Manufactured by
U. S. Government Printing Office

Panicum

- 11438 (3) In damp soil in pasture near Davis, along Blackwater River; common.

Canaan Valley,
around Davis, etc. W. Va.
July 30, 1945
H.A. Allard
Pendleton Co.

- 11439 (1) Carex serotina (Fern.) Mack.
Near # 11438,

ditto

- 11440 (1) Adiantum fungosa (Ait.) Greene
In thicket at Tank Stream (first stream from Davis). Fully bloomed, rare, beautiful; fl. pinkish. Climbs by leaf petioles winding around objects.

ditto

- 11441 (1) Carex serotina (Fern.) Mack.
along old road near # 11440.

ditto

- 11442 (2) Gramineae
along woodroads near Davis, near # 11440. Very beautiful, delicate; when densely covered very beautiful; abundant; reddish.

ditto

- 11443 (2) Juncus solitarius var. solitarius Fern. & Wieg.
In wet soil near # 11440; abundant.

ditto

- 11444 (1) Lepidium
In pasture near # 11440

ditto

Juncus articulatus L.

- 11445 (4) In water near # 11438

Canaan Valley
Near Davis, W. Va.
Pendleton Co.,
July 30, 1945
H.A. Allard

- 11446 (2) Elymus
In thicket along Blackwater River near Davis, W. Va.

ditto

- 11447 (1) Gramineae
Near # 11446
Same as # 11442.

ditto

- 11448 (3) Panicum
In thicket near # 11446; abundant.

ditto

- 11449 (1) Polytrichum. Along 2nd stream across Blackwater from Davis.

ditto

- 11450 (1) Sphagnum
with # 11449

ditto

- 11451 (1) Moss
on submerged rocks in stream near # 11449; same stream.

ditto

Moss
On submerged rocks in 2nd
stream flowing into Blackwater Canyon,
across river from Davis, W. Va. Pendleton
July 30, 1945
H.A. Allard

11452

11453 *Juncus effusus* var. *solutus*
along Blackwater River ditto
near Davis, Pendleton Co., W. Va.

11454 *Panicum*

(2) In thicket along Blackwater River, ditto
near Davis, Pendleton Co., W. Va.

11455 *Gentiana linearis* Froel.

In bog 3 miles east of Blackwater River near Canaan first timer.
Painted out to me by Jim
July 31, 1945 ditto

11456

Gentiana linearis Froel. white
form, with greenish corolla tip as in
the typical blue: rare.
Moving with 11455, and in no other locality here ditto

11457 Fern

(4) In rich woods deep down on slope of
Blackwater Canyon near Pendleton
Run, where it begins to enter the
Blackwater. ditto

11458

Carex debilis var. *rudgei* Bailey
(2) On cliffs at lookout over Blackwater ditto
canyon 3 miles west of Davis in thin soil.

Moss
On decayed logs and
rocks near #11457

11459

(1)

Canaan Valley
Pendleton Co., W. Va
near Davis
July 31, 1945

11460

(1)

Houstonia
about through flowering.
at bottom of Blackwater Canyon
on banks, near Pendleton Run.

11461

(1)

Grass
at bottom of Blackwater Canyon
on bank near water's edge, near
Pendleton Run. (at bottom of Canyon)

11462

(4)

Salix
at foot of Blackwater Canyon
with 11461 ditto

11463

(4)

Moss
on rocks at foot of Blackwater Canyon. ditto
near # 11462

11464

(1)

Moss
Behind high falls 30-35 ft. high ditto
at foot of Pendleton Run in
Blackwater Canyon, moist soil.

11465

(1)

Moss
On logs at bottom of
Blackwater Canyon near
Pendleton Run, in permanent
spray and mist of high falls here ditto

Hypericum
In crevices behind
high falls on Pendleton
Run, near junction
with Blackwater River
in mist and spray.
Canaag Valley,
Pendleton Co., W. Va.
near Paris.
July 31, 1945

11466
11467 *Hypericum*
(2) on rock shelves with # 11466,
behind the falls itself.

11468 Fern
2 On moist wooded banks near
11466, in mist of falls.

11469 Fern
(4) with # 11466 in wet soil and
mists.

11470 Behind falls with # 11466
(1) *Hypericum*

11471 *Juncus tenuis* Willd.
(1) In old field just west of
Paris.

11472 Moss
(1) On wet rocks behind falls
with # 11466, at foot of Pendleton Run.

Hepatic
In same habitat
with # 11466 at
foot of Pendleton Run,
behind falls.
Canaag Valley,
Pendleton Co., W. Va.,
near Paris
July 31, 1945
H. A. Allard

11473
11474 Moss
(1) In Blackwater Canyon at
bottom near junction with
Pendleton Run.

11475 Moss
(1) with # 11474

11476 Moss
(1) On wet rocks with # 11474
at bottom of Canyon near
Pendleton Run.

11477 *Hepatic*
(1) with # 11466 behind falls.

11478 Moss
(1) On wet rocks with # 11474

11479 *Oxybolis rigidior* (L.) Coul. & Rose
(4) In thicket 2 miles east of
Paris on old railroad grade
former
to Canyon 70
ditto
Rose, Aug 1,
1945

Gramineae
On railroad grade
3 1/2 miles east of Davis,
11480 near old railroad
(1) lumber camp 70,

Canaan Valley
~~Pendleton~~ Co., W. Va.
near Davis,
Aug. 1, 1945
H.A. Allard.

11481 *Spiraea latifolia* Borkh.
(1) ~~1~~ branch from each clump over
wide area; note variations in pubescence.
This a mass collection.

ditto

11482 *Labiatae* (pink bl.)
(1) In waste ground at old pulp
mill near just east of Blackwater
bridge at Davis.

ditto

11483 *Carex folliculata* L.
(5) In bog 3 miles east of Davis
along Blackwater River. (my first find
in area)

ditto

11484 Gramineae
(1) In upland situation near # 11483.

ditto

11485 *Eriophorum virginicum* L.
(1) In bog near # 11483; very
abundant, white and brown forms.

ditto

11486 *Apoecynum androsaemifolium* L.
(1) In thicket near 11483;
everywhere.

ditto

Polygala
In dry cinder soil
11487 on railroad
(1) grade, and 3 miles
east of Davis; local
in area.

Canaan Valley
Pendleton Co., W. Va.
near Davis
Aug. 1945
H.A. Allard

11488 *Gentiana linearis* Threl. ditto
(1) bl. blue.
In bog near # 11487; very
common in bogs.

11489 *Asclepias tuberosa* L. ditto
(1) along Blackwater river 3 1/2 miles
east of Davis, near railroad
grade. In dry cinder soil;
rare in the area.

11490 *Dulichium arundinaceum* (L.) Britton. ditto
(3) In bog near # 11489; infrequent
in area; my first record here.

11491 *Rosa* ditto
(2) In thicket near 11483.

11492 Gramineae ditto
(1) In bog near 11489; frequent.

11493 *Scirpus atrovirens* Muhl. ditto
(1) In boggy ground 3 miles east of
Blackwater river near Blackwater
river.

Patentella recta L. Canaan Valley, W. Va.,
Pondleton Co.
In pasture near old mill
11491 *hulf milla rirus* Near Davis;
Aug. 1, 1945
" at bridge over the
Blackwater at Davis; H.A. Allard.
infrequent in area; my first record.

11495 *Aster lucidulus* (Gray) Wieg. ditto
" In low ground along Blackwater
river 3 miles east of Davis; the
commonest aster in the area; fl. blue.
just coming into flower; probably a

11496 *Solidago graminifolia* (L.) Salisb. ditto
" var. of *humilis*, as very close to it.
Everywhere common; the only form here, it
nearly glabrous above.
This near # 11495; just coming into flower.

11497 *Juncus effusus* var. *solutus* Torr. & Wieg. ditto
" In boggy land in roadcut
3 miles east of Davis on old railroad
grade; large pure stands here.

11498 *Solidago rugosa* Mill. ditto
" along old railroad grade 2 miles
east of Davis; common.

11499 *Aporosa cannabinum* L. ditto
" Near # 11498 in ~~dry~~ soil;
frequent.

11500 *Verbena hastata* L. ditto
" Along Blackwater river
near bridge at Davis; fl. purple-blue;
common.

Juncus articulatus L. Canaan Valley,
Pondleton Co., W. Va.
Along Blackwater near
bridge and ruins of
11501 mill at Davis. H.A. Allard.
" = *Juncus articulatus* L. Near Davis
Aug. 1, 1945

11502 *Rhexia virginica* L. ditto
" In moist gully along
Canyon Run Trail below
Thomas, in Nat. forest;
infrequent Aug. 2, 1945

11503 Moss. ditto
" On submerged rock in
2nd (Canaan stream) on left
bank of Blackwater river. Aug. 2.

11504 Moss ditto
" On submerged rock with
11503.

11505 Moss ditto
" On submerged rock in ~~submerged~~
2nd stream (Canaan) with
11503.

11506 Moss ditto
" On submerged rock in same
stream with # 11503.

11507 Moss ditto
" On submerged rock with
11503 (same stream)

Moss
On submerged rocks in
2nd (Canaan stream)
11508 flowering into
11) Blackwater canyon near Davis.
Canaan Valley, W. Va.
~~Pendleton~~ Co.,
Near Davis,
Aug. 2, 1945

11509 Moss
11) On submerged rocks with # 11508, in
same stream. ditto

11510 *Rhopia virginica* L.
11) In moist soil along truck road
road (Canyon Rim truck trail)
near Douglas. ditto

11511 Moss
11) On submerged rocks with # 11508 ditto

11512 Moss
11) On submerged rocks with
11508 ditto

11513 *Sphagnum*
11) On banks near # 11508 ditto

11514 Moss
11) on submerged rocks with
11508. ditto

Moss
On submerged rocks
11515 with # 11508,
11) in Canaan stream. ditto
Canaan Valley, W. Va.
~~Pendleton~~ Co.,
Near Davis
Aug. 2, 1945
H.A. Allard

11516 Moss
11) On submerged rocks in
Canaan stream with 11508 ditto

11517 *Helianthus decapetalus* L.
12) On Backbone mountain
at 3700 feet, near Thomas.
along road roads (truck trail around
Canyon rim,) ditto

11518 *Aristolochia macrophylla* Lam.
13) Near # 11517; abundant
here, climbing to tops of tallest trees;
only fully grown green rods now. ditto

11519 Moss. Bottom of
11) On rocks at Blackwater
Canyon near Pendleton Run. ditto
(Date out of regular order as
July 31, 1945)

11520 *Aster prenanthoides* Muhl. Aug 3, ditto
11) fl. violet.
In low ground on Canaan Mt., near
fire tower south of Davis.

11521 *Desmodium canadense* (L.) DC. Aug 3, ditto
13) Roadside bank near Red Bank
postoffice; occasional; showy with
its large, purplish flowers.

actinomeria alternifolia (L.) DC. Canaan Valley, W. Va
In waste ground Berkeley Co.,
11522 near Red Run Near Davis
" " hunt office. Aug. 3, 1945
H.A. Allard.

11523 *Astragalus canadensis* L. ditto
(1) fl. greenish cream color.
On dry rocky banks on Dry Fork
near Hendricks; local.

11524 *Arisema altissimum* (L.) Spreng ditto
(1) On Dry Fork in thickets and on
roadside banks near # 11523; local;
Grows 10 feet or more tall.

11525 *Rubus odoratus* L. ditto
(1) In thickets along roadsides
etc., on Dry Fork near Hendricks;
very common; fruit rather insipid,
red.

11526 *Aralia racemosa* L. ditto
(1) on roadside, banks in woods,
on Dry Fork toward Hendricks;
frequent here.

11527 *Moss* ditto
(1) on wet limestone rocks near a
mountain stream has cut a deep well in
the rocks on the Dry Fork road.

11528 *Compositae* ditto
(1) In moist, wooded ravine
on Dry Fork toward Hendricks.
Polypodium nudicaule L.
(stems pretty smooth).

Labiatae *Collinsia canadensis* L. Canaan Valley, W. Va
In rich woods Berkeley Co.,
near Mills Run, near Davis
11529 Dry Fork, on Aug 3, 1945
" " road to Hendricks. H.A. Allard.
Fl. yellowish.

11530 *Sedum ternatum* ditto
(1) On dry slopes on ~~Dry Fork~~ limestone
outcrops toward in woods on Dry Fork
toward Hendricks; abundant. Past blooming.

11531 *Gaura biennis* L. ditto
(1) Roadside bank on Dry Fork
near Hendricks; fl. pinkish.

11532 *Monarda didyma* L. ditto
(2) Fl. pink in this colony; they
occur in other colonies, red,
and also purplish red. Near # 11531

11533 *Cuscuta parasitizing* ditto
Monarda didyma L.
(2) On Elk Lick near Parsons.

11534 *Umbelliferae* ditto
(1) On wooded bank on Elk
Lick near Parsons.

11535 *Berberis canadensis* Mill ditto
(1) On steep bank in woods
on Elk Lick near Parsons.

Minulus ringens L. Canaan Valley, W. Va.
In bog on Elk ~~Pendleton~~ Co.,
11536 Lick on Dry Near Dais,
(3) Fork road Aug. 3, 1945
toward Hendricks; H.A. Allard,
common

11537 *Campanula americana* L. ditto
(4) along roadside on
Dry Fork road toward Hendricks.
fl. blue; very showy, abundant, but
not in the Dais region.

11538 *Vaccinium macrocarpon* Nutt. ditto
" In bog on Canaan Mt., just
south of Dais at left of highway
to Seneca Rocks. scattered throughout
the region.

11539 *Melampyrum lineare* Lam. ditto
" Near fire tower on top of
Canaan Mt., in open thickets;
frequent.

11540 *Lobelia agastachea* *snophulariaefolia* (L.) Ktze. ditto
(5) fl. whitish but has characters also of *A. neptioidea*.
On roadside bank on Dry Fork
road toward Hendricks; infrequent.

11541 *Desmodium canadense* L. ditto
" On steep lime-stone banks
on Dry Fork road to Hendricks;
infrequent; fl. purple, showy, large.

11542 *Moss* ditto
" In cold limestone spring
(50° F.) near Mill Run on Dry
Fork road to Hendricks.

Monarda didyma L. Canaan Valley,
Pendleton Co., W. Va.
In thickets near Mill Run on Dry Fork
11543 road to Hendricks. Aug. 3, 1945
(3) fl. whitish; Mr. Craner, forest employee,
thought it a form of *M. didyma*
with white fl.

11544 Moist soil on Elk Run ditto
" on Dry Fork road to Hendricks;
Asclepias

Asclepias incarnata L. ditto
11545 In moist soil near
" Elk Run, on Dry Fork road
to Hendricks; frequent; showy,
purplish red.

11546 *Lobelia cardinalis* L. ditto
" In boggy meadow thicket
near Elk Run with # 11545;
frequent; very showy, crimson.

11547 *Impatiens pallida* Nutt. ditto
" In moist soil near Elk Run
on Dry Fork road to Hendricks;
near a colony of *Impatiens* fl. of
same species = # 11548
heavy colored

11548 *Impatiens* ditto
(2) *pallida* Nutt., growing as a colony
near # 11547, yellow. In drying turns
more yellow. Near # 11547 (rare.)

11549 *Aster divaricatus* L. 2. ditto
" fl. white very variable.
In woods at Elk Run, on Dry Fork
road to Hendricks; frequent.

Moss
at Blackwater Canyon
Falls visited by tourists.
11550 On mist drenched
rocks under the Falls.
Canaan Valley, W. Va.
Poppleton Co.
Aug. 5, 1945
H.A. Allard
Near Davis.

Moss
11551 On rocks with # 11550,
at the Falls.
ditto

Moss
11552 On submerged rocks
at above Falls.
ditto

11553 *Asclepias syriaca* L.
(2) Near 1st stream (= Tank stream)
in waste ground; fl. deep purplish
red, much deeper than most colonies.
ditto

11554 *Consobolus arvensis* L.
(2) At Thomas, climbing over
herbage by railroad; fl. pinkish.
ditto

11555 *Carex leptalea* Walp.
(1) In damp soil at Blackwater
Falls visited by tourists.
ditto

11556 *Panicum*
(2) In canyon at Blackwater
Falls on rocky slope.
ditto

Carex baileyi Britt.
at forest sign on high
mountain near
11557 Parsons - sign road
Bl. Turkey Run trail
Moore Run "
→ Big Spring Trail 1 mile.

Poppleton Co.
Aug. 5, 1945
H.A. Allard

11558 *Saxifraga atrovirens* (L.) Kunth.
(1) In moist soil high up mountains
with # 11557.
ditto

11559 Umbellifer
(1) On Red Run 3 miles from
Hendricks in thicket.
ditto

11560 *Astragalus canadensis* L.
(1) Along Red Run 3 miles from
Hendricks.
ditto

11561 *Agastache scrophulariifolia* (L.)
(2) Near Red Run on road to Hendricks;
is Dry Fork road.
ditto

11562 *Daucus carota* L.
(1) with additional umbels.
Near # 11561 (white fl.)
ditto

11563 *Cirsium arvense* (L.) Scop.
(1) on road to Hendricks
at Red Run; common.
ditto

Desmodium canadense L. Canaan Valley, W. Va.
along road to Red Run P.O. Hendricks Co.,
and Hendricks; Near Davis.
11564 local; infrequent. Aug. 5 1945
(1) showy, blue fl. H.A. Allard

Spiraea latifolia ? ditto
11565 One ~~plant~~ from separate
fl. branch clump along low meadow
(2) on highway to Seneca, and
at foot of Canaan Mt. a mass
collection.

Helianthus stummus L. ditto
11566 Near Red Run P.O. on forest
(2) road to Hendricks; very showy;
frequent.

Phlox maculata L. subsp. *subgrandis* (Walt.) ditto
11567 In damp thickets along
(5) Red Run on road to Hendricks; nearly
past fl. Oct. 1957

Andropogon furcatus ditto
11568 along Red Run near Hendricks.
(1) in moist soil.

Umbellifer ditto
11569 2 miles above Hendricks
(2) along Red Run (?)

Laurel Run Trail ditto
11570 on Dry Fork road to Hendricks.
(1) *Apocynum cannabinum* L.

Desmodium paniculatum (L.) DC. Canaan Valley, W. Va.
at Laurel Run P.O. Hendricks Co.,
11571 trail on Dry Fork Aug. 5 1945
(2) near Hendricks, in
low ground thickets. H.A. Allard

Hepatic ditto
11572 on wet rocks on Dry Fork
(1) near Hendricks.

Grass ditto
11573 well up mountain trail
(1) near Hendricks, off Dry Fork
road.

Moss ditto
11574 on wet rocks on road
(1) on Dry Fork Run several
miles above Hendricks.

Moss ditto
11575 on wet rocks in deep ravine
(1) with # 11574.

Moss ditto
11576 on wet rocks in same mt.
(1) stream with # 11574

Sabip. ditto
11577 with insect galls
(3) along stream on Dry Fork road
several miles above Hendricks.

 H.A. Allard.

11607 *Eupatorium purpureum*
 (1) Near # 11606 on same manway #3;
 very abundant along all mt. roads.

11608 *Aster umbellatus* Mill.
 (1) with # 11607 in thicket on
 manway trail # 3.
 very common.

11609 *Aster lucidulus* (Gray) Wieg.
 (2) Close to *A. puniceus* but smoother.
 Common.
 On manway # 3 near # 11606

11610 on wet ledge
 (1) near foot of Blackwater Canyon
 near manway # 3
 Moss

11611 fern
 (1) In forest at foot of ledge near
 Canyon river truck trail near
 manway # 3.

11612 *Gentiana linearis* Froel.
 (2) In bog on Canaan Mt., near
 fire tower - only known colony.
 bl. white; large area of the
 blue here. See also 11488 from same
 colony)

Veronica
 In ravine leading
 to crest of mt.
 11613
 (1)

Spume Knob.
 Driven here by
 H. P. Sturm of
 Clarkburg, W. Va.
 Aug. 10, 1945
 H.A. Allard.

11614 *Circaea alpina* L.
 (2) In rich woods on trail through ditto
 ravine to crest.
 Pendleton Co.

11615 *Geranium* ~~*virginicum*~~ *bruttianum*
 (2) In thicket on Lanesville road Tucker Co.
 2 1/2 miles from highway to Seneca rocks
 Aug. 10.
 Growing with strawberry raspberry shown me
 by Mr. Sturm.

11616 *Carex baileyi* Britt
 (1) On top of Spume Knob on
 trail to top where antlers hang. Aug. 10, 1945

11617 *Rubus illecebratus* Torrey
 (several) (Nat. to Japan) A large colony
 on roadside bank on Lanesville
 road 2 1/2 miles from Seneca highway, Aug. 10.
 (with # 11615). Fruit and flowers; fruit

11618
 (1) bright red, rather tasteless, but pleasant
 sweet, very large. Plants not over 1 ft. tall.

Cult. flower from Mrs. Racey's Tucker Co.
 garden Aug. 11, 1945, Davis
 W. Va. Pendleton Co. bl. white
 coll. H.A. Allard.

11619
 (1) From Mrs. Keiper's bl. garden
 in Davis; a house plant,
 with purplish red bl. She called it
 Baby face, Aug. 7, 1945.

Chrysanthemum
(~~Scaberrima~~ *daisy*)
11620 From Mrs. Keiper's
flower garden -

11629 *Solidago gramineifolia* (L.) Salisb.
(2) From vicinity of bridge
over Pendleton River on
highway to Thomas from
Davis. Aug. 7. ditto

11630 *Melissa*
" garden ornamental.
From Mrs. Keiper's garden.
Aug. 7. ditto

11631 *Mentha* highway
" Near bridge over Blackswater
River opposite Davis; in wet soil.
fl. pinkish to purplish. Aug. 7. ditto

11632 *Chelone*
(2) fl. white to faint pink.
Along Canyon brook (1st stream)
across Blackswater river from
Davis, flowing into Blackswater canyon.
Aug. 7. ditto

11633 *Minules moschatus* Dougl.
(7) Boggy, open ravine near
near mine workings N.W. of Davis. (Lerning)
low water and siltation; fl. yellow. (2 miles Aug. 80)
(my first record in area)

Fern. Near Davis, W. Va.
 In same wet shallow, open
 ravine bog with # 11634, near
 11634 burning gob pile N.W. of
 Davis 1-2 miles, near
 mine openings; infrequent.
 August 8, 1945
 H.G. Allard.
 Tucker Co.

11635 *Carex folliculata* L.
 (1) In same wet boggy ~~ravine~~
 as over with # 11633 & 11634 ditto

11636 *Eupatorium purpureum*
 (1) On Manway #3 leading from
 Md. railroad to truck trail in
 canyon rim to Douglas; in
 thicket. Aug. 9. ditto

11637 *Cirsium pinnatifidum* (Walt.) Spreng.
 (1) In pastures near
 burning gob pile above.
 This a white form, becoming pale
 purple in drying. Aug. 8 ditto

11638 *Allium cernuum* Roth
 (1) Near Seneca Rocks on highway
 to Davis; habitata shale bank. Aug. 10.
 bl. deep purple, striking. ditto

11639 *Euphorbia lathyris* L.
 (1) Roadside some miles from
 Seneca Rocks on highway to Davis.
 Aug. 10 ditto

11640 *Physostegia virginiana* (L.) Benth
 (2) In Mrs. Racey's flower border.
 (Ornamental) bl. deep purple, shiny.
 Aug. 11 ditto

Helianthus laetifolius Pers. Davis, W. Va.,
 In Mrs. Racey's flower border; ornamental
 11641 (13) and widely grown in
 this region. fl. yellow. Aug. 11, 1945
 H.G. Allard.
 Tucker Co.

11642 (1) In Mrs. Racey's flower border; ditto
 bl. deep purple.
 Full bloom over.

11643 In garden of Mrs. Schwartz ditto
 (1) *Anethum graveolens* L.
 widely cult. bl. yellow.

11644 *Dryopteris*
 (1) In deep, shaded woods near
 sand pit beyond Thomas. ditto

11645 *Emilop*
 (1) In sand pit itself beyond
 Thomas, near Fairfax stone ditto

11646 *Gaultheria procumbens* L.
 (1) Around sandstone outcrops
 at sand pit above; abundant. ditto

11647 *Eriophorum virginicum* L.
 (1) In water at bottom of
 sand pit above; a fine white
 sand visible for many miles. ditto

Lycopodium selago L.
involutum L.
Abundant in wet
sand pit near 11647.
(3) In pure stands.
~~var. appressum~~ Desv.
Near Thomas,
W. Va., Tucker Co
Aug. 11, 1945
H.A. Allard.

11649 *Saxifraga atro-virens* Muhl
(2) In wet sand (lime white) at
base of sand pit above. Tucker Co ditto

11650 *Centaurea maculosa* Lam
(5) Roadside near Strasburg, Va.
very abundant here; bl. ^{purple} fl.
Shenandoah Co., Va. ditto
Aug. 12.

11651 *Asclepias verticillata* L.
(1) Roadside on the Triassic area
near Gainesville, Va.,
on dry bank. Prince William Co. ditto
Aug. 12)
Coll. H.A. Allard

11652 *Liatris squarrosa* Willd.
(1) On roadside banks between
Gainesville and Centerville on
highway; very showy, purple fl.
(bull bloom) in. ditto
Aug. 12)

11653 *Asclepias*
(2) Near Strasburg, Va., in
low ground. Shenandoah Co ditto

11654 *Oxydendron arboreum* (L.) DC
(3) Woods near Thomas on road Tucker Co
to Parsons; full bloom. Aug 9.
Conspicuous in woods here
and in forests of Blackwater canyon. H.A. Allard.

Epilobium adenocaulon Hook. Bull Run Mt.,
Pond Mt. area,
Fauquier Co., Va.
Aug. 19, 1945
H.A. Allard.
East of New Baltimore highway
and south of Thoroughfare Gap,
near Broad Run.
(1) In thicket
near Thoroughfare Gap.
abundant; fl. pinkish.

11656 *Arabis nemosa* L.
(1) In thicket near Boreby Mill
on Broad Run; in frequent.
Very first seed in area;
pink red. ditto

11657 *Spiranthes*
(2) In dry pasture just south of
Thoroughfare Gap; frequent. ditto

11658 *Paspalum*
(4) Dry soil on hog back
just south of Thoroughfare Gap. ditto

11659 In dry soil on hog back
(2) cold brookside field
1 mile below Thoroughfare Gap.
Gramineae. ditto

11660 *Botrychium*
(1) In woods 1 mile south
of Thoroughfare Gap - rather dry
pine & deciduous woods. ditto

11661 *Phlox paniculata* L. white f.
(2) In sunny thicket 1 mile S.
of Thoroughfare Gap; locally abundant here. ditto

Ludwigia polycarpa Shreve, Pond Mt. area,
in very wet, muddy soil in ^{elder} Tangier Co., Va.
meadow near Broad Run Aug. 19, 1945
11662 south of Thorough Gap 2 miles H.A. Allard
(2) New Area.

11663 In wet soil with # 11662; ditto
(2) infrequent.
bl. - white - some bluish.

11664 *Ambrosia trifida* L. ditto
(2) var. *integrifolia* (Muhl.) T. & G.
A very good var; frequent in all colonies;
at most only a mere form. south of Thorough
Gap 2 miles near Broad Run.

11665 *Helianthus strumosus* L. ditto
(3) In low ground, thicket near
Broad Run 2 miles S. of
Thorough Gap; common.

11666 *Paspalum* ditto
(5) In low meadow near
Broad Run 2 miles S. of
Thorough Gap.

11667 *Scirpus* ditto
(1) In boggy soil near Broad Run
2 miles south of Thorough Gap.

11668 *Pedicularis lanceolata* Michx. ditto
(4) In low meadow near Broad
Run 2 miles below Thorough Gap;
infrequent. My first record for area.
bl. yellowish white; leaves like sweet fern.

Desmodium

Pond Mt. area, Va.
Tangier Co.,

Aug. 19, 1945

H.A. Allard.

11669 In dry broomedge Near Broad Run east of
field south of New Baltimore highway &

11733 *Desmodium*

- (3) along woodroad at foot of west slope near Shenandoah near the old Boyer brick house.

ditto

11734 *Desmodium*

- (1) On same wood road near # 11733

ditto

11735 *Houstonia*

- (1) on steep shale barrens east of Woodstock, back of the old brick Boyer home; frequent.

ditto

11736 *Lepidogon*

- (1) on shale barrens with # 11735

ditto

11737 *Mazus*

- (1) on rock beside Shenandoah River ~~near~~ west slope of Massanutten Intz., east of Woodstock

ditto

11738 *Chenopodium*

- (3) In thin woods on shales near # 11736.

ditto

~~Panicum~~

on shale barrens with # 11735

11739

(1)

Massanutten Mt., Va.

Shenandoah Co., west slope, east of Woodstock, Sept. 3, 1945. H.A. Allard

11740

- Centaurea maculosa* Lam. fl. pinkish purple. In Alleghenies, beyond North River Gap, on roadside on road to Camp Todd, Rockingham Co., in Geo. Wash. Nat. Forest. Sept 2, 1945 H.A. Allard; locally abundant here and within past few years.

11741

- (1) *Cladonia* on soil on Little Bald Mt. in Alleghenies, Rockingham Co., Va., Sept. 2, 1945 H.A. Allard, at 2000 ft.

11742 *Cladonia*

- (1) On soil near # 11741, on Little Bald. Sept. 3, 1945 H.A. Allard

11743 *Cladonia*

- (1) on soil near # 11741 on Little Bald at 2000 ft. Sept. 3, 1945 H.A. Allard

11744 *Vaccinium vacillans* group

- (1) on west slope of Little Bald, in Alleghenies at Camp Todd, Va., in North River Gap, at 2500 feet. Sept 2, 1945 H.A. Allard. Ripens very late about Sept. 1. I discovered this colony several years ago.

11745

- (3) *Carpinus* at Camp Todd, in Alleghenies at foot of Little Bald, Rockingham Co., Va. Sept. 2, 1945. H.A. Allard.

Euphorbia

- 11746 on shales on west slope of Massanutten Mt. east of woods. These shales back of old Mr. Boyer's brick house on the Shenandoah here.
Sept. 3, 1945. H. G. Allard.

- 11747 Kudzu vine Pueraria 7th and Filmore St.
(19) This growing to peak Mrs. Spelly's of house and in full Arlington, Va.
bloom; fl. purplish red, very Sept. 6, 1945
fragrant even at a distance. H. G. Allard.
After the Kudzu does not flower here

- 11748 Geaster reticulatus Morgan. ditto
on shales in thin woods near Shenandoah River; very abundant here

- 11749 Clematis virginiana L.
14/ spontaneous on fence. H. G. Allard's grounds
ornamental 3000-7th St. North, Arlington, Va.
(a weed) Sept. 9, 1945
H. G. Allard.

- 11750 grass
(35) Tall 3-4 ft high; in damp soil ditto
Sept. 9, 1945.

- 11751 Cardiaster peruvianus halimifolius L.
(21) annual; planted in flower ditto
climbs by winding its flower
branches around objects; fl. small
rather
very delicate vine; poor ornamental.

- 11752 Sedum crexii Gray
11/ on west slope of Little Bald Knob in Alleghenies near Camp Todd Sept 22
at 2000 ft. very common on dry shales here; past bloomer. H. G. Allard

Sinias angulatus L.

- Very high-climbing, climbing to tops of my pear trees 20-25 feet high; a persistent, annual weed.
11753 (3)
H. G. Allard's garden, 3000-7th St. North, Arlington, Va.
Sept. 9, 1945

- 11754 Vitis sp.
(18) a Manchurian sp. from Asia - ditto
S. P. L. ornamental; orig. label lost.
Fruit small, blue; persistent.

- 11755 Caryopteris incana C. W. Cusheffer's ground
(2) ornamental. 4435 North Pershing Drive, Arlington, Arlington, Va.
fl. bluish Sept. 12, 1945

- 11756 Lespedeza
(2) fl. deep reddish purple, showy. ditto,
ornamental

- 11757 Petunia
(5) flowers dark red, but dried deep, dark purple.
H. G. Allard's grounds, 3000-7th St. N., Arlington, Arlington, Va.
Sept. 12, 1945
H. G. Allard

- 11758 Helianthus tuberosus L.
(7) 10-12 feet tall; flowers large, ornamental. but rhizomes small, elongate. Has been in my garden for 20 years from first plants introduced
Sept. 22, 1945
H. G. Allard

- 11759 African marigold
(5) fl. yellow ditto

Petunia

 H.A. Allard's garden
 3000-7th St. North,
 Arlington Co., Va.
 Sept. 22, 1945
 H.A. Allard.

11761 *Calonyction aculeatum* House ditto
 (18) *forma apiculatum* Allard, ditto
 from seedling progeny of original plant
 of last year. Ornamental; fl. with
 5 petals.

11762 *Chelone*
 (1) bl. deep pink.
 Roadside thicket
 at Thorofare Gap.
 Bull Run Mt.,
 Pond Mt., Va.,
 Fauquier Co.,
 Sept. 23, 1945
 H.A. Allard

11763 *Corallorhiza odoratissima*
 (several) In pine woods (Willd.) Nutt. ditto
 of Thorofare Gap in pasture one mile south
 of east of the New Baltimore highway
 here, apparently having found a most favorable
 even its optimum habitat.

11764 *Eupatorium aromaticum* L. ditto
 (1) In thicket near # 11763 in
 open woods; frequent; fl. very white.

11765 *Oxalis*
 (1) Near old house (abandoned)
 near # 11764, in yard; ditto
 abundant

11766 *Lechea*
 (2) In dry open oak woods Bull Run Mt., Va.
 on ridge just north of Fauquier Co.,
 Beresly Mill; frequent. Sept. 23, 1945
 H.A. Allard.

Quercus rubra L.
 emend. Du Roi
 On ridge near # 11766
 11767 (with acorns)
 (2)
 Bull Run Mt., Va.
 Fauquier Co.,
 Sept. 23, 1945
 H.A. Allard.

11768 *Quercus rubra* L. ditto
 emend. Du Roi
 Near # 11767.
 Acorns only - very large;
 leaves as in # 11767

11769 acorns from suffused hybrid ditto
Quercus alba x *Q. stellata*
 illus in The Vegetation and Characteristics
 of Bull Run Mt., Va., by Allard & Leonard,
 page 27. See # for leaves.

11770 Siberian Maple (Int.) In H.A. Allard's yard
 (2) 3000-7th St. North,
 Sept. 22, 1945 Arlington Co.,
 Sept. 22, 1945

11771 *Solidago lablab* ditto
 (1) bl. lilac -
 (on my fence) Many volunteers
 from last year.

11772 *Lycopodium*
 (several) *hymniforme* In woods at west of
 on log. Massanutten mts.,
 east of Pughs Run, Shenandoah
 Co., east of Woodstock
 Sept. 29, 1945
 H.A. Allard

11773 *Large Geaster* ditto
 (3) In same locality on forest floor. (found the
 two coffeeheads here)
 = *Geaster triplex* Jungh. Note collar around
 where bearing portions

~~Aster laevis~~ L.
bl. pale bluish lilac.
Massanutten Mt., Va.
Shenandoah Co.
Sept. 29, 1945
H. A. Allard
11774 On crest of ridge
just east of Pugh's Run
in dry, deciduous woods at 2500 ft.
Common
= Aster undulatus L.

11775 *Trichostema citrea*
" on shale barrens ditto
near foot of the above crest;
a typical shale barren plant.

11776 *Peltigera*
" Lichen on shale barrens ditto
near # 11775

11777 *Houstonia longifolia* Gaertn.
" on shale barrens with # ditto
11775; frequent here.

11778 Rock lichen.
" On rocks on rock slide near ditto
crest of ridge east of Pugh's Run
on west slope; also on logs.
Near 2500 feet

11779 *Imphilaria pustulata*
" On rocks near # 11778 ditto
same locality.

11780 *Panicum*
" (2) On crest of ridge near # 11774 ditto

Aster laevis L. Massanutten Mt., Va.
Shenandoah Co.
Sept. 29, 1945
H. A. Allard
11781 On shale barrens
on west slope of ridge east of
Pugh's Run and Woodstock.
(15) a common constituent here.

11782 Rock lichen
" on rocks near top of ridge ditto
(2) east of Pugh's Run and Woodstock,
on west slope at 2000 ft.

11783 *Paronychia fastigiata* (Raf.) Fern. ditto
" var. *typica* Fern.
On shale barrens near Fish
Hatcheries, near Pavells Farm Valley,
Warren Co., Va. in Massanutten Mts.
Sept. 30, 1945 H. A. Allard

11784 Norway maple
" (2) (ornamental)
acer *platanoides*
Near Woodstock, Va.
Shenandoah Co.,
In yard just off
highway 211,
Sept. 29, 1945
H. A. Allard

11785 *Opuntia humifusa* Raf.
" On shale barrens near old Boyer
place, in pasture near Boyer's Spring.
Common here in full fruit.
No long spines.

11786 *Euonymus europaeus* L. C. W. Culpepper's
" (3) garden
Flowers greenish or yellowish 4435 North Pershing
Arlington, Va.
Arlington Co., Va.
Oct. 1, 1945
H. A. Allard

11787 *Lycoris*
" (3) Fl. crimson.

ditto

water plant in H.A. Allard's
fish pool. 3000-7th St. North,
Arlington, Va
Oct. 7, 1945
H.A. Allard

11788
(6)

11789 *Sentiana andersonii* Griseb.
" In moist soil on wood road on
Backbone Mountain: sent down by
Bill Kramer, Forest Service, Davis, W. Va
Oct. 7, 1945. H.A. Allard
(For record as a poor specimen)

11790 Black Gum - Black spots on young Bull Run Mt.
also myriangium trees. Prince William Co.
downed Mont on ridge just north of October 14, 1945
Berkeley Mill. H.A. Allard.
= *Septobasidium curtisii* (Berk.) Boed. Steiner.

11791 *Vernonia* rust. ditto
On plants just north of Berkeley Mill.
1/4 mile, near road at foot of High Point ridge
Colosporium vernoniae Berk. & Curt.

11792 *Lycopodium germinatum* Batsch. ditto
In woods on
soil and leaves just east of
High Point.

11793 Small mushrooms ditto
on burned area below High Point
on east slope
Omphalia camparella (Batsch) Quel.

11794 *Vaccinium* with black spots on ditto
leaves. just below High Point
on east slope.
= *Vaccinium vacillans* Kalen
= *Rhytisma vaccinii* (Schw.) Fr.

Quercus rubra

Bull Run Mt., Va
Fauquier Co.,

Leaves from the Oct. 14, 1945
tree with large acorn H.A. Allard
11795 collected Sept. 23, 1945 under the
number 11768
3 and leaves with the tree
compare acorns with the tree
nearly under the number 11767.

11796 *Rhododendron nudiflorum* (L.) Torr. ditto
" (2) well down east slope, considerable
blossom on the plants. at this late
season, not as in spring before or
with appearance of the leaves.

11797 Lichen - *Cladonia*. ditto
" fruiting bodies green colored
at foot of High Point ridge, east slope,
on damp soil in old woodroad. Prince William Co.

11798 *Vernonia glauca* (L.) Willd. ditto
" (3) stems and leaves with galls.
at foot of east slope of High Point
ridge, Fauquier Co., in open woods.

11799 Moss.
" (1) In moist soil of wood road
near # 11798; very abundant.
Prince William Co.

11800 *Aster tataricus* L. ditto
" (2) In thickets near west
slope of Pond Mt. along highway
55 through Thorofare Gap. Fauquier Co.
Oct. 21, 1945
H.A. Allard.

11801 *Exanthia hyemalis* (L.) Salisb. ditto
H.A. Allard's garden where estab. Arlington Co., Va
March 2, 1946.
fl. yellow.
one of earliest sp. blooming plants.

small druf - small sp. H.A. Allard's garden
Fl. green and white, Arlington, Arl. Co., Va
March 2, 1946
H.A. Allard,
11802

11803 Snow druf - large species
Leaves much broader.
First plant to flower.
Fl. white with green spot at
base of corolla segments.
March 2, 1946

11804 Moss -
" on soil
Pond Mt., Va.,
March 23, 1946
H.A. Allard
In pasture just south
of Thorofare Gap, on soil
Claytonia virginica

11805 " ditto
along Broad Run in
blood plain 1 mile south
of Thorofare Gap.
11806 Nepeta hederacea
with 11805 ditto

11807 Stellaria media
on steep bank in woods
one mile S. of Thorofare
Gap, along Broad Run.
ditto

11808 Moss on log along
Broad Run 1 mile
south of Thorofare Gap.
ditto

Mass -
Poa cuspidata Nutt
Pond Mt., Va.
South of Thorofare Gap
along Broad Run
one mile - near
Triassic conglomerate outcrop.
March 23, 1946
11809
" ditto

11810 Moss
on bank near # 11809 ditto

11811 Hepatica americana (DC) Ker.
along ~~road~~ ^{road} bank of Broad Run ditto
1 mile south of Thorofare Gap.
Fl. white & several colonies
among the blue.

11812 Polystichum abrotanifolium
+ incisum on wooded bank ditto
one mile south of Thorofare Gap
on Broad Run.

11813 Moss
on rotten log near # 11812 ditto

11814 Nepeta
along Broad Run
2 miles south of Thorofare Gap.
date = April 6, 1946
same locality

11815 Gnaphalium
on east slope Pond Mt., Va
near Thorofare Gap, and east of
New Baltimore Highway.
ditto

Viola
fl. blue
11816

East slope Pond Mt.
just south of Thorofare Gap
in dry pasture. April 6, 1946
H.A. Allard

11817 Xanthi Turkish tobacco
Sown in greenhouse, Beltsville,
2-18-46. Dried 4-12-46, 21-22
days old.
H.A. Allard.

11818 *Myrica*.
in old field
west slope, below Castle's North of Hoperell Gap, Bull Run Mt., Va.
property. Abundant; April 4, 1946
fragrant. H.A. Allard.

11819 *Cyst. affle* in pasture
(2) near # 11818; full bloom. ditto

11820 wild plum.
(2) in pasture near # 11819 ditto
 $\frac{1}{2}$ mile north of Hoperell Gap, west slope.
Full bloom.

11821 *Wisteria*.
(3) at old house at foot of Harris's
lane 2 miles north of Hoperell Gap,
west slope. Full bloom.
Fl. purplish blue ditto

11822 *Lycium halimifolium*
(3) with # 11821, same yard. ditto
fl. pinkish.

Double yellow
Narcissus

in yard of
11823 old house with
2 # 11821.

west slope of Bull Run Mt. Va.
North of Hoperell Gap 2 miles
April 14, 1946
H.A. Allard

11824 Lilac.
(3) in yard with # 11821
fl. lilac purple. ditto

11825 Pop.
(1) in Harris's yard - west slope ditto
2 miles north of Hoperell Gap
From top tree 60 years old, 30 feet
tall.

11826 *Ceanothus*
(4) in woods near Brook Run
south of Thorofare Gap, East of New Baltimore road.
April 26, 1946
H.A. Allard.
In swampy woods on bank
of brook, in woods south
of New Baltimore highway; frequent

11827 *Luzula*
(1) with # 11826 ditto

11828 *Carex*.
in woods near Brook Run
south of Thorofare Gap 2 miles, east
of New Baltimore highway. ditto

11829 *Ranunculus nemorosus* Pursh
(1) woods with # 11828. ditto
Common.

Cardamine bulbosa Pond Mt. area,
east slope, south of Thoroughfare
(Schubert) B.S.P. Bay 2 miles. April 26, 1946
wet soil along bank H.A. Allard.
11830 near Broad Run
(2) east of New Baltimore highway.
Abundant here; attractive.

11831 *Cerastium vulgatum*
var. *hirsutum* Trips,
Old field south of Thoroughfare Bay ditto
1.2 miles, east of New Baltimore
highway, common

11832 *Silene caroliniana* Walt
sub. of *pennsylvanica* (Michx.) Chamon ditto
East slope at crest of cliffs 1 mile south
of Thoroughfare Bay, fl. pink.

11833 *Carex*
(1) In woods, west slope, 1 mile south
of Thoroughfare Bay, west slope near
cliffs ditto

11834 *Ranunculus hispidus* Michx.
(1) west slope well up, about 1/2 mile
south of Thoroughfare Bay: full bloom.
In damp soil, common
Petals bright yellow.

11835 *Mercurialis alata* Michx.
From C.W. Culpepper's grounds
4435 North Pershing Drive,

12036

Sabatia angularis (L.) Pursh

(3)

In swale with # 12035;
very showy, abundant here. ditto

12037

Spiraea salicifolia L.

(3)

In swale with # 12035 ditto

12038

Elodea canadensis Michx.

(6)

From Allard's fish pond
as for # 12033. Aug. 11, 1946
H.A. Allard

Veronica virginica L. Tucker Co., W. Va.,
Aug. 17, 1946.
Roadside between Thomas and Red House
Aug. 17, 1946. H.A. Allard.
12040 very shiny, 6 ft tall, fl. white.
(3) Infrequent in this area.
= Culver's Root. at 3000 ft.

12041 *Chelone*; fl. white to pinkish.
(1) across Blackwater River from
Daisy, Tucker Co., W. Va., at 3200
ft., Aug. 17, 1946, / H.A. Allard

12042 *Eupatorium purpureum* L.
(2) ditto
Aug. 19, 1946
4-5 ft. tall. Near pulp mill ruins
near bridge.

12043 *Edinocystis lobata* (Michx.) F. & G.
(3) Aug. 19, 1946.
In thicket along Blackwater River
near bridge at Daisy, Tucker Co., W. Va.
Frequent. H.A. Allard.

12044 *Carallia sarscolens* L.
(1) across River (Blackwater) from Daisy,
Tucker Co., W. Va. Aug. 19, 1946.
H.A. Allard at 3200 ft

12045 *Aster umbellatus* Mill.
(1) with # 12044. Aug. 19, 1946
Exceedingly common. H.A. Allard.
The commonest aster in the region.

12046 *Lycopodium tristachyum* Pursh.
(1) In spruce forest near Tank
stream across Blackwater River
from Daisy, Tucker Co., W. Va.,
Aug. 19, 1946. H.A. Allard.

across Blackwater River from
Daisy in open meadow, at 3200 ft.,
Tucker Co., W. Va. Aug. 19, 1946

12047 H.A. Allard
(1) a very common species everywhere
in the region to tops of
Alleghenies 4000 ft or higher.

Solidago

12048 *Epilobium angustifolium* L.
(1) with # 12047. Very common
in region - shiny. Aug. 19, 1946
H.A. Allard.

12049 *Chelone*
(1) fl. white to pinkish. ditto
In damp soil near # 12048

12050 willow (*Salix*)
(3) In cold, wet mountain bog
in Monongahela National Forest
near Douglas, Tucker Co., W. Va.,
Aug. 20, 1946, near 3200 ft.
H.A. Allard

12051 Black fungus spots on
(3) *Nemophyllus mucronata* (L.) Thel.
Very abundant. with # 12050
Aug. 20, 1946.

(1) with # 12313 ditto
data

12315 Moss Near # 12313 ditto
(2)

12316 Carex Top of Canaan Mt.,
(1) Tucker Co., W. Va.
In pure white sand on sandstone
ledges June 22, 1947
H. A. Allard.

12317 Galium
(1) In woods on Bearden Knot
Tucker Co., W. Va.
June 22, 1947.
H. A. Allard

12318 Menziesia pilosa (Michx.) Pers.
(1) with # 12313. full bloom
(same data)

12319 Azalea lutea
(1) fl. deep orange red.
with # 12313. (same data)

ayalea lutea
fl. orange. On top of Moynock Knob,
Tucker Co., W. Va.,
12320 June 22, 1947. H.A. Allard.
(1)

12321 *Sorbus americana* (Marsh) D.C.
(1) On top of Canaan Mt., near
Davis, Tucker Co., W. Va.
June 22, 1947. (leaves very food
H.A. Allard of fruit)

12322 *Gabium concinnum* T. & G.
(1) Near Oakland, Garrett Co., Md.,
on roadside bank.
June 24, 1947. H.A. Allard.

12323 Grass.
(1) on shales near Petersburg, W. Va.
Grant Co., June 24, 1947
H.A. Allard.

12324 In woods - on shales
(12) near # 12323 ditto
(large colony) by roadside.

12325 *Radiola nasturtium-aquaticum*
(12) (L.) Britton & Rendle.
In brook 12 miles above
Scheer, Grant Co., W. Va.
June 24, 1947

12326 *Veronica anagallis-aquatica* L.
(13) Very abundant here; full bloom.
In brook with # 12325, where
abundant ditto

Hydrangea arborescens L.
on shales near Petersburg, W. Va.
Grant Co., June 24, 1947.
H.A. Allard,
12327 abundant; full bloom.
(1)

12328 Carex. 7 miles north of Dolly Sods,
on the Huckleberry Plains, Tucker Co.,
W. Va.; June 23, 1947. H.A. Allard
In dry rocky soil - at 4000 ft.

(1) ledges near # 12328 ditto
vertical

12330 *Dicentra spicata* (Ker.) Torr.
(13) Common on the rocky plains ditto
here; in full bloom, beautiful now.

12331 Carex
(1) In sand on ledges above ditto

12332 *Geranium* On top of knob at
(12) Scheer, Greenland Gap,
Grant Co., W. Va. June 25, 1947
H.A. Allard

12333 In woods near # 12332
(12) grass. ditto

Marrubium vulgare L.
on knob in pasture near
Scheer at Greenland Gap,
Grant Co., W. Va. June 25, 1947
H.A. Allard. Common here.

12334
" Carex on top knob in dry
woods near # 12334 ditto

12335
" Grass ditto
with 12335

12336
" Salix ditto
with # 12335

12337
" Grass dry shale at Scheer,
near Greenland Gap, Grant Co., W. Va.
June 25, 1947. H.A. Allard
Much infested with yellow fungus.
= *Festuca elatior* L.

12338
" *Cynoglossum officinale* L.
with # 12334. same data.

12339
" *Acalypha*
with # 12335. Same data.

In woods near # 12336.
Same data, loc. etc.

12340
" Grass

12341
" Mint In pasture on steep,
dry shales near # 12334.
Same data, loc. etc.
bl. purplish.

12342
" Rosa In same high pasture
with # 12334

12343
" Carex. 2 miles west of
his shale road to Oakland,
Red House, on road to Oakland,
Md. Garrett Co., June 26, 1947
H.A. Allard

12344
" *Galium boreale* L.
Large patch here, with # 12344,
white, here, bright

12345
" *Oenothera*
with # 12345

12346
" *Lobelia*
with # 12345

Thalictrum In swale 2 miles west
of Red House, on highway to
Oakland, Garrett Co., Md.,
12348 June 26, 1947. H.G. Allard
" (with #12345)

12349 *Sisyrinchium*
" (2) with #12348

12350 *Tragopogon pratensis* L.
" on shales near Red Run,
Tucker Co., W. Va. June 26, 1947
H.G. Allard. (Is it *T. dubius*?)

12351 *Lilium canadense* L.
" In pasture near #12350
same data

12352 *Eleocharis*
" with 12348 same data

12353 *Diervilla lonicera* Mill
" On top Cabin Mt., on Blackbird
Knob, Tucker Co., W. Va. June 27, 1947
H.G. Allard. Common; full flower;
fl. yellow.

12354 Grass
" On ledges near #12353 ditto

Carex with #12354
same data

12355
"

12356 *Veronica anagallis-aquatica* L.
" In water on slope of
Cabin Mt., near Blackbird
Knob, Tucker Co., W. Va.
June 27, 1947. H.G. Allard

12357 *Galium verum* L.
" (4) Roadside near Dore, Hampshire Co.,
W. Va., on U.S. 50. fl. yellow.
Extremely abundant here in fields
and roadsides

12109 *Vaccinium*.
Near Blackbird Knob on Catoir Mt.,
Tucker Co., W. Va., near 4000 ft.
Only 3 plants seen in area; 2 $\frac{1}{2}$ -3 ft
high. Two plants near ledge were red.
with shining black fruit; juice
carmine red; many seeds.
Have never seen it in the area before.
Fruit borne singly on slender,
drooping peduncles, from each
leaf axil. Sweet, but tasteless.
Leaves glabrous.
Vaccinium erythrocarpum Michx.
