North Abington, Mass.

WHEN THE PACKING SEASON BEGINS.

We usually begin digging and packing about the 1st of October in the Fall and April 1st in the Spring.

DIRECTIONS FOR SHIPPING.

Parties ordering are requested to state explicitly the mode of conveyance by which they desire their stock forwarded. When no route is designated, we exercise our judgement; but in no case do we assume any responsibility after packages are shipped, unless for our own mistakes. When losses occur by detention, claims should at once be made on the forwarder.

CONDITIONS OF SALE.

FIRST—The articles on the following list will be furnished at the annexed prices only when the quantity specified shall be taken. *Five hundred* will be furnished at the *thousand* rate, *fifty* at the *hundred* rate, and *five* at the rate per *ten*. *In no case will we supply long list of selected varieties, two or three of each, of either Shrubs, Vines, Ornamental Trees or Plants, to Nurserymen or others, at wholesale rates, when single rates are not given; but at a price equal to twice the 100 rate, for example: If a plant is listed \$1.50 for 10, \$10 for 100, 20 cents would be charged for single plants or in numbers less than 5 of a kind.*

SECOND—While we exercise the greatest care to have all Trees, Shrubs and Plants genuine and reliable, and hold ourselves prepared to replace, on proper proof, all that may prove untrue, *we do not give any warranty, expressed or implied;* and in case of any error on our part, it is mutually agreed between the purchaser and ourselves that we shall not at any time be held responsible for a greater amount than the original price of the goods.

THIRD—The prices annexed do not include boxes or bales. A charge equal only to the actual cost of the boxes or the material used in baling is made. No charge for conveyance to Freight Station.

Our terms are Cash unless by special agreement. We can ship by Express C. O. D. when desired, with charges for collection added to the bill—provided 20% of the amount of the order accompanies the same as a guarantee. Said guarantee will be required only from parties with whom we have no business acquaintance. **All bills remaining unpaid June 1st will be subject to sight draft without further notice.**
