thank those who have so long favored me with their patronage, and assure them and those who may become my patrons, that I shall aim by fair dealing to receive a continuance of the same.

In the last year I have more than doubled my capacity for growing Palms and Decorative Plants. My stock of young palms is twice as large as ever offered before, and in the best possible condition at low down prices. I am short on 6-7 and 8 in. Arecas, Kentias and Latanias; have some fine specimens Latanias in 10 and 12 in. pots cheap at prices named. The Phoenix, I have a good stock of all varieties and sizes named in list. Also good stocks of Corypha Australis. I have a few Cactus Agaves, Yuccas and Gasterias for sale cheap. For sizes and prices on application.

All plants will be turned out of pots and sent per express unless otherwise ordered. During spring, summer and autumn many plants can be sent by freight, especially large plants, to points reached by the Burlington Route, Missouri Pacific, and Union Pacific railroads. All plants will be carefully packed (no charges for packing or boxing) and delivered at express or freight office at Plattsmouth, Neb., in good order, after which my responsibility ceases.

Remittances may be made by post office order, express order, draft or registered letter. All claims for mistakes or errors must be made within five days after plants are received.

All orders must be accompanied by the cash or satisfactory references, unless from parties of known responsibility to me. You may be perfectly responsible, but I must know it before sending plants.

All bills subject to sight draft if not paid within thirty days from date of invoice, unless otherwise agreed before shipment of goods.

Purchasers should be particular to give names in full, with express and postoffice address, county and state distinctly written, so that no mistakes will occur. All orders and letters should be addressed to

W. J. Hesser, Proprietor of Palm Gardens, Plattsmouth, Neb.

For 4, 5, 6, 7, 8, 10 and 12 inch pots, prices on application, after July 1. The 20 inch tubs are extra fine specimens of good value.

Dormant Stems. 1 to 15 lbs. 25 cents per pound.

CYCAS CIRCINALIS.

The finest in cultivation, unsurpassed for beauty and grandeur.

I have an extra fine large specimen, stems 33 inches tall, 9 inches in diameter and leaves over 6 ft. long. This is a grand and valuable specimen. Prices and full description on application.

CYCAS RUMPHI

Stems slender, leaves from 4 to 6 ft. long. A rare variety. Native of the Indian Archipelago. Of this grand cycas I have a number in 6, 8 and 10 inch pots, at prices ranging from \$5 00, \$10.00 to \$25 00.

ZAMIA INTEGRIFOLIA.

Alocasia. Splendid, ornamental-leaved aroid plants, closely related to colocasia and caladium, of easy culture and management, growing in any soil, but preferring a low, moist situation. Splendid tropical effects can be obtained by groups of the different varieties of bananas, cannas, Alocasia, caladium and dracenas. The Alocasias are very effective as single specimens on the lawn. Like those of the caladium, the varieties and species are much confused with regard to names, even among the most reliable and largest growers.

A. Arborea (Tree Formed), a very fine decorative plant, leaves upright, and of a light green color. 12c, 25c, 50c and \$1.00 each. Large specimen 5 ft. high, \$3.00 each.

A. Purpurea. Foliage Metallic shaded with bronze blotches. Petioles mottled; 15 cents, 25 cents, 50 cents and \$1.00 each.

A. Bataviensis (COLOCASIA). Stem dark-purple, leaves rich green. Splendid. 25 cents, 50 cents and \$1.00 each.

A gigantea. Foliage green; forms a large plant, sometimes attaining a height of 6 or 7 feet. 25 cents, 50 cents and \$1.00 each.

A. macrorhiza variegata. Leaves bright green, marbled with lighter shade and pure white, sometimes wholly white. This will be found a very choice plant. \$1 each.
